Dear Parents and Students of the Class of 2029:

We would like to take this opportunity to officially welcome you to Northshore High School and let you know about some exciting events scheduled this year. We hope that both students and parents will take advantage of every opportunity to become involved with Northshore to make it a truly rewarding experience. Additionally, we encourage both parents and students to keep up with all pertinent information regarding academic and social life through the Northshore High's website at <https://northshorehigh.stpsb.org/>.

To begin your association with NHS, we would like to encourage the attendance of each freshman student and their parents at the **Freshman Orientation on Monday, August 4th at 6pm.** You will get a chance to meet our administrators and learn about life at Northshore from student council and ambassador members while taking a guided tour of the campus. This will include insight into high school extracurricular life and an explanation of the uniform policy at NHS. Students will also **take a photo for their school ID (please wear or bring a navy blue or white polo style school shirt).**

ORIENTATION TIMELINE

5:30-6:00 arrival and check-in → order class t-shirts (payments made on My Payments Plus) if time permits

6:00-7:00 tour campus, take ID picture (bring/wear uniform shirt)

7:00-7:30 explore extracurricular activities, order class t-shirts (payments made on My Payments Plus)

CLASS DUES

Each class at Northshore collects annual dues. **Freshman year dues are \$5.** Class dues increase each school year for a total of \$65. We encourage you to pay class dues annually so that when senior year comes, it is not another added expense. If dues are NOT paid by the beginning of senior year, students will not be eligible to participate in senior events such as the picnic and prom. **Dues can only be paid on My Payments Plus.**

CLASS INFORMATION

Students should join the Class of 2029 Google Classroom page using their school Google accounts. This Google Classroom will be used to send out important information about upcoming events and activities. The Google Classroom code is: **sbqttpwq**
