

School Supply List

King School provides all necessary materials for students to use in the class; however, some students appreciate having their own personal items and some parents want to contribute items for the good of the classroom. Below are the suggested items to purchase by grade level, either for your own child's use or for use by the classroom. Voluntary donations of any supplies are greatly appreciated. Please know that students will fully participate in all school programs regardless of the family's desire or ability to make a voluntary donation. ***Thank you for helping us with the school supplies if you are able!***
