

Dear Students and Parents/Guardians :

Welcome to ILTexas and 3rd Grade ! We hope that you had a fun and relaxing summer. We know you are prepared to work hard and have a successful school year. Every year is a new beginning for students, parents/guardians and teachers as they embark on a new academic year.

Third grade is a very exciting year because we will move from learning how to read and begin reading to learn. In mathematics, scholars will learn multiplication and division coupled with multistep problem solving. We will explore science and social studies by learning about the solar system, matter, regional geography, and other topics.

We want all students to have a prosperous year, and we encourage them to set high personal standards and goals for their participation in class.

PLEASE read and discuss this material with your child. It is very important to us that you and your child understand the expectations, policies and requirements for this year.

Success in any classroom comes from being prepared, responsible and respectful. Therefore, it is important in order to achieve success that you and your child understand these class rules, consequences, policies, and requirements.

As the Grade Level Administrator (GLA), I look forward to partnering with you and your scholar to ensure that they develop academically, socially, and emotionally. It is my desire that our 3rd graders flourish and exceed all expectations this school year. This is only possible if we all work together.

The third-grade teachers and I look forward to serving you and your scholar this school year. If you have any questions or concerns, don't hesitate to reach out to me.

Best Regards,

Tracy L Schneider

3rd Grade Policies and Procedures

Classroom Expectations

- * Students will enter the classroom on-time, in dress code and begin working on the pre-lesson assignment and/or gathering materials for class
- ** Students will bring all necessary supplies and assignments to every class, every day.
- ** Students will stay on task and participate in class discussions and activities.
- ** Students will be respectful, polite and kind to others.
- ** Student will raise their hand for permission to speak or leave their seat.
- ** Students will keep their hands, feet and other objects to themselves.

Consequences (Not meeting expectations)

all offenses will result in parent communication (phone call/email)

- ** 1st Offense: Verbal Warning/Behavior Reflection/Parent notification
- ** 2nd Offense: Office Referral/GLA notification/Parent notification
- ** 3rd Offense: Office Referral/Parent conference/Behavior plan put in place
- ** 4th Offense: Office Referral to Asst. Principal/After-school physical detention

Attendance

Every Day is important! Student success in their classes is directly related to how often they are present. Their **first class STARTS promptly at 7:45am**, please ensure students are on campus and ready to work at this time. If students eat breakfast on campus please ensure they are able to do that and arrive to class by 7:45a. The building opens at 7:05a. If students are absent or late, it is their responsibility to get the work and notes that they missed.

Academic Dishonesty

There is a zero tolerance for academic dishonesty. Any student caught cheating will earn a zero on the assignment, without the ability to redo the assignment and parent contact will be made. Students will also receive a referral for academic dishonesty.

Uniforms

ILTexas Arlington K8 is a uniform dress code school. Students who are out of dress code will be asked to call home to have someone bring them the correct item(s). Students can receive office referrals and consequences for continued dress code violations. There is a specific dress code for Monday and another for Tuesday – Friday. You can review the dress code in the Student Handbook which can be found on the iltexas.org website.
