J. CERTIFICATION NO. 1: CERTIFICATION OF THE DISTRICT'S ABILITY TO MEET THE COSTS OF THE COLLECTIVE BARGAINING AGREEMENT

This certification page must be signed by the district's Superintendent and Chief Business Official at the time of public disclosure and is intended to assist the district's Governing Board in determining whether the district can meet the costs incurred under the tentative Collective Bargaining Agreement in the current and subsequent years. The absence of a certification signature or if "I am unable to certify" is checked should serve as a "red flag" to the district's Governing Board.

In accordance with the requirements of Government Code Sections 3540.2 and 3547.5, the Superintendent and Chief Business Official of the Lawndale Elementary School District, hereby certify that the District can meet the costs incurred under this Collective Bargaining Agreement during the term of the agreement from July 1, 2024 to June 30, 2025.

Assumptions and Explanations (enter or attach documentation)

The assumptions upon which this certification is made are as follows:

This certification is based on the following assumptions and information known at this time. Unanticipated changes in enrollment, reductions in state/federal funding, new state or federal mandates, or subsequent legislative or regulatory actions that would alter the financial status of the district are not contemplated in this certification. The multi-year projections upon which this certification is based upon School Services of California projections which are subject to revisions.

Assumptions:

The state does not reduce the local control funding formula and/or deficit fund the State adopted budget for 2024-2025 and future years. The state does not reduce or rescind COLA on categorical programs either during 2024-2025 or future years. The state fully funds on an ongoing basis non-LCFF programs through appropriations that support rates included in the adopted budget. Actual enrollment decline in the elementary district does not exceed the projections. Actual workers' compensation claims do not result in a change to the most recent actuarial which assumes no rate increase is needed. There are no major claims or litigation costs imposed on the district that are not already anticipated and reserved.

All budget adjustments were included in the Second Interim Budget Report prior to the approval of the AB 1200/2756 report which was approved by the Governing Board on March 20, 2025.

Concerns regarding affordability of agreement in subsequent years (if any):

K. CERTIFICATION NO. 2
