EASTWOOD ACADEMY HS CTE PATHWAYS

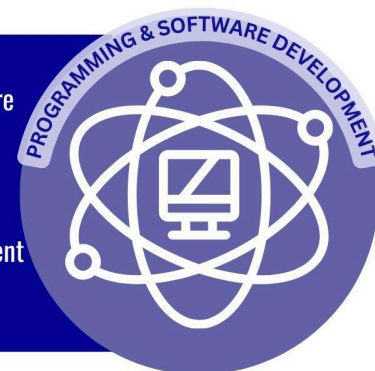

Students learn the principles of engineering and design. Through this pathway students take various courses and develop skills which culminate in their capstone engineering project during their senior year.

Course Sequence: Principles of Engineering | Manufacturing Engineering Technology | Engineering Design & Presentation | Engineering Design & Problem Solving

Sign up for text notifications!

Students delve into the world of programming and software development, gaining a comprehensive understanding of computer science principles, game programming, mobile app development, and more. Through this pathway, students develop skills which culminate in their independent capstone project during their senior year.

Course Sequence: AP Computer Science Principles | Game Programming & Design | Mobile Application Development | Practicum in Technology Applications
