 Block Out Date

Block Out Date Policy (See Employee Handbook page 27-28)

Schedule Limitations:
 Due to the negative impact on students and to the operation of the district, discretionary leave may not be taken on the following key dates:

- Day before or after a District holiday
- Days scheduled for semester or final exams
- Days scheduled for state-mandated assessments
- Days scheduled for staff development or professional development
- First or last day of duty year

Campus principals may choose to approve a discretionary absence on a schedule limitation day if the absence does not significantly impact the instructional program. However, **any non-discretionary absence** on a schedule limitation day that is **not supported by valid medical certification** will result in the **employee's pay being "docked"** at their regular daily rate, regardless of whether the absence was otherwise approved.
