Student Chromebook Usage & Protection Plan

2025–2026 School Year

The Walton County School District (WCSD) provides Chromebook devices to support student academic success. For the 2025–2026 school year, WCSD is offering a Chromebook Usage and Protection Plan for **\$10 per student**, per year.

Purchasing this plan:

- **Allows the student to take the Chromebook home.**
- **Secures discounted repair rates for damages.**

Note: Students are not permitted to connect or use personal laptops or other electronic devices at school.

Repair and Replacement Costs

Repair Needed	Reduced Cost (Plan Purchased)	Full Cost (No Plan)
Lost or Broken Charger	\$20.00	\$30.00
Touchpad	\$10.00	\$25.00
Broken LCD Screen	\$30.00	\$50.00
Keyboard Replacement	\$25.00	\$35.00
I/O Charge Port	\$25.00	\$35.00
Battery Replacement	\$50.00	\$70.00
Body Replacement	\$50.00	\$70.00
Loss, Theft, or Willful Damage	\$250.00	\$310.00

Note: For repairs not listed above, costs will be provided after evaluation. WCSD personnel will determine whether a device requires repair or replacement based on loss of functionality.

Student Responsibilities

- Students who withdraw or graduate from WCSD must return their Chromebook and charger. Any outstanding repair or replacement fees must be paid before school records are released.
- All downloads—including photos, videos, and apps—must comply with the WCSD Acceptable Use Policy as outlined in the student handbook.

-The Optional Protection Plan does not cover intentional damage. If the device is purposely damaged, the student and their parent/guardian may no longer be covered by the plan and may be responsible for paying the full replacement cost of the device.
