

Medical Statement to Request Meal Modification

Modifications to Accommodate a Disability: Meal modifications prescribed by a licensed healthcare professional must be made to accommodate a participant's disability.

Definition of Disability: Under Section 504, the ADA, and Departmental Regulations of 7 CFR part 15b define a person with disability as any person who has a physical or mental impairment which substantially limits one or more major life activities, has a record of such impairment, or is regarded as having such an impairment. "Major life activities" are broadly defined and include, but are not limited to, caring for oneself, performing manual tasks, seeing, hearing, eating, sleeping, walking, standing, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating, and working. "Major life activities" also include operation of a major bodily function, including but not limited to, functions of the immune system, normal cell growth, digestive, bowel, bladder, neurological, brain, respiratory, circulatory, endocrine, and reproductive functions.

This form must be completed by a "licensed healthcare professional" that is authorized by Kansas state law to write medical prescriptions [a licensed physician (MD or DO) OR a physician's assistant (PA) or an advanced practice registered nurse (APRN) authorized by their responsible licensed physician] or a registered dietitian.
