

Don't Miss Out!

SEAFORD HIGH SCHOOL'S COLLEGE BOOTCAMP 2025

What is College Bootcamp?

College Bootcamp is a series of workshops offered exclusively to Seaford High School students, providing a timely & competitive edge when completing college applications. Each session is led by members the SHS Counseling Department & when applicable, college representatives.

Who should attend?

We highly recommend that **each senior attends these workshops** *in addition* to individual planning meetings with their counselor. Students can attend as many as they'd like. Seniors that participate:

- prioritize one of most important processes of their high school career,
- feel more in control of the application process,
- kick off senior year with the majority of additional application stress behind them,
- & have a more productive and enjoyable senior year!

New to 2025: Though we want to empower our seniors to take ownership of this process & their future, we feel it's important that families are informed & involved. **Families are invited to <u>two introductory sessions (noted on the flyer)</u> this year to provide that support. There will be future financial aid sessions also open to families.**

When are they offered & how do I reserve my spot?

- Sessions begin in August 2025.
- See page 2 for a list of all dates that have been established so far. More workshops will open up in early fall.
- Students can sign up for each session at this link **when logged into their Microsoft account on their phone or device**.
- **Please note:** each session has its own individual sign-up worksheet on this Excel Workbook. Click the individual worksheet for the session you'd like to attend & enter the requested information. This is a shared document; please be careful not to edit any other sections.
- **If you need assistance signing up for a session, please call the SHS Guidance Office (516-592-4320) for assistance between 8-12pm & 1-3pm, Monday-Friday.**
