

Parent Bulletin Friday 11th July 2025

Dear Parents and Carers

As the school year draws to a close we have been keeping the students busy in school with a range of workshops and sessions to support them with their personal development and this year's *Personal Safety Week* has been no exception. We also held a hot but fantastic *Prizegiving* last night when we celebrated the successes of so many students across the curriculum. Thank you to all the parents who attended.

Personal Safety Week

The focal point of this week was a series of sessions yesterday for Year 10 students which raised awareness of the dangers of knife crime and the impact it has had on people locally. Students heard some powerful personal stories and got some practical medical advice from professionals, many of whom are local to school and have connections with Slough and Eton. If you have a child in Year 10 please talk to them about it.

Tolerance Talks - Preparing Year 8s for Adult Life

On Wednesday 9th July, Mrs Shaw, Head of Year 8 organised speakers from the community to come in and speak to Year 8 students about the importance of tolerance. *Together As One*, a local charity that works in the heart of the community and an Imam from a local mosque presented and discussed a range of different topics with our students, from defining tolerance, to accepting those that are different to ourselves. The key intended message to all students, "We should always celebrate our differences". It was a brilliant morning enjoyed by all.

Online Safety

This week's safety online guidance is about what parents need to know about Instagram. You can access the details online [here](#).

Finally, next week is the last week of term. I will be sending home and end of year letter to you all instead of a Friday Bulletin which will have key details you need for the start of term and students will bring home a paper copy of this letter on Monday so please look out. Tuesday promises to be an exciting day with enrichment activities taking place all day and we finish around 12.30pm on Friday for the summer holiday.

Enjoy the sunshine and have a great weekend.

Peter Collins
