Dear Second Grader,

I am so excited to welcome you to second grade! I hope you all have had a wonderful, relaxing summer break! I know I have. This is going to be a great year. I can't wait to meet you at Open House/ Back to School Night on Wednesday, August 20 from 6:00-7:00. More information about that will be sent to your grown ups as time gets closer. If you are unable to come that night, please have your grown up reach out to me in case there is any additional information I need to get you before you start school on August 25. I look forward to getting to know each of you better during our first few weeks of school. Part of your Back to School "Homework" will be to bring in something that represents what you did this summer or that helps to tell us more about you. I will give you more details right before school starts, but you can be thinking about it and maybe putting something special in a safe place so you know where it is when needed. In the meantime, stay safe, have fun and keep reading.

Love,  
Mrs. Plant

P.S. I have enclosed a copy of our suggested optional school supply list. If your grown ups have any questions, please have them contact me.
