

INTERNATIONAL LEADERSHIP OF TEXAS

Eagles,

Welcome back to school! The 2025-2026 school year promises to be the best yet at ILTexas Arlington K-8.

7th grade ELAR will explore the literary cannon—Ernest Hemingway, Emily Dickinson, Toni Cade Bambara. Social Students will explore the settlement of the state of Texas, Science will consist of interactive labs and applied science. Math is a mixture of complex equations and algebraic expressions. Your student will also participate in Fitness, and LOTE classes—specifically Chinese and Spanish.

All of our teachers are available to assist you and offer feedback.

We look forward to meeting all of you at our schedule pickup and throughout the school year. On behalf of our team and our associate principal Mrs. Pharms, and our team,

Sincerely yours

Ms. Campbell 7th grade ELAR /GLA

INTERNATIONAL LEADERSHIP OF TEXAS
