

# WEST PARK HIGH SCHOOL

## Food Drop-Off, Messages & Deliveries Policy

**Mission Statement:** *We value people and we love to learn.*

### **Food Drop-Off**

Food deliveries are not accepted at West Park High School (e.g. Uber Eats, Door Dash, or family/friend drop-off) during school hours. Food that is left for students at the front gate will be thrown away.

Students may bring their own lunch from home and/or get breakfast and lunch through the Panther Patio (cafeteria).

[Click here](#) to learn more about the food service made available through the cafeteria for breakfast and lunch.

### **Messages/Deliveries**

The office staff does not deliver student messages or items to classrooms. Students may check the table in the front of the office for messages or deliveries if they believe something has been dropped off for them. All items left for student pick-up are left at your own risk. Cash may not be left for students.
