WILSON MIDDLE SCHOOL

Wilson, New York *Spring/Summer 2025*

Dear Wilson Middle School Families,

As we officially wrap up another school year, I want to take a moment to reflect and thank you for your continued partnership and support throughout the 2024–2025 school year. It's hard to believe your students have already been out of school for a week. We hope the start of summer has brought some well-deserved rest, fun, and family time.

This past year has been filled with meaningful growth, memorable experiences, and countless moments of pride. From academic achievements and extracurricular successes to acts of kindness and personal growth, your children have continued to impress us with their resilience, curiosity, and character.

Middle school is a unique and important time in a young person's life, and we feel truly privileged to walk alongside your children during these critical years. Thank you for trusting us with their education and development. We remain committed to providing a safe, supportive, and challenging environment for each of our students.

To our 8th grade families — congratulations! Your children are now officially high school students, and we are excited to see all the amazing things they will accomplish in the next chapter of their educational journey.

To our returning families — we look forward to welcoming your children back in September, recharged and ready for another great year.

In the meantime, we wish you all a joyful and relaxing summer. Thank you again for being a vital part of our school community.

Warm regards,

Scott Benton

Mr. Scott Benton, Principal
Wilson Middle School

NOVEMBER WILSON WINNERS

WILSON WINNERS FIELD TRIP TO GRAND ISLAND FUN CENTER!

TWAS THE DAY BEFORE BREAK!

The holiday spirit was in full effect in the Middle School! Students were welcomed by Ms. Birkman and the High School Jazz Band as they played Christmas carols before homeroom. Students were also visited by the GRINCH! Mr. Benton's talented daughter, Lindsay, created this work of art!

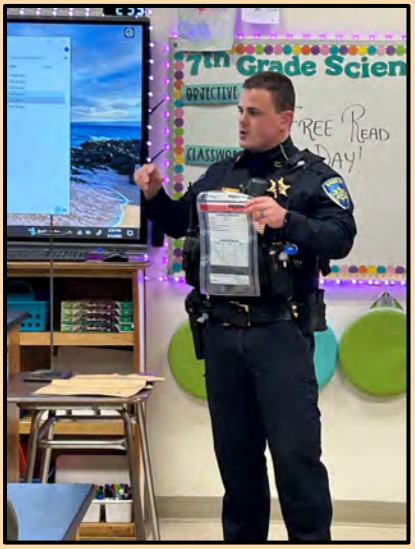
“LET’S NOT FORGET”

Rachel Feeley, teacher’s aide, created and titled the January bulletin board "Let's Not Forget" and it highlights MLK day, Lunar New Year, Holocaust Remembrance and the following week long observances: Law Enforcement Training Week, No Name Calling Week, Pizza Week, and International Green Week.

There are also QR codes posted to the Holocaust Museum, a homemade pizza recipe, info about the Lantern Festival that follows Lunar New Year celebrations and to the MLK Nobel Prize page which includes biography and info about his life's work. Thank you Mrs. Feeley!!!

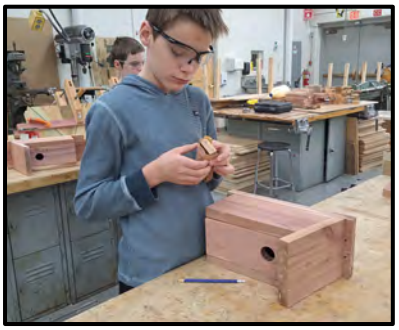
FORENSICS FUN!

This Middle School Science Club has been learning about forensic science. They practiced fingerprinting and identifying arches, loops and whorls. They also learned about blood types and performed an experiment to determine whose blood was on the murder weapon in a pretend case. Officer Dimarco joined us at a meeting and discussed how the police and crime scene investigators work a scene to collect evidence and how the chain of evidence is maintained. He demonstrated how to lift fingerprints from a surface using magnetic powder and a swab. He also taught us how to take crime scene photos and showed the students several photographs and evidence from real cases. The students loved having him at the science club meeting. Thank you, Officer Dimarco!



KINDNESS ROCKS CONCERT

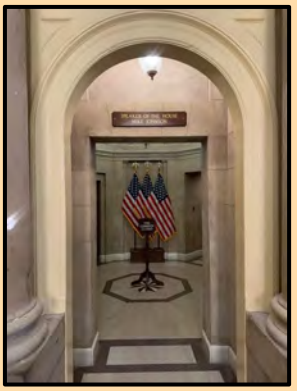
Students celebrated Kindness Day with our 2nd annual Kindness Rocks concert this year. High School students, as well as a few middle school students, came together to put on an exciting concert for the entire middle school. By sharing their time and talent, these students ensured that kindness was the theme for the day! Students seen below include: ***Will Howard, Cristofaro Interisano, James Madan, Tyler Woolson, Bella Muck, Rayn Cooper, and Savanna Jones.***



BLUEBIRD HOUSE PROJECT

Recently students in Mrs. Meyers' and Mr. Harvey's technology class completed a project focused on birds and the environment. Mr. Harvey was awarded a grant by the WCS shared decision making team and the money awarded was used to purchase materials to build 20 cedar bluebird boxes and metal stakes to mount the nesting boxes on. The bluebird boxes were put up around the south and east boundaries of the entire school campus. The wide open space of our school grounds is an ideal habitat to attract bluebirds. Students learned that the bluebird is the official bird of New York State, and that a nesting pair of birds will have multiple hatches of babies each year with ideal conditions. Let's hope we can bring some of these pretty birds to our school campus for all to enjoy for years to come!

2025 8th GRADE GETTYSBURG/WASHINGTON, DC TRIP



On April 30th, many of our 8th grade students had an experience of a lifetime traveling to Gettysburg, PA on the first of their three day excursion. After a full day visiting historic Gettysburg, exploring the Civil War Battlefield site and a private tour of the grounds, students went to their final destination near Washington, DC.

Next, students and chaperones had a packed filled day and evening with their guide in Washington DC touring many sites including; The White House, The Capitol, The Supreme Court, U.S. Holocaust Memorial Museum, Jefferson Memorial, Lincoln Memorial, Vietnam Memorial, World War II Memorial, Korean Memorial, FDR Memorial, MLK Jr. Memorial and more. Students and chaperones walked over 10 miles taking in every moment possible of our historic United States capital.

On our final day, we visited Arlington Cemetery where we watched the changing of the guards, toured the Arlington House/Robert E. Lee Memorial and cemetery grounds. We continued our trip by visiting the Marine Corps/Iwo Jima Memorial and The National 9/11 Pentagon Memorial. Our second annual 8th Grade Washington, DC Trip was a smashing success and we are thrilled to say that we are already planning our third trip, in April of 2026 for our incoming 8th grade students. A presentation for incoming 8th grade students and parents will be given in September to prepare for our next Washington, DC trip.

MIDDLE SCHOOL STUDENTS CREATE THE FIRST 'LEGENDS AND LORE' HISTORICAL MARKER IN NIAGARA COUNTY!

Since 2012, seventh and eighth grade students in Wilson Middle School have become keenly aware of the blue and gold historical markers throughout their community. As part of their Social Studies classes, students are required to photograph themselves next to markers and log their visits to historic places using their passports. The practice began when Social Studies teachers Brett Sippel and Jim Alderman collaborated with librarian Maureen Mahar, to build more emphasis on local history into their curriculum. The goal of the unit is for students to gain increased awareness of locally significant people and places, and learn more information about important locations and historical events that have taken place in Niagara and Erie Counties.

This year, a group of six students collaborated on the creation of a new historical marker to install in the community. Eighth graders Teddy Andrews, Ethan Dietz, Jamison Geier, Calvin Lawson, Brynn Lepsch and Lilianna Woodward worked with Mr. Sippel to research a little - known story from the 1800s, about Luther Wilson and his efforts to save a herd of cows from invading British soldiers. (Luther was the son of Reuben Wilson, the founder of Wilson.)

The students began their research in seventh grade, consulting materials found in the school library including books, old newsletters and publications from the Wilson Historical Society and a 2014 article from the Buffalo News written by Teresa Sharp. Ms. Sharp's article featured local artist George Banagis, whose drawing of Luther rescuing the cows was featured on a postcard published by the Niagara Falls National Heritage Area. The students also met with the former president of the Wilson Historical Society, Charles Horton, who shared a treasure trove of resources with them.

After completing their research, students applied for a grant from the William G. Pomeroy Foundation. Since Mr. Sippel had helped a previous student secure a different marker in 2019, he was familiar with the process and was able to guide the group through the steps. The final inscription that appears on the marker was written by the students as a group, and adjusted only slightly by the Pomeroy Foundation. A link for the marker is available online at: https://www.wgpfoundation.org/historic-markers/luther-wilson . An unveiling ceremony was held on June 11th , on site next to the marker and may be viewed using this link: https://www.youtube.com/watch?v=5SCx0vUCFSU .

As an added bonus to this project, all participating students will receive one point towards their Seal of Civic Readiness. Recently, NYS Education made changes to its graduation pathway requirements, allowing service learning projects as a means to earn credits towards graduation. Students had to meet several different criteria to have their marker process qualify as a Capstone Project. The students made a presentation on May 28th to a panel of educators including Mrs. Tiffany-West, Mrs. Seeley, Mr.Benton and Mr. Alderman. Any students who earn 6 points by the time they graduate will earn a Seal of Civic Readiness.

Mr. Sippel is very proud of the students for taking on this project, and creating a lasting tribute that local members of the community and visitors from all around the world may enjoy for decades to come. The marker is located next to the pavilion near Calvin E Krueger Park (the little league fields), 350 Ontario St, in the village of Wilson. As confirmed by the Pomeroy Foundation, this is the first Legends and Lore marker installed in Niagara County. Instead of the familiar blue and gold colors, this marker has a beautiful red background and includes a distinct moon logo that all Legend markers have.

Mr. Sippel and the students offer their thanks to the following, for their support of the project: The William G. Pomeroy Foundation, The Village of Wilson and the Department of Public Works, Charles Horton and Maureen Mahar.

DARIEN LAKE MUSIC COMPETITION

The middle school chorus and band students traveled to Darien Lake on May 30th to participate in a music competition.

The middle school band came in 5th out of 9 groups, while the chorus came in 5th out of 16 groups! Both groups received Outstanding Gold Ratings!! Congratulations to Ms. Birkman and Mrs. Andres!

The students and chaperones alike had a great time! Chaperones included: *Ms. Birkman, Mrs. Andres, Miss Brown, Mr. Stevenson and Mrs. Smith.*

HONOR ROLL FIELD TRIP TO BROWNIE'S

Students that were on the honor roll or high honor roll for the first three quarters of the school year were invited to attend a walking field trip to Brownie's Custard Stand. Each student received a full lunch, including their choice of a hot dog or hamburger, french fries, drink and an ice cream! Special thanks to *Mrs. Eileen Neison*, owner of Brownie's, for making this trip possible!!

8th GRADE MOVING UP DAY!!!

The 8th grade students celebrated their last day of middle school with a day full of activities! Students started their day with a special breakfast in the cafeteria, followed by an awards ceremony to celebrate their academic achievements. Next up was a pizza party for lunch and outdoor games. The day was capped off with a Moving Up Day dance! Thanks to the 8th grade teachers for making this such a memorable day for the students!!
