- | | |
|------------------|------------------------|
| • Tissues | • Gallon-sized baggies |
| • Paper Towels | • Sandwich baggies |
| • Hand Sanitizer | |

From the Physical Education Teachers: On gym days, students will need to bring/wear sneakers (no slip-ons) and shorts (if wearing a skirt). Sneakers are required for use of playground equipment.

When buying school supplies for your child, please do not buy rubber cement or liquid paper, as these are toxic substances. Also, when buying markers, be sure they are non-toxic and washable.

We appreciate your cooperation in maintaining a safe environment for our students.
