## BRAINBOOK & OPIOID COURSES GUIDE

These courses are <u>required by AIA</u> and <u>have to be completed by the student-athlete</u> before being allowed to participate or compete in any sport.

Athletes are only required to complete these courses once while doing sports in HS. If you have done both courses already then just email Ms. MaKenzie that they have been done previously along with the PDF attachment of the completed certificate.

Go to academy.azpreps365.com

Click "Get started" and register for an account

Click "Take course as (your first and last name)"

Register with your school (Coolidge High School) and whichever sports you want to play

Select your language for the Brain book course and then watch the introduction video

Build your player profile and hit submit

Start Level 1 and continue on through the course (It shouldn't take you longer than 1 hour)

Once completion of Brain book is done, please start Opioid course

Select your language and then continue the course (It shouldn't take you any longer than 30-45 minutes)

When finished, email Ms. MaKenzie that you have completed the courses.

If you have any questions, please don't hesitate to ask the athletic department for help!

Email Ms. MaKenzie Blank at Makenzie.blank@coolidgeschools.org for any athletic questions

PHONE: (602) 385-3810

### 2025-26 ANNUAL PREPARTICIPATION PHYSICAL EVALUATION

EXCLUSIVE URGENT CARE PARTNER OF THE AIA

ARIZONA INTERSCHOLASTIC ASSOCIATION

OUR STUDENTS, OUR TEAMS . . . OUR FUTURE.

### Arizona Interscholastic Association, Inc. Mild Traumatic Brain Injury (MTBI) / Concussion Annual Statement and Acknowledgement Form

I, \_\_\_\_\_\_ (student), acknowledge that I have to be an active participant in my own health and have the direct responsibility for reporting all of my injuries and illnesses to the school staff (e.g., coaches, team physicians, athletic training staff). I further recognize that my physical condition is dependent upon providing an accurate medical history and a full disclosure of any symptoms, complaints, prior injuries and/or disabilities experienced before, during or after athletic activities.

#### By signing below, I acknowledge:

- My institution has provided me with specific educational materials including the CDC Concussion fact sheet (http://www.cdc.gov/concussion/HeadsUp/youth.html) on what a concussion is and has given me an opportunity to ask questions.
- I have fully disclosed to the staff any prior medical conditions and will also disclose any future conditions.
- There is a possibility that participation in my sport may result in a head injury and/or concussion.
   In rare cases, these concussions can cause permanent brain damage, and even death.
- A concussion is a brain injury, which I am responsible for reporting to the team physician or athletic trainer.
- A concussion can affect my ability to perform everyday activities, and affect my reaction time, balance, sleep, and classroom performance.
- Some of the symptoms of concussion may be noticed right away while other symptoms can show
  up hours or days after the injury.
- If I suspect a teammate has a concussion, I am responsible for reporting the injury to the school staff.
- I will not return to play in a game or practice if I have received a blow to the head or body that
  results in concussion related symptoms.
- I will not return to play in a game or practice until my symptoms have resolved AND I have written clearance to do so by a qualified health care professional.
- Following concussion the brain needs time to heal and you are much more likely to have a repeat concussion or further damage if you return to play before your symptoms resolve.

Based on the incidence of concussion as published by the CDC the following sports have been identified as high risk for concussion; baseball, basketball, diving, football, pole vaulting, soccer, softball, spiritline and wrestling.

I represent and certify that I and my parent/guardian have read the entirety of this document and fully understand the contents, consequences and implications of signing this document and that I agree to be bound by this document.

### 2025-26 CONSENT TO TREAT FORM

#### 2025-26 CONSENT TO TREAT FORM

Parental consent for minor athletes is generally required for sports medicine services, defined as services including, but not limited to, evaluation, diagnosis, first aid and emergency care, stabilization, treatment, rehabilitation and referral of injuries and illnesses, along with decisions on return to play after injury or illness. Occasionally, those minor athletes require sports medicine services before, during and after their participation in sport-related activities, and under circumstances in which a parent or legal guardian is not immediately available to provide consent pertaining to the specific condition affecting the athlete. In such instances it may be imperative to the health and safety of those athletes that sports medicine services necessary to prevent harm be provided immediately, and not be withheld or delayed because of problems obtaining consent of a parent/guardian.

# PLEASE PRINT LEGIBLY OR TYPE "I, \_\_\_\_\_\_\_, the undersigned, am the parent/legal guardian of, \_\_\_\_\_\_, a minor and student-athlete at \_\_\_\_\_\_, (name of school or district) who intends to participate in interscholastic sports and/or activities. I understand that the school/district/AIA employs or designates QMP's (as defined above) to provide sports medicine services (as also defined above) to the school's interscholastic athletes before, during or after sport-related activities,

I understand that the school/district/AIA employs or designates QMP's (as defined above) to provide sports medicine services (as also defined above) to the school's interscholastic athletes before, during or after sport-related activities, and that on certain occasions there are sport-related activities conducted away from the school/district facilities during which other QMP's are responsible for providing such sports medicine services. I hereby give consent to any such QMP to provide any such sports medicine services to the above-named minor. The QMP may make decisions on return to play in accordance with the defined scope of practice under the designated state license, except as otherwise limited by Arizona law. I also understand that documentation pertaining to any sports medicine services provided to the above-named minor, may be maintained by the QMP. I hereby authorize the QMP who provides such services to the above-named minor to disclose such information about the athlete's injury/illness, assessment, condition, treatment, rehabilitation and return to play status to those who, in the professional judgment of the QMP, are required to have such information in order to assure optimum treatment for and recovery from the injury/illness, and to protect the health and safety of the minor. I understand such disclosures may be made to above-named minor's coaches, athletic director, school nurse, any classroom teacher required to provide academic accommodation to assure the student-athlete's recovery and safe return to activity, and any treating QMP.

If the parent believes that the minor is in need of further treatment or rehabilitation services for the injury/illness, the minor may be treated by the physician or provider of his/her choice. I understand, however, that all decisions regarding same day return to activity following injury/illness shall be made by the QMP employed/designated by the school/district/AIA.

#### Pursuing Victory with Honor

#### Code of Conduct for Student-Athletes of Interscholastic Age

Athletic competition of interscholastic age student-athletes should be fun and should also be a significant part of a sound educational program, embodying high standards of ethics and sportsmanship while developing good character and other important life skills. Essential elements of character building are intrinsic in the concept of sportsmanship and six core ethical values: trustworthiness, respect, responsibility, fairness, caring and good citizenship (the "Six Pillars of Character"). The highest potential of sports is achieved when learning from the T.E.A.M concept (Teach, Enforce, Advocate and Model these values) and be committing to the ideal of pursuing victory with honor. Good-faith efforts to honor the words and spirit of this Code will improve the quality of our programs and the well-being of all teammates.

#### **TRUSTWORTHINESS**

- Trustworthiness Be worthy of trust in all you do.
- Integrity Live up to high ideals of ethics and sportsmanship and always pursue victory with honor. Do what's right even when it's unpopular or personally costly.
- Honesty Live and compete honorably. Don't lie, cheat, steal or engage in any other dishonest or unsportsmanlike conduct. Plagiarism or cheating is not acceptable.
- Reliability Fulfill commitments. Do what you say you will do. Be on time to practices and games.
- Loyalty Be loyal to your school and team. Put the team above personal glory.

#### RESPECT

- Respect Treat all people, including the teacher-coach, with respect at all times. Demonstrate an appropriate demeanor that reflects self-control and an unwavering commitment to fair play.
- Class Live and play with class. Be a good sport. Be gracious in victory and accept defeat with dignity. Help fallen opponents, compliment extraordinary performance, and show sincere respect in pre- and postgame rituals.
- Disrespectful Conduct Don't engage in disrespectful conduct of any sort including profanity, obscene gestures, offensive remarks of a sexual nature, trashtalking, taunting, boastful celebrations, or other actions that demean individuals or the sport.
- Self-Control Exercise self-control. Don't fight or show excessive displays of anger or frustration. Have the strength to overcome the temptation to retaliate.
- Healthy Lifestyle Safeguard your health. Don't use any illegal or unhealthy substances, including alcohol, tobacco, drugs and nutritional supplements, or engage in any unhealthy techniques to gain, lose or maintain weight. Be informed about the health risks involved in the use of recreational and performance-enhancing drugs, tobacco and alcohol, as well as in eating disorders.
- Sexual Conduct Sexual or romantic contact of any sort between student-athletes and adults involved with the program is improper and strictly forbidden. Report misconduct to proper authorities.
- Respect for Officials Treat game officials with respect.
  Don't complain about or argue with calls or decisions
  during or after an athletic event. Help youth sports
  organizations fill their need for qualified officials as a way
  to promote greater understanding and respect for the
  referee's role.

#### REPSONSIBILITY

- Importance of Education The primary responsibility of a student-athlete is academic achievement. Be a student first, and commit to earning your diploma and getting the best education you can. Be honest with yourself about the likelihood of getting an athletic scholarship or playing on a professional level and remember that many universities will not recruit studentathletes who do not have a serious commitment to their education, the ability to succeed academically or the character to represent their institution honorably. Not achieving passing grades will result in your suspension from the team until the deficiency is cured.
- Role Modeling Remember, participation in sports is a privilege, not a right, and that you are expected to represent your school, coach and teammates with honor, on and off the field. Consistently exhibit good character and conduct yourself as a positive role model.

#### **FAIRNESS**

 Fairness and Openness – Live up to high standards of fair play. Be open-minded, always be willing to listen and learn

#### CARING

- Concern for Others Demonstrate concern for others.
   Never intentionally injure any player or engage in reckless behavior that might cause injury to yourself or others.
- Teammates Help promote the well-being of teammates through positive counseling and encouragement or by reporting any unhealthy or dangerous conduct to coaches.

#### **CITIZENSHIP**

- Playing by the Rules Have a thorough knowledge of and abide by all applicable game and competition rules.
   Demonstrate and demand integrity.
- Spirit of Rules Honor, observe and enforce the spirit
  and the letter of rules. Avoid temptations to gain
  competitive advantage through improper gamesmanship
  techniques that violate the highest traditions of
  sportsmanship. Do not engage in or allow any conduct
  designed to evade the rules governing fair competition.

I have read and understand the requirements of this Code of Conduct and acknowledge that I may be disciplined or removed from a team if I violate any of its provisions.

### CUSD INTERSCHOLASTIC ATHLETIC TRANSPORTATION GUIDELINES

\*Student-athletes are not authorized to drive themselves or others to or from athletic competitions.

\*CUSD will provide team transportation to and from athletic events. Team policy permitting, parents may transport their student-athlete following a competition.

I/ We wish to provide transportation for our son/daughter following athletic competitions during the current school year 2025-2026

I/ We understand that we are waiving any claims I/ we may have against Coolidge Unified School District, and are relieving the district of any liability with regard to the safe transport of my/our son/daughter.

I/ We understand that I/ we may transport ONLY my / our own son/daughter from the contest. The authorized adult must make face to face contact with the coach prior to leaving with the student-athlete.

I/ We also understand that violation of these transportation regulations and guidelines may result in my / our son/daughter becoming athletically ineligible.

Parent/Guardian Signature

#### **Eligibility Requirements – Academic and Attendance**

#### Academic Eligibility:

Eligibility checks will be done by the Athletic Department office every (3) three weeks with August 4<sup>th</sup> being the first eligibility check day. Student's must be passing all CUSD classes, including CHS Digital Learning online courses, receive no F's and maintain an overall C average. (2.0 on a 4.0 scale). Failure to do so may result in being deemed academically ineligible. CAVIT courses and are NOT included in the eligibility calculation. Students receiving a NO CREDIT (NC) at the respective eligibility check will be deemed ineligible until the NC has been corrected. Students may not "withdraw" from a class in order to avoid becoming academically ineligible.

A mandatory (5) five-day ineligibility period will begin the Monday of the Hard check. The following two weeks are a redeemable grace period; however, are still considered the ineligibility period and athletes will not be eligible unless otherwise stated/cleared by an Athletic Administrator.

#### Consequences of Academic Ineligibility:

- 1. Ineligible students may not travel to away games or dress/participate for home games; however, they are to attend practices, as well as home games.
- 2. Ineligibility twice in the same season <u>WILL</u> result in being removed from the team.

#### Regaining Eligibility:

- 1. Students may regain their eligibility during the (2) week "Redeemable Grace Period" following the hard check week if the athlete can provide proof of fixed grades to the Athletic Administrators and/or a teacher emails the Athletic Administrators of incorrect or fixed grades for the athlete. If athlete cannot or does not fix the ineligible grades during any time of the (2) two-week grace period, they will sit ineligible for the entirety of the (2) two weeks.
- 2. If eligibility is regained during the (2) two-week grace period, the student will remain eligible so long as they aren't failing again come the following Hard check.

#### Attendance Eligibility:

Student involved in extracurricular activities must attend a minimum of 50% of the number of classes they have scheduled on a given day in order to practice/compete/perform at that day's scheduled event, (i.e. athletic competition, fine arts performance, etc.). It also must be a consecutive attendance and not sporadic. Any exception to this policy must be approved by an Athletic Administrator.

### AIA

#### ARIZONA INTERSCHOLASTIC ASSOCIATION, INC.

7007 N 18<sup>th</sup> Street, Phoenix, Arizona 85020-5552 Phone: (602) 385-3810

#### AIA POSITION STATEMENT

#### SUPPLEMENTS, DRUGS AND PERFORMANCE ENHANCING SUBSTANCES

<u>PURPOSE OF FORM</u>: All AIA Member schools are required to ANNUALLY communicate this AIA Position Statement on the use of supplements, drugs and performance enhancing substances to every participant in interscholastic activities. (See Article 14, Section 13, Paragraph 2).

The Arizona Interscholastic Association (AIA) views sport, and the participation of student-athletes in sports, as an activity that enhances the student-athlete's well-being by providing an environment and stimulus that promotes growth and development along a healthy and ethically based path.

- It is the position of the AIA that a balanced diet, providing sufficient calories, is optimal for meeting the nutritional needs of the growing student-athlete.
- It is the position of the AIA that nutritional supplements are rarely, if ever, needed to replace a healthy diet.
- Nutritional supplement use for specific medical conditions may be given individual consideration.
- The AIA is strongly opposed to "doping", defined as those substances and procedures listed on the World Anti-Doping Agency's Prohibited List (<a href="www.wada-ama.org">www.wada-ama.org</a>).
- It is the position of the AIA that there is no place for the use of recreational drugs, alcohol
  or tobacco (e-cigarettes) in the lifestyle of the student-athlete. The legal consequences for
  the use of these products by a student-athlete are supported by the AIA.

In purist of **Victory with Honor**, the AIA promotes the use of exercise and sport as a mechanism to establish current fitness and long-term healthy lifetime behaviors. It is the position of the AIA that the student-athlete, who consumes a balanced diet, practices sport frequently and consistently, and perseveres in the face of challenges, can meet these goals.

#### **Banned/Illegal Substances**

Distributing, selling, possessing or being under the influence of such substances are subject to disciplinary action by the school as well as by the athletic department. The athletic policy is enforceable for any offense occurring during the athletic calendar year, or at any school sponsored off-season activity/event. Substances include

but are not limited to:

- Tobacco and tobacco products, including electronic "E" cigarettes;
- Alcohol;
- Illegal drugs (usually classified as dangerous or narcotic);
- Imitation controlled substances;
- Prescription drugs (not prescribed by the student's physician or distribution or sale of a student's personal prescription drugs);
- Steroids:
- Drug paraphernalia.

The following are the minimum penalties and/or stipulations for any violation of this policy. At their discretion, coaches and/or the athletic director may require additional conditions in order for a student to regain eligibility. Self-reporting of the above mentioned violations may result in a reduction of consequences.

#### **First Offense**

- Loss of 25% of all regular season competition days. Suspensions may include regular season, tournament, invitational, or post-season play. (Ex If your sport has 20 regular season competition days, a 1st offense violation would result in a minimum loss of 5 competitive days.) Tournament competition days will be counted by the number of guaranteed game days.
- Stipulations will be determined by the Athletic Director and Head Coach of the respective activity. These stipulations may include, but are not limited to, any of the following:
  - Personal accountability
  - Community service
  - Counseling/treatment program
  - Random drug testing (At Family Expense and done by professional organization)
  - Loss of eligibility for school recognized post season awards
  - Dismissal from the program

#### **Second Offense**

- Loss of eligibility to participate for one calendar year.
- Stipulations as prescribed above in order to regain eligibility after the completion of the suspension.

### CUSD Athletics Policies and Procedures and Athletic Handbook Acknowledgment

As an athlete at Coolidge High School, I understand that it is my responsibility to:

- 1. Ensure that academic achievement is the highest priority.
- 2. Show respect for teammates, opponents, coaches, and officials.
- 3. Exhibit fair play, sportsmanship, and proper conduct on and off the playing field.
- 4. Refrain from the use of profanity, vulgarity, and other offensive language and gestures towards teammates, opponents, coaches, and officials.
- 5. Respect all equipment and use it safely and appropriately.
- 6. Refrain from the use of alcohol, tobacco, illegal and non-prescriptive drugs, anabolic steroids, or any substance not approved by the United States Food and Drug Administration, Surgeon General of the United States, or American Medical Association.
- 7. Win with character, lose with dignity.
- 8. Adhere to the established rules and standard of the game to be played.
- 9. Maintain a high level of safety awareness.
- 10. Know and follow all state, section, and school athletic rules and regulations as they pertain to eligibility and sports participation.

#### **Athletic Handbook Acknowledgment**

I acknowledge that I have read the Athletic Handbook for Athletes and Parents/Guardians and understand the risks involved with athletic participation. I also acknowledge the rules and consequences as outlined. Lastly, I acknowledge the code of conduct that is expected, and agree to abide to the rules and consequences as outlined in the entirety of this Athletic Handbook.
