- In order to facilitate the timely processing, approval, and distribution of SELPA funding, please submit the Local Plan in the original, CDE-approved format. All templates are coded for the CDE's record keeping purposes.
- Handwritten, scanned, or modified templates remove the coding from the fields and impede the CDE's processing of the Local Plan. Participating Local Educational Agencies

Participating local educational agencies (LEAs) included in the Special Education Local Plan Area (SELPA) local plan must be identified in Attachment I.

Special Education Local Plan Area—Local Plan Requirements

1. Describe the geographic service area covered by the local plan: [EC 56195.1(d); EC 56195.1(a)(1); EC 56211; EC 56212]

The Desert Mountain Special Education Local Plan Area (SELPA) is located in the Desert/Mountain region of San Bernardino County. The Desert Mountain SELPA comprises local education agencies (LEAs), encompassing LEA charter schools and charter schools of the district spanning over 20,100 square miles, the Desert Mountain SELPA's LEAs extend from the summit of the Cajon Pass to the Arizona border, and also encompass San Diego County, where several of our charter schools are situated.

2. Describe the SELPA regional governance and administrative structure of the local plan. Clearly define the roles and structure of a multi-LEA governing body, or single LEA administration as applicable: [EC 56195.1(b)(1)-(3)(c); EC 56205(a)(12)]

The Desert Mountain SELPA regional governance and administrative structure of the local plan falls under the governance and administrative structure of the California Association of Health and Education Linked Professions (CAHELP) Joint Powers Authority (JPA). CAHELP JPA operates the departments of the Desert Mountain SELPA, Desert Mountain Charter SELPA, and Desert Mountain Children's Center (a mental health component). CAHELP JPA is a consortium of local school districts within our geographical region and charter LEAs in our region and in San Diego County. Participating LEAs of the Desert Mountain SELPA have joined in a cooperative effort to provide for the coordinated delivery of programs and services, and to assure equal access to such programs and services to eligible individuals with disabilities requiring special education within the Desert Mountain SELPA. The CAHELP JPA Governance Council is the governing board of the Desert Mountain SELPA and shall adopt policies for the Desert Mountain SELPA and participating LEAs. The policies and procedures adopted by the CAHELP JPA Governance Council under the authority of the adopting LEA boards have the same status and authority as other LEA board policies. In adopting the Local Plan, each LEA agrees to carry out the duties and responsibilities assigned to each agency, or which may be designated at a later date through agreement/policy of the participating LEAs. Participating agencies may enter into additional contractual arrangements to meet the requirements of applicable federal and state.

Some Charter LEAs are outside the geographic boundaries of the Desert

Mountain SELPA. The CEOs of all of the LEA Charters outside of the geographic boundaries are responsible for the management and supervision of all special education program operations. To this end, the Desert Mountain SELPA will provide technical assistance in ensuring that the out of geographic Charter LEAs have the support necessary to fulfill their legal obligations under California Ed Code, IDEA, and other applicable laws, and Desert Mountain SELPA policies and procedures. The function of the Desert Mountain SELPA and participating LEAs is to provide quality educational programs and services appropriate to the needs of each eligible student with a disability who is enrolled within the Desert Mountain SELPA. The Responsible Local Agency (RLA) Superintendent, LEA Superintendents and CEOs of the LEA Charters are responsible for the management and supervision of all special education program operations within the Desert/ Mountain SELPA. All such programs are to operate in a manner consistent with the funding provisions of the California Education Code, the Individuals with Disabilities Education Act (IDEA), other applicable laws, and Desert Mountain SELPA policies and procedures.

The Local Plan is a joint effort of the CAHELP JPA, San Bernardino County Office of Education (SBCOE), and participating LEAs, including Charter LEAs outside the geographic boundaries of the Desert Mountain SELPA. SBCOE is also known as the Office of the San Bernardino County Superintendent of Schools (SBCSS) and will be referred to in this document as SBCOE. SBCOE is presently designated as the Responsible Local Agency (RLA) and Administrative Unit (AU) for the Desert Mountain SELPA and the CAHELP JPA Governance Council. The CAHELP JPA Governance Council may change the RLA and AU at its discretion and in accordance with California law.

Participating LEAs work in cooperation with SBCOE to ensure that all eligible students with disabilities enrolled in alternative education programs including, but not limited to, alternative schools, charter schools, opportunity schools and classes, community day schools, community schools, and juvenile court schools within the Desert Mountain SELPA will have access to appropriate special education programs and related services. The Desert Mountain SELPA will ensure and provide support to the LEAs that are out of the geographic area to ensure that all eligible students with disabilities enrolled in alternative education programs have access to appropriate special education programs and related services.

All structural changes within the organization of the Desert Mountain SELPA, including changes in governance, are decided through deliberations of the CAHELP JPA Governance Council. All conflicts are ultimately resolved through deliberations of the CAHELP JPA Governance Council. However, most concerns are managed within various committee interactions. The Desert Mountain SELPA Steering/Finance committee examines program issues, staffing needs, fiscal issues and advises the CAHELP JPA Governance Council regarding adoption of the Annual Service Plan and the Annual Budget Plan. If necessary, recommendations regarding policies, procedures, and the implementation of the Local Plan can be given to the CAHELP CEO for ultimate

consideration by the CAHELP JPA Governance Council.

The Desert Mountain SELPA is governed by the CAHELP JPA Governance Council. The CAHELP JPA Governance Council shall be advised by the CAHELP CEO who shall, in turn be advised by the Desert Mountain SELPA Steering/Finance Committee and the Community Advisory Committee (CAC). The CAHELP CEO is responsible to ensure that all aspects of the approved Desert Mountain SELPA Local Plan are implemented according to the approved California Department of Education (CDE) Local Plan and by the CAHELP JPA Governance Council.

CAHELP JPA Governance Council

The CAHELP JPA Governance Council shall consist of the Superintendent/CEO representing each of the LEA members of the Desert Mountain SELPA, and two (2) CEO representatives from the Desert Mountain Charter SELPA. A CEO representing multiple LEAs shall count as a single member of the CAHELP JPA Governance Council. Each member of the CAHELP JPA Governance Council may designate, in writing, an alternate representative, including but not limited to, another member of the CAHELP JPA Governance Council ("proxy"), if the Superintendent/CEO is unable to attend a meeting, the designated alternate representative or designee shall have the full authority of the designating Superintendent/CEO for the purpose of decision-making. Such a designation must be received by the CEO prior to the commencement of a scheduled meeting of the CAHELP JPA Governance Council and shall be good only for that meeting. One-third (1/3) of the members, represented in person or by proxy, shall constitute a quorum at a meeting of members.

The CAHELP JPA Governance Council is empowered to establish or to participate in the establishment of a system for determining the responsibility of member agencies for the education of each individual with disabilities. The CAHELP JPA Governance Council is also empowered to designate an administrative entity to perform such regionalized functions as the receipt and distribution of all Desert Mountain SELPA funds. This may also include the provisions of administrative support, and coordination of the implementation of the Local Plan for the education of children with disabilities, and to undertake such ancillary and related programs as determined by the CAHELP JPA Governance Council. The CAHELP JPA Governance Council shall determine all policy matters for the CAHELP JPA.

Policies governing the Desert Mountain SELPA shall be adopted by the CAHELP JPA Governance Council and are included as part of the Local Plan. 9. Describe the contractual agreements and the SELPA’s system for determining the responsibility of participating agency for the education of each student with special needs residing within the geographical area served by the plan: [EC 56195.7. EC 56195.1(b)(c)]

The LEAs within the Desert Mountain SELPA join together pursuant to Sections 56140 and 56195 of the California Education Code to adopt a plan to assure access to special education and services for all eligible individuals with disabilities participating in education within the Desert Mountain SELPA jurisdiction. In adopting the Local Plan, each participating LEA agrees to carry out the duties and responsibilities assigned to it within the plan. Each agency shall provide special education and services to all eligible students within its boundaries, including students attending charter schools where that LEA of the Desert Mountain SELPA has granted that charter.

Each LEA is responsible for ensuring that children with disabilities are educated with children who are nondisabled to the maximum extent appropriate, and that removal of children with disabilities from the general education in regular classes with the use of supplementary aids and services cannot be achieved satisfactorily. It is recognized, however, that some students have educational needs so unique that it is not possible to meet those needs in their neighborhood schools or within their home LEAs. As a result, some students will need to receive services from other LEAs within DMSELPA, or through additional contractual arrangements with LEAs outside of the DMSELPA. Each agency shall cooperate to the maximum extent possible with other agencies to serve individuals with disabilities who cannot be served in the LEA of residence programs. Such cooperation ensures that a range of program options is available throughout the Desert Mountain SELPA.

Participating LEAs may enter into additional contractual agreements to meet the requirements of applicable federal and state law.

The DMSELPA maintains several participation agreements and memorandum of understanding and participation with agencies within the DMSELPA region, which may include, but are not limited to, California Children's Services (CCS), Inland Regional Center (IRC), and County of San Bernardino Preschool Services Department (PSD). These agreements outline how member LEAs may interact with each other and with said agencies in the identification and provision of special education and related services to students within the DMSELPA. These agreements specify each agency's responsibilities, provision of services, delineates which agency assumes fiscal responsibility for providing services, establishes joint planning and to ensure that resources will be utilized in the most effective manner, and establishes and maintains channels of communication between agencies and LEAs. Copies of the agreements may be found as

SELPA Desert Mountain SELPA - 3601

Fiscal Year 2024-25

Appendix of the Local Plan.

Any participating LEA may provide for the education of special education students in special education programs maintained by other districts or counties and may include with the special education program students who reside in other districts or counties.

Each LEA is responsible to oversee the operation of those special education programs offered by that LEA and assures access to special education and related services for all students with disabilities residing within the DMSELPA, to include out-of-geographical boundaries LEAs.

Pursuant to California Education Code section 56195.1(e), a SELPA-member LEA may contract with another SELPA member LEA for special education programs/services. The districts may contract with the SBCSS Desert Mountain Operations (DMOPs) to operate programs for students with severe disabilities and/or to provide related services (e.g., Special Day Class, Deaf/Hard of Hearing Itinerant, and/or Visually Impaired Itinerant Programs). The mechanism to initiate such contracts includes the approval of the Administrative Transfer to SBCSS/District Program. A Fee for Service mechanism has been developed to provide revenue for students placed in County programs.

The intra-SELPA/Inter-SELPA agreement was developed to assist LEAs and/or SELPAs to document agreements between LEAs and/or SELPAs for the provision of special education services for a resident student in a setting outside of the student's LEA and/or SELPA of residence. The purpose of the agreement is to document agreement between LEAs, obtain student count data for state reporting, and provide a mechanism to transfer funds, if it is determined to be necessary.

Pursuant to the provisions of Education Code Sections 56000 et seq., the Desert Mountain SELPA shall plan, facilitate, implement, and administer the activities of the Desert Mountain SELPA as approved by the State Board of Education, and shall perform those services as required to accomplish the elements set forth in the plan as well as those required by state and federal law. Those services include, but are not limited to the following:

1. Coordinate community and state agency resources with those provided by participating LEAs and the RLA, including initiation of such contractual agreements as may be required.

Each district of special education accountability is responsible for the students within their jurisdiction. There are no additional contractual agreements that supersede education code.

- a. The responsibilities of each participating COE and LEA governing board in the policymaking process: [EC 56205(a)(12)(D)(i)]

Education Code § 56200 (c)(2) requires that the Local Plan “specify the responsibilities of each participating county office and district governing board in the policy-making process, the responsibilities of the Superintendent of each participating district and county in the implementation of the Local Plan, and the responsibilities of LEA and county administrators of special education in coordinating the administration of the plan.” In accordance with this provision, the Desert Mountain SELPA has developed the following governance structure, policy development, and approval process.

The governing board for each LEA, Charter LEA and the San Bernardino County Superintendent approves the Agreement for Participation and the Local Plan for Special Education. As described within those documents, the Boards of Directors of the LEAs, delegate the administrative policy-making process and procedures for carrying out that responsibility to the governance structure of the Desert Mountain SELPA.

- b. The responsibilities of the superintendents of each participating LEA and COE in the implementation of the local plan: [EC 56205(a)(12)(D)(i)]

The Boards of Education of the LEAs and elected Superintendent of the San Bernardino County Superintendent of Schools, in representing the involved communities, have overall responsibility for implementation and operation of the Local Plan. LEA Boards of Education and the Superintendent of the Office of San Bernardino County Superintendent of Schools shall have the responsibility for the final approval of the Local Plan for special education and significant revisions of that Local Plan and shall have final approval of the appointment of parents in their communities to serve on the Community Advisory Committee (CAC). Responsibilities of the LEA Governing Boards include the operation of local programs consistent with applicable state and federal laws and regulations and the DMSELPA adopted policies and procedures and the DMSELPA Local Plan, to include the review and approval of the DMSELPA Local Plan for special education prior to approval by the State Board of Education. By approving the Local Plan, LEA Governing Boards enter into an Agreement for Participation with other LEAs participating in the plan, for the purpose of the delivery of regional services and programs as appropriate.

As a member of the CAHELP JPA Governance Council, the LEA Superintendent/CEO provides a liaison function between the LEA Governing Board and the CAHELP JPA Governance Council. The LEA Superintendent/

LEAs in adopting the completed Local Plan, agree to carry out the duties and responsibilities assigned within the plan, or which may be designated at a later date through agreement of the participating LEAs. Participating LEAs may also enter into additional contractual arrangements to meet the requirements of applicable federal and state law.

Each LEA shall ensure that children with disabilities are educated with children who are nondisabled to the maximum extent appropriate. Removal of children with disabilities from the general educational environment shall occur only if the nature or severity of the disability is such that education in general education classes with the use of supplementary aids and services cannot be achieved satisfactorily. It is recognized, however, that some students have educational needs so unique that it is not possible to meet those needs in their neighborhood schools or within their home LEAs. As a result, some students will need to receive services from other LEAs within the Desert Mountain SELPA, or through additional contractual arrangements with LEAs outside of the Desert Mountain SELPA. Each LEA shall cooperate to the maximum extent possible with other agencies to serve individuals with disabilities who cannot be served in the LEA of enrollment. Such cooperation ensures that a range of program options is available through the Desert Mountain SELPA.

Each LEA is responsible to participate in regular meetings of the Desert/Mountain Steering/Finance Committee, CAC and CAHELP JPA Governance Council to ensure the administration of the Local Plan.

It is the CAHELP CEO's responsibility to represent the interest of the Desert Mountain SELPA as a whole without promoting any particular LEAs interest over the interest of any other agency. In the event there are differences of opinions and/or positions on issues, it is the CAHELP CEO's responsibility to mediate a reasonable resolution of the issue(s).

The CAHELP JPA Governance Council shall be responsible for the selection, direction, discipline, and evaluation of the CAHELP CEO. The CAHELP JPA Governance Council shall be assisted in the hiring and selection process by the RLA.

The CAHELP CEO is subject to the RLA's policies and procedures for day-to-day operations. The role of SBCOE is designated as the Responsible Local Agency (RLA) and Administrative Unit (AU) for the Desert Mountain SELPA.

LEAs, in adopting the completed Local Plan, agree to carry out the duties and responsibilities assigned within the plan, or which may be designated at a later date through agreement of the participating agencies. Participating LEAs may also enter into additional contractual arrangements to meet the requirements of applicable federal and state law. Each LEA shall ensure that children with disabilities are educated with children who are nondisabled to the maximum extent appropriate. Removal of children with disabilities from the general education environment shall occur only if the nature of severity of the disability is such that education in regular classes with the use of supplementary aids and services cannot be achieved satisfactorily. It is recognized, however, that some students have educational needs so unique that it is not possible to meet those needs in their neighborhood schools or with their home LEAs. As a result, some students will need to receive services from other LEAs within the Desert Mountain SELPA, or through additional contractual arrangements with LEAs outside of the Desert Mountain SELPA. Each LEA shall cooperate to the maximum extent possible with other agencies to serve individuals with disabilities who cannot be served in the LEA of enrollment. Such cooperation ensures that a range of program options is available through Desert Mountain SELPA.

In the event of a conflict regarding the responsibility of specific LEAs for the provision of services to children with disabilities cannot be resolved satisfactorily, either party to the dispute may appeal the

decision of the CAHELP CEO to the CAHELP JPA Governance Council for a hearing on the matter. The decision of the CAHELP JPA Governance Council shall be final.

- b. The local method used to distribute federal and state funds to the SELPA RLA/AU and to LEAs within the SELPA: [EC 56205(a)12(D) (ii)(II); EC 56195.7(i)]

All federal and state special education funds shall be allocated to the Desert Mountain SELPA AU for distribution to LEAs according to an approved special education funding allocation plan. Any changes to the allocation of federal and state special education funds shall be made by the CAHELP JPA Governance Council as permitted under the JPA Agreement and Bylaws, and California and federal law.

1. Responsibilities for Distribution of Federal and State Funds

The governing boards of the LEAs participating in the Desert Mountain SELPA have agreed that students with disabilities will be provided with appropriate special education services. The CAHELP JPA Governance Council has been designated the authority to determine the distribution of all federal and state special education funds in order for LEAs to carry out their responsibilities. The AU shall be responsible for the distribution of funds according to an approved special education funding allocation plan. The CAHELP CEO is responsible to ensure the funds are distributed in accordance with the funding allocation plan.

The Desert Mountain SELPA Steering/Finance Committee shall participate in the development of the Annual Budget Plan for review and approval by the CAHELP JPA Governance Council. The Annual Budget Plan shall be distributed to LEAs and the CAC upon approval by the CAHELP JPA Governance Council.

State and federal funds are deposited from the San Bernardino County Treasury into the County School Service Fund (AU), unless otherwise directed by the CAHELP JPA Governance Council. The Desert Mountain SELPA provides an annual allocation plan to SBCOE for distribution of state and federal funds to the LEAs according to the approved schedule of disbursement.

- c. The operation of special education programs: [EC 56205(a)(12)(D)(ii)(III)]

The function of the Desert Mountain SELPA and participating LEAs is to provide quality educational programs and services appropriate to the needs of each eligible student with a disability who is enrolled within the Desert Mountain SELPA. The Responsible Local Agency (RLA) Superintendent, LEA Superintendents and CEOs of the LEA Charters are responsible for the management and supervision of all special education program operations within the Desert Mountain SELPA. All such programs are to be operated in a manner consistent with the funding provision of the California Education Code, the

SELPA Desert Mountain SELPA - 3601

Fiscal Year 2024-25

Individuals with Disabilities Education Act (IDEA), other applicable laws, and the Desert Mountain SELPA policies and procedures.

For Charter LEAs outside of the Desert Mountain SELPA geographical area, the Desert Mountain SELPA will provide technical assistance to ensure the Charter LEAs have support necessary to fulfill their legal obligations under California Education Code, the Individuals with Education Act (IDEA), other applicable laws, and Desert Mountain SELPA policies and procedures.

The Desert Mountain SELPA Local Plan is a joint effort of the CAHELP JPA, SBCOE and participating LEAs, including Charter LEAs. Participating LEAs work in cooperation with the SBCOE to ensure that all eligible students with disabilities enrolled in alternative education programs including, but not limited to, alternative schools, charter schools, and juvenile court schools within the Desert Mountain SELPA will have access to appropriate special education programs and related services. The Desert Mountain SELPA will ensure and provide support to the LEAs that are out of geographic area to ensure that all eligible students with disabilities enrolled in alternative education programs have access to appropriate special education programs and related services.

d. Monitoring the appropriate use of federal, state, and local funds allocated for special education programs: [EC 56205(a)(12)(D)(ii)(IV)]

Funds allocated for special education programs shall be used for services to students with disabilities. Federal funds under Part B of IDEA may be used for the following activities:

1. For the costs of special education and related services and supplementary aids and services provided in a general education class or other education-related setting to a student with a disability in accordance with the IEP for the child, even if one or more nondisabled children benefit from these services.
2. To develop and implement a fully integrated and coordinated services system. The CAHELP CEO, with the assistance of the Desert Mountain SELPA Steering/Finance Committee, and the AU shall be responsible to monitor on an annual basis the appropriate use of all funds allocated for special education programs. Final determination and action regarding the appropriate use of special education funds shall be made by the CAHELP JPA Governance Council through the Annual Budget Plan process.

The Desert Mountain SELPA monitors the distribution and appropriate use of funds and shares this information with the Desert Mountain SELPA Steering/Finance Committee. When necessary, meetings are held with individual LEAs for the purpose of monitoring funds. The Desert Mountain SELPA is responsible for the preparation of program and fiscal reports requested by the State.

Section B: Governance and Administration

SELPA Desert Mountain SELPA - 3601

Fiscal Year 2024-25

The CAHELP CEO shall be permitted to monitor the LEAs special education program implementation to ensure compliance in all areas including finance, service delivery, and legal requirements. If the CAHELP CEO or designee determines that an LEA is not compliant and/or not operating in a fiscally responsible manner, the CAHELP CEO may require that the responsibility for resulting costs be borne by the LEA or take such other action as may be required to remedy the matter. The LEA will have the right to appeal any such determination to the CAHELP JPA Governance Council. The decision of the CAHELP JPA Governance Council shall be final.

12. Describe how specialized equipment and services will be distributed within the SELPA in a manner that minimizes the necessity to serve students in isolated sites and maximizes the opportunities to serve students in the least restrictive environments: [EC 56206]

Both state and federal law provide that students with disabilities are entitled to a free appropriate public education (FAPE) that includes special education and related services to meet their unique needs in the least restrictive environment (LRE). The determination of LRE for students with disabilities is based on IEP team consideration of where the goals/objectives can be implemented most successfully. DMSELPA LEAs must ensure that all children served under their jurisdiction who have disabilities, regardless of the severity of their disability, and who are in need of special education and related services are identified, located, evaluated, and served. Therefore, a full continuum of placement options and services are available within the Desert Mountain SELPA. LEAs shall further ensure that removal of students with disabilities from the general education environment occurs only when the nature or severity of the disability is such that education in the general education program even with the use of supplementary aids and services cannot be achieved satisfactorily. The IEP shall include an explanation of the extent, if any to which the student will not participate with nondisabled students in the general education program and in extracurricular and other nonacademic activities.

The DMSELPA LRE policy requires that all individual students with exceptional needs be provided FAPE in the LRE. If a related service or services cannot be provided by a local education agency (LEA), the LEA may contract with a certified nonpublic, nonsectarian school or agency in accordance with requirements of a master contract and an individual services agreement (ISA). For mental health services or medically necessary occupational and physical therapy, employees, vendors or contractors of the State Department of Health Sciences or Mental Health, or any designated local public health agency, may provide related services in accordance with procedures outlined in local interagency agreements.

DMSELPA LRE policy specifies that special education programs, appropriate to meet student needs, are housed on regular school campuses, as well as on leased sites, and are dispersed through the DMSELPA as equitably as possible to ensure that students with disabilities are served as close to home as possible. Member LEAs shall ensure that students with disabilities shall have equal access to general education activities, programs, and facilities while on the regular school site and

SELPA Desert Mountain SELPA - 3601

Fiscal Year 2024-25

participate in those activities as appropriate to meet their needs. The DMSELPA IEP contains a statement of supplementary aids and services that the student with a disability may need to ensure their participation in the general education curriculum. Member LEAs shall encourage the close cooperation of all school personnel to facilitate opportunities for social as well as academic interaction between students with disabilities and nondisabled students. Member LEAs shall ensure that all students with disabilities are educated and participate with nondisabled students in academic, nonacademic, and extracurricular activities to the extent appropriate. The IEP shall contain a statement of the program modifications and/or supports for school personnel that will be provided for the students with a disability in order to be educated and participate in activities with nondisabled students.

Due to the large geographical area of the Desert Mountain SELPA, the Local Plan provides funding per the Desert Mountain SELPA Fiscal Allocation Plan to the member LEAs so they may appropriately provide for all students with special education needs attending their schools.

The CAHELP JPA Governance Council has indicated its strong preference for a decentralized structure that would keep as many children as possible appropriately served in their LEA of enrollment. It is felt that only when there is convincing evidence that a service is more economically feasible on a regional level would service be provided outside of the local LEAs. Leaving most programs with local LEAs will ensure their responsiveness to local interests and values; minimize transportation; encourage inclusion; and reduce duplication of administrative and service costs.

Policies, Procedures, and Programs

Transfer of Federal and State Educationally Related Mental Health Services Funds from Member LEAs to SELPA via the Administrative Unit

Under current law, state (SACS resource code 6546) and federal (SACS resource code 3327) funds for educationally related mental health services ("ERMHS") for students eligible for special education and related services are distributed to the Desert Mountain SELPA(DMSELPA) on behalf of member LEAs. The funds are received by San Bernardino County Superintendent of Schools, the Administrative Unit (AU), on behalf of the DMSELPA. Historically, the SELPA has provided mental health services to member LEAs through a Fee for Service model and contracts with San Bernardino County Department of Behavioral Health (DBH). When AB114 (ERMHS funding) was enacted in 2011, the local California Association of Health and Education Linked Professions, Joint Powers Authority (CAHELP JPA)/DMSELPA Governance Council, voted to create a SELPA-wide consortia providing

Educationally Related Mental Health Services. All state and federal mental health funds are currently retained at the SELPA for services to member LEAs. The Governor's 2022-2023 State Budget included a shift in distribution of these funds to individual LEAs which was postponed and reintroduced for the 2023-2024 school year. Member LEAs of the CAHELP JPA/Desert Mountain SELPA have a history of collaborative local decision-making ensuring the full continuum of services, including ERMHS, are available to all students served by the SELPA. Member LEAs recognize that, if the shift in funding distribution goes into effect, it will result in significant and unnecessary changes to the manner in which ERMHS services are provided. Changes from the shift in funding distribution will result in program, funding, and staffing challenges that will impact the quality of services to students, families, and staff across the SELPA. To avoid the unnecessary changes and resulting consequences of shifting the distribution of funds directly to LEAs, the Parties desire to maintain CAHELP JPA/DMSELPA's current structure for distributing state and federal ERMHS funds. If the state changes the way in which these state and federal funds are distributed, member LEAs agree that the allocation for state principal apportionment for state ERMHS (6546) and federal ERMHS (3327) funds will be transferred from the San Bernardino County Superintendent of Schools as the Administrative Unit ("AU") to the Desert Mountain SELPA. Regardless of the distribution method determined by the state, CAHELP JPA/DMSELPA will continue to utilize the funds to provide the ERMHS programs and services at the SELPA consortia level. If any changes in these services are required, changes will be determined by the CAHELP JPA Governance Council based on local needs.

The obligation to make FAPE available extends to those otherwise-eligible adults in county jail, age 18 to 21, who: (a) had been identified as a child with a disability and had received services in accordance with an IEP, but left school prior to their incarceration; or (b) did not have an IEP in their last educational setting, but had actually been identified as a child with a disability. - a. Describe the SELPA's allocation plan, including the process or procedure for allocating special education apportionments, including funds allocated to the RLA/AU/responsible person pursuant to *EC* Section 56205(b)(1)(A).

The Desert Mountain SELPA special education revenue distribution model combines CDE certified state AB 602 funding and federal local assistance funding to calculate an equalized funding rate. This rate is then multiplied by each member LEA's funded ADA to determine their respective apportionments. The allocation plan allows off-the-top adjustments for purchased services, small district protection, program specialists, low incidence, and other governance-approved service and support fees. Additionally, a portion of the funding is retained at the Charter SELPA level to centralize services and enhance overall capacity. The adjusted apportionment funds are distributed to members.

Supplemental Aids and Services and Students with Low Incidence Disabilities (D-12 to D-15)

The standardized account code structure (SACS), goal 5760 is defined as "Special Education, Ages 5–22." Students with a low incidence (LI) disability are classified severely disabled. The LEA may elect to have locally defined goals to separate low-incidence disabilities from other severe disabilities to identify these costs locally.

D-12. Defined Goals for Students with LI Disabilities

Does the SELPA, including all LEAs participating in the SELPA, use locally defined goals to separate low-incidence disabilities from other severe disabilities?

YES NO

If "No," describe how the SELPA identifies expenditures for low-incidence disabilities as required by *EC* Section 56205(b)(1)(D)?

Member LEAs use functions, management codes, or other unique identifiers to segregate low incidence expenditures. The SELPA assigned a distinctive management code designated for segregating low incidence expenditures. In some instances, the SELPA directly procures equipment on behalf of its members, while in other instances, members are reimbursed for low incidence-related expenses.

SELPA: Desert Mountain SELPA - 3601

Fiscal Year: 2024-25

Each SELPA must adhere to requirements for developing and reporting special education budget revenue and expenditures. The following excerpt is taken from California School Accounting Manual (CSAM): Procedure 755 Special Education on page 755-1 and included to assist the SELPA with completing Section D: Annual Budget Plan information for each LEA participating in the SELPA's Local Plan.

Special education budgets are complex and are of great interest to the public, both locally and statewide. *EC* Section 56205(b)(1) requires that a special education budget shall identify particular elements. Identification of the following elements is facilitated by the standardized account code structure (SACS):

1. Apportionment received by the LEA in accordance with the allocation plan adopted by the SELPA. (The apportionment is tracked in SACS in the resource field in combination with the revenue code in the object field.)
2. Administrative costs of the plan. (These costs are tracked in the function field.)
3. Costs of special education services to pupils with severe disabilities and low-incidence disabilities. (This population is identified by the goal field.)
4. Costs of special education services to pupils with nonsevere disabilities. (This population is identified by the goal field.)
5. Costs of supplemental aids and services provided to meet the individual needs of pupils placed in regular education classrooms and environments. (Costs of these aids and services are tracked in the function field.)
6.
