BONANZA!

There are a lot of book covers here, but the ebooks are on the first line. Now, make a choice:

- If you want to browse ebooks, see the next slide 
- If you have a specific title you are looking for, read on::

Use the search bar at the top of the page to search your title or author.

Note: next to the search bar you can set your “**Search Options**”. This will allow you to search only ebooks.

JUST BROWSING?

Look for “**See All**” on the right side of the screen.

The screenshot shows the Destiny Discover website interface. At the top is a dark blue navigation bar with a hamburger menu icon, the text "Destiny Discover", a "Home" link, a search bar with a magnifying glass icon, and a "Search Options" link with a magnifying glass icon. A user profile icon is on the far right. Below the navigation bar, the text "Welcome, to Roseville High School" is displayed. A red arrow points down from the "See All >" link to the "eBooks" section. The "eBooks" section features a horizontal row of five eBook covers: "The Crossover" by Kwame Alexander, "The Prisoners of Breendonk" by Lauren Oliver, "Panic" by Lauren Oliver, "Bloodline" by Joe Jiménez, and "Three Dark Crowns" by Kendare Blake. Each cover has a green "IN" label in the top left corner. Below each cover is its title. To the right of the row is a "See All >" link. A vertical green button labeled "Help Us Improve" is on the far right.

Three dark crowns

Kendare Blake.

On an island where a set of triplets are born in every generation, three sisters, all equal heirs to the crown and possessor of magic, must now fight for it in a game of life or death.

Ebook Factoids

You cannot get an overdue fine on an ebook.

The ebook will automatically return after three weeks if you don't return it first. If you still need it, simply check it out again.

You can place a hold on a title that is currently checked out. Look for the HOLD button.

While you can read your book on phone, computer, chromebook or tablet, you will have troubles if you are logged onto your Follett account on too many devices. Avoid issues by using the **CLOSE BOOK** button when you are done reading.
