A few other things to consider while preparing for a successful school year:

Bookbags with wheels do not fit into the lockers or cubbies. Sixth grade students may use magnets in lockers. Tape or any other type of adhesive is not permitted to be used in lockers. Please do not send your child with sharpie pens/markers, permanent markers, or white-out. During the school year, some of the items above may need to be replenished or replaced. The Student Handbook is available on the district's website. <http://www.hamiltonrangers.org/>
