WELCOME

The policies and procedures contained in this booklet are a selection of the policies and procedures taken from the Wilson District Policy Manual, Wilson District Administrative Manual, New York State Education Law and the Student Code of Conduct. Students must adhere to not only what is outlined in this handbook, but also in the aforementioned publications. Those practices outlined are based on accepted practices developed over years from such groups as the Site-Based committee, the PTSA, and other groups and are presented to be of value in helping you adjust to your school and become an integral part of it. Developing and accepting the responsibilities and obligations of good citizenship will help you participate successfully in the world of tomorrow. Remember that your success in school will be directly related to your efforts. Your school welcomes you and hopes you will always be conscious of the many traditions which make it great. Your school will be whatever you make it. Let us always have the SPIRIT and the WILL to make it outstanding.

This school district will not discriminate in educational programs, activities or employment practices on the basis or race, language, sex, age, color, national origin, religion, marital status, pregnancy, sexual orientation or disability under the provisions of Title IX of the 1972 Educational Amendments: Section 504 of the Rehabilitation Act of 1972.

In addition, the Middle School is operating a program where Late Night Detention will run from 3:08 - 4:45 on Tuesdays and Thursdays. A note that their son/daughter has been assigned to Late Night Detention will notify parents. Students who are assigned to Late Night Detention will be expected to arrange for their own transportation home. **NO STUDENT WILL BE EXCUSED FROM SERVING AN ASSIGNED DETENTION FOR ANY REASON.** Any student who fails to attend their assigned detention will automatically receive an additional Late Night Detention and a day in ALC. Physical Education is required unless excused by written request of the family physician. If a student misses an extended number of gym classes due to a medical reason the student will receive alternate assignments for these classes. Essays are required for any and all long-term gym absences. **Students must participate in PE to be eligible for athletic practices or games.**

ATTENDANCE

Students are expected to attend school and classes regularly and promptly. Written excuses are required for all absences and tardiness. Students arriving at school after the homeroom late bell will report to the Attendance or Middle School Office for a tardy admission slip. Unacceptable tardiness will result in detention. Unauthorized irregular absences from class and truancy (absent from school without prior knowledge or permission of parent or guardian) will not be tolerated. Students absent from class (class cut) will be assigned Late Night Detention. Students absent from school (truant) will be assigned to the Alternative Learning Center.

CORRIDOR PASSES

No student should be in the halls at any time during regular class sessions without a pass that has been

issued by a member of the school staff. It is the student's responsibility to ask your teacher for a pass before leaving the room. Students found in the halls without a corridor pass may be immediately assigned to the Alternative Learning Center.

CAFETERIA RULES

The following list represents the expected behaviors related to cafeteria use. These expectations are intended to provide the basis for responsible cafeteria behavior and to help staff increase supervision consistency as well as encourage positive behavior.

- Students will keep their hands, feet and any other objects to themselves.
- Students will walk in the cafeteria.

- Students will stay in their seats until dismissed. To receive help students will raise their hands.
- Everyone will treat others with dignity and respect.
- Students must eat and drink something during lunch. This will ensure students are performing at their very best in the afternoon.

Cafeteria lines will move with order and efficiency if you are patient and polite in waiting your turn. In consideration of others, you will leave your table clean. The cafeteria is the only place where you may eat.

DISPLAY OF PUBLIC AFFECTION

Public display of affection in any form will not be tolerated in our school system.

SCHOOL PROPERTY

You are on school property the moment you step on the bus or leave your house in the morning until you depart and arrive home at night. It is TRUANCY if you leave school property without permission.

CARE OF SCHOOL PROPERTY

Students are responsible for the proper care of all books, supplies and furniture supplied by the school. Students who disfigure property, break windows or do other damage to school property or equipment will be required to pay for the damage done or replace the item.

CELL PHONES AND ELECTRONIC EQUIPMENT

Cell phones, SmartWatches and electronic equipment for students are not permitted in school.

Students in possession of these items will have them confiscated & returned only to their parents for the 2nd and 3rd offense. Any emergency messages for students must be made through the Middle School Office. **PLEASE REFRAIN FROM SENDING YOUR CHILD TEXT MESSAGES.** Consequences for cell phone possession are as follows:

1st offense - phone is confiscated and returned to the student at the end of the day. A letter is sent home.

2nd offense - phone is confiscated and returned after a parent conference is held.

3rd offense - the phone is confiscated and the student will receive a three day suspension. The phone will be returned upon a parent conference meeting with the principal.

SUBSTITUTE TEACHERS

Our school is fortunate in having capable people to help us whenever our regular teachers are ill or are attending conferences. A substitute teacher is an important visitor whose impressions of our school will be carried into the community. Let us be certain that their impressions are good impressions by being polite, helpful and considerate as you would be to your regular teacher. If a student is referred to the office out of a substitute's class because of inappropriate behavior the student will be assigned directly to the Alternative Learning Center.

LIBRARY

The Library has books, magazines and pamphlets for assigned study and recreational reading. It is open from 7:45 - 3:08 for student use. Fines are charged for material overdue at an established rate.

HOMEWORK

Home study is a necessary part of each pupil's educational program. Each student is expected to spend some time in addition to scheduled class instruction to achieve satisfactory work. Some assignments are long range and require planned study time for their completion. Planned study eliminates the necessity of spending too much time completing an assignment the day before it is due. **Credit will only be given to those assignments which are handed in on time.** If a student is out ill, it is the student's responsibility to ask their teachers for their

missed assignments. **Homework assignments due to illness for absences in excess of two days may be obtained by contacting the Middle School Office at extension 124.**

Students should expect an average of 60-90 minutes of homework a night.

EXTRA HELP/10th PERIOD

You may seek extra help from your teacher if you do not understand an assignment. If the work is difficult or you have been absent and have missed assignments and class discussions, it is a good idea to utilize 10th period. Arrange a conference with your teacher at a time convenient to both of you during the day. Help is available from 2:31 - 3:08 (10th period).

A teacher may request a student to stay after school if it is apparent that the student is having difficulty with his/her work. This is not to be thought of as a punishment but rather as the desire of the teacher to help you progress to the level of which you are capable.

A late bus is available to students that stay after school 10th period.

CLASSROOM PROCEDURE AND BEHAVIOR

Being prepared for each class is vital for your educational advancement. So that learning can take place students are expected to present themselves to each class ready to learn. The following is the minimum:

- Bring all materials to class: books, pencils and paper.
- Be on time.
- Do all homework assignments.
- Refrain from any form of disruptive behavior which deprives others their right to an education.
- Make up all missed work - STUDENT RESPONSIBILITY.
- Treat all school property with respect.
- When late to class, present a pass from the detaining teacher.

REST ROOMS

You may use the restrooms before and after school, between class periods and at the beginning or end of the lunch period. You are expected to keep them clean. Do not loiter, smoke, vape, write on the walls or damage the facilities in any way. If you are feeling ill please report to the clinic.

BULLETINS AND ANNOUNCEMENTS

Students make announcements for the day over the public address system each morning. If you wish to have any announcements made regarding school activities they must have been initiated by a teacher, advisor or an administrator.

GUIDANCE DEPARTMENT

In accordance with NYS educational mandates the district provides guidance and counseling services for each student. These services are based on the belief that every student is a unique individual who has varying interests, skills and talents. Each student possesses particular potential and limitations. Counselors' help students learn about themselves, their interests, their values and their abilities so that each student can reach their potential.

Counselors provide students with opportunities to secure and interpret information, to explore alternatives to reach decisions and to carry out plans of action. Counselors help students in the decision making process and work with them to accept responsibility for their decisions and actions as they mature.

In addition, counselors assist parents and teachers through their specialized knowledge and skills. Counselors keep up to date on the constantly changing information about individual students, careers, academic requirements and post-secondary education that will benefit the student.

School counselors provide:

- A friendly, non-judgemental atmosphere where students can seek assistance dealing with personal questions or problems.
- Opportunities for students experiencing academic difficulties to explore alternatives that will help them rectify the difficulties.
- Opportunities for students to examine interests, values, aptitudes and abilities.
- Assistance to each student in program planning and the selection of high school courses. This assistance ensures that students meet graduation requirements and develop appropriate plans for their future.
- Opportunities for students, parents and teachers to share concerns and information regarding the academic, personal needs and progress of the student in a confidential and professional setting.

- Information and suggestions for referrals to other services available to parents and students.

MONITORING STUDENT PROGRESS

Parents who wish to have more frequent updates on their child's progress (beyond report cards, progress reports and parent portal) may contact the Guidance Center and request such monitoring.

PARENT PORTAL

Power School is the district's electronic student management system where we collect and store student information. The Portal is a 'doorway' into our database, giving families access to information about their children. To access Parent Portal, families sign in from the Wilson CSD's Powerschool Parent Portal login screen. Special software is not needed, just a computer with internet access and your own user information. You may use your home computer, a computer at a public library or anywhere that you have internet access. Please contact the Middle School Office if you need assistance.

PARENT/TEACHER/STUDENT MEETINGS

We encourage communication between school personnel and members of the community we serve. Parents may make appointments for conferences with teachers, counselors or the principal by contacting the school office.

Parents or teachers may schedule meetings to inform one another of progress or lack thereof per the following schedule:

6th grade - 8:50 - 9:20

7th grade - 9:30 - 10:00

8th grade - 10:15 - 10:45

SCHEDULE CHANGES

Since advanced planning and guidance are provided for each student prior to registration, only limited changes should be required after the beginning of a course. Any questions relating to schedule changes should be discussed with the Guidance Counselor. **Students who wish to add/drop band or chorus must do so no later than September 22nd. Students must have a signed note from the parent and there must be room in the class before any change is considered.**

GRADING

You are advised to use your study time in school and to plan to study for 60 - 90 minutes at home daily. Some pupils will find it necessary and desirable to do more. Grades are an evaluation of what you have learned. They become part of a permanent record. Institutions of higher learning, potential employers and the various military services are interested in your high school records. **The passing grade for all Middle School students is 65%.**

Report cards are issued every ten weeks and there are four marking periods. At the end of the first five weeks of each marking period progress reports are sent to the parents of students doing unsatisfactory work.

GENERAL ELIGIBILITY REQUIREMENTS

Eligibility regulations pertain to all extra-curricular activities occurring after the regular school day which are not extensions of classroom work or in place of exams. There are no exceptions due to any type of absence. Students need to stay on top of all school work. This may apply to all grade related reward activities in the Middle School such as pep rallies and fun-type field trips.

ACADEMICS: The student may not be failing in more than one subject area.

Each Monday morning, the Athletic Director or designee will publish a list of those who are ineligible to participate in extracurricular activities. Once on the ineligibility list, **students remain ineligible until the next Monday list is published**, or in the case of an error by the teacher or administrator until the error has been corrected.

Notification will be made in the following manner:

- A. Students will be notified in homeroom on Mondays.
- B. Parents will be notified by mail.

It is the responsibility of the student to maintain his/her eligibility.

Any attempt to violate the Eligibility guidelines will result in two Late Night Detentions being assigned along with an additional week on the ineligibility list. Students MAY NOT elect to take this option as a way of becoming eligible.

Appeal Process - For those cases where students wish to appeal their ineligibility regulations, a committee of two designated administrators, along with the student's advisor/coach, will meet to weigh the evidence for those 'extenuating circumstances.' The decision reached by the committee is final.

MIDDLE SCHOOL STUDENT COUNCIL

The Student Council is an organization through which the students may express their opinions, assist in the administration of the school and participate in the management of school enterprises. The council promotes leadership, initiative and self-control among its members.

Each spring a President, Vice President, Secretary and Treasurer are elected to carry on the work for the next year. Participation is open to all students in the middle school.

WILSON JUNIOR HONOR SOCIETY

WJHS membership is open to qualified 7th and 8th grade students. Membership is granted to those students selected by faculty members on the Academic Standards Committee. In order to be considered for membership a 7th grade student must have a cumulative average of **95%** for 6th grade. An 8th grade student must have a cumulative average of **93%** for 6th and 7th grade. The Academic Standards Committee then reviews the nominees who qualify academically for qualifications of **Leadership, Service, Character and Citizenship. Induction Date - To Be Determined.**

HONOR ROLL CRITERIA

Students are placed on the High Honor Roll if they earn an academic average of 95% or above. Students are placed on the Honor Roll if they earn an academic average of 90% - 94.9%. Students receive Commendable Achievement if they earn an academic average of 85% - 89.9%. **Any student who has a course/subject grade below 75% or receives an F/U grade, will not be included on the above lists. This includes all classes no matter the length of the class.**

HEALTH SERVICES

If a student becomes ill in school he/she should report to their scheduled class first and ask for a pass to the clinic. Students must not leave the building because of illness without authorization. If the nurse is not available, students are to report to the office.

STUDENT VALUABLES

Students are cautioned not to bring large amounts of money, radios, phones, iPods, cameras or electronic devices to school, and if they wear glasses or watches, to keep track of them at all times. **Students, not the school, are responsible for their personal property. If it is necessary to bring more money than needed to pay for lunch, leave it at the office for safe keeping. DO NOT LEAVE VALUABLES IN YOUR UNLOCKED LOCKER.**

UNAUTHORIZED DEVICES

Nuisance toys and dangerous items such as squirt guns, laser pointers and hazardous items are NOT permitted in school. Possession and/or use of such items may be the cause for suspension. In addition, iPods, earbuds and electronic entertainment devices are prohibited unless permission is granted for educational purposes. The use of video and camera equipment and/or sound equipment for inappropriate purposes, such as but not limited to recording acts of violence or other violations of school policy, is prohibited. This includes cell phone cameras. Cell phones are prohibited in school. Students involved in recordings of this nature will face penalties consistent with the perpetrators of the act being recorded. E-cigs, e-juice and vaporizers are not permitted on school property and disciplinary action will ensue as a result.

ACCIDENTS

Every accident in the school building, on the grounds, at practice sessions, or at any athletic event sponsored by the school must be reported to the person in charge and to the school office.

LATE BUS PASSES

The normal school day ends at 2:27. Students who remain after this time must do so under the supervision of a staff member. The staff member will obtain passes from the office for those who wish to ride the late bus. Students will not be permitted to board a late bus without a bus pass. **THESE PASSES CAN ONLY BE OBTAINED FROM THE STAFF MEMBER FOR WHOM THE STUDENT STAYED 10TH PERIOD.**

VISITORS

The school policy is to accept only those visitors who have legitimate business to attend to at the school. The district has begun using the Raptor Visitor Management System. This system is part of the

district's goal of school safety for students, staff, and the community. As a digital safety solution, the Raptor system will change the way visitors at Wilson schools sign in and out when visiting our campus and it will help us keep better track of who is in our buildings at all times. Upon entering a Wilson school building, visitors/volunteers will be asked to present a valid government-issued ID, which will be scanned into the system. This will require all visitors/volunteers, including parents, to bring a driver's license, or other government-issued identification to the MS/HS office when visiting. This scanning process is quick, easy, and user-friendly and our office staff will be able to assist you.

Once the ID has been scanned and entry is approved, the system will create a unique badge that identifies the visitor by picture, date, and purpose of the visit. Visitors/Volunteers will be required to wear this badge to be allowed entrance to the school and to proceed to their destination.

Parents are always welcome. Student guests are not permitted.

EXTRA-CURRICULAR EVENTS

Student conduct at extracurricular events is expected to be appropriate. Any conduct judged to be inappropriate will be dealt with by the supervisors at the event and the administrators when necessary. Students who display inappropriate behavior at school events will be excluded from future extra-curricular events. Students must attend at least four periods of school the day of the activity to be able to attend any extra-curricular activities. Students on the Academic Ineligibility List cannot attend extra-curricular activities.

SCHOOL DANCES

School dances are held for the benefit of Wilson students. Guests will be admitted only when they have been signed up in advance (by the end of Thursday before the dance). Guests must be in grades 6-8 and approved by the principal.

Dances will begin at 7:00pm and end at 9:00pm

Once a student arrives they cannot leave early unless a parent meets with the principal.

If a student is absent the day of the dance or the day before a Saturday dance, he/she will not be admitted. Students must attend at least four periods on the day of the dance or the day before a Saturday dance to be allowed to attend the dance that evening.

Students that misbehave at a dance will be prohibited from attending the next dance. Guests that misbehave will be banned from all dances.

Students on the Academic Ineligibility List cannot attend the dance that week.

FIRE DRILLS

A fire evacuation plan is posted in each room. Students should study the plan and become familiar with it. Students are not permitted to talk during a fire drill. Students are to remain at least 40 feet away from the building until the signal is given to re-enter. No one is to return to the building until the Principal or authorized representative gives the signal.

MIDDLE SCHOOL PROMOTION POLICY

A point system will be used to determine which students will be promoted to 9th, 8th and 7th grade.

7th & 8th grade students: English, Social Studies, Science, math and Foreign Language are worth four points each. Music, Physical Education, Art, Home & Careers and Technology are worth two points each.

A student earns 30 points when passing all subjects. **Students would need a minimum of 23 points to be promoted to the next grade.**

6th grade students: English, Social Studies, Science, Math and Reading are worth four points each. Health and Physical Education are worth two points each. If a student does not pass two core subjects, a student will not be promoted to the next grade level.

Final course grades are determined by adding quarterly report card grades and final examination

scores (if applicable) within individual subjects. **Final course grades of 65% and above are passing.**

WORKING PERMITS

Minors under the age of 18 years old are required by law to have a working permit in order to be employed part time or full time in most positions. Working permits can be obtained in the high school office.
