

PORTRAIT OF A GRADUATE

Leaders of the Future

COMMUNICATOR

Communicates with poise, organization, and purpose, while also being an active listener that acknowledges and understands different viewpoints to build and maintain positive relationships.

PROBLEM SOLVER

Able to identify, investigate, analyze, connect knowledge and resources, and communicate relevance of a problem or challenge to the world around them.

RESILIENT LEARNER

Exhibits perseverance and the capacity to be self-directed, independent, adaptable, and confident when engaging in new learning or when confronted with challenging situations.

CRITICAL THINKER

Practices self-reflection, questions, evaluates, and considers multiple perspectives, applying a wide range of approaches when problem solving.

COLLABORATOR

Shares ideas effectively, respectfully, and flexibly within diverse teams to accomplish a common goal, while demonstrating shared responsibility with a focus on developing high quality products.

CREATOR

Confidently tries new and innovative ideas inspired by the world around them, challenges existing boundaries, using imagination, skills, and talents while being willing to fail in the process.
