

Wilson Central School District:

Each student will have the educational opportunity to reach his or her maximum potential by challenging all students to higher levels of achievement. We will provide the environment, encouragement, and instruction to meet this goal while developing the whole child physically, socially, emotionally, and culturally

Timothy P. Carter – Superintendent

From the Desk of Tim Carter:

Dear Wilson CSD Families and Staff,

I hope this message finds you in good health and high spirits. As we conclude the second week of the academic year, I wanted to take a moment to express my gratitude for the incredible effort and dedication that each member of our Wilson CSD community has shown.

As we kick off this academic journey, I wanted to take a moment to emphasize the crucial role that communication plays in ensuring a successful and enriching experience for everyone involved. Clear and open communication forms the bedrock of a thriving educational environment. It strengthens the connections between teachers, students, parents, and the broader school community, enabling us to work together harmoniously toward our shared goals. By prioritizing effective communication, we aim to create an inclusive and supportive learning environment where every student can thrive. Together, we will navigate the challenges and celebrate the successes that lie ahead.

Once again, I want to extend my deepest gratitude to each and every member of the Wilson CSD community for your ongoing support and collaboration. Together, we continue to build a foundation of excellence that will serve our students for years to come. I wish you all a wonderful weekend ahead and enjoy the time with your family!

Thought of the Week

Excellence is an art won by training and habituation. We do not act rightly because we have virtue or excellence, but we rather have those because we have acted rightly. We are what we repeatedly do. Excellence, then, is not an act but a habit.

Wilson Elementary Welcome Back Night- On Wednesday, September 13, 2023, Wilson Elementary School held its welcome back night and Open House. During the Welcome Back to School Night, parents and children had an opportunity to enjoy popcorn with the PTA, hear about membership, and purchase spirit wear. The PTA also sponsored a scavenger hunt. Through the course of the evening, parents and students were able to interact with our new Elementary Principal, Mr. Jason Wilkie, and enjoy a popsicle. The NYS Parks Naturalist was in attendance and had a table displayed at the event. Teachers were available in their classrooms from 6:30-7:30 p.m. to greet parents and students to give them an idea of what takes place in the classroom. The turnout was awesome! Thank you to Mr. Wilke, the Wilson Elementary staff and the PTA for setting up such a great event for parents and students.
