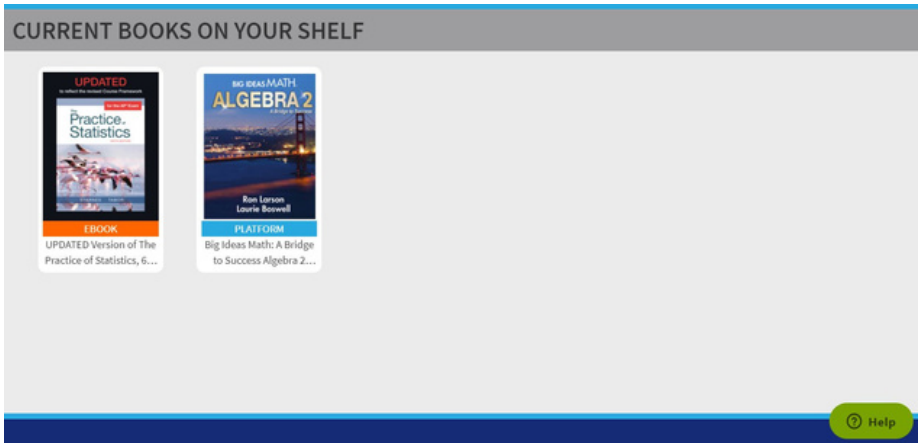
How to Access Your Digital Texts

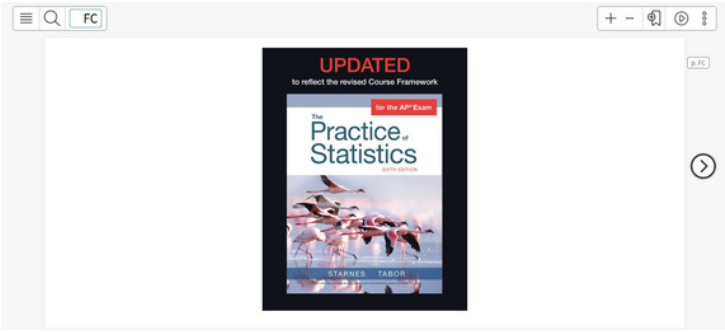
Step 1: Log into your Shelfit Account

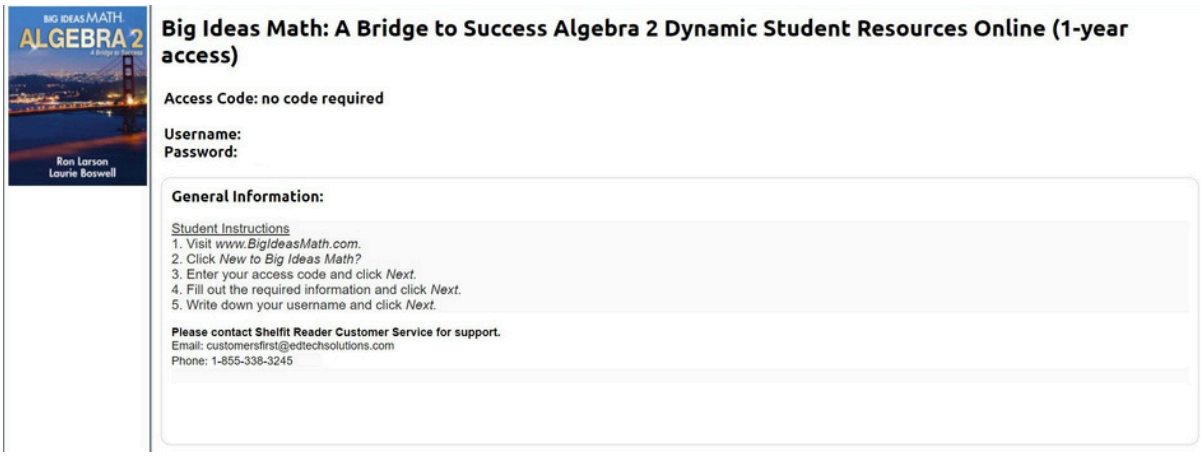
Step 2: Your ebooks will appear on your **Shelf**, the first screen you see after logging in.



Step 3: Clicking on an eBook on your Shelf will prompt one of two things, depending on the type of digital book it is.

1) **eBook** - Your Reader will open in a separate tab, providing direct access to your eBook.





2) **Platform** - You'll be taken to a new tab, where you'll see login information and instructions to access your ebook on the publisher's platform.
