

National Booster Club Insurance Program

Endorsed by:

Administered by:

Association Insurance Management

On behalf of NIAAA , I am pleased to announce a new and exciting partnership between the NIAAA and AIM Association Insurance Management. Under this insurance program, Booster Clubs nationwide now have a very simple insurance plan offering extensive coverage for a very reasonable cost which is far superior to anything else currently available.

They have developed liability policies that offer protection for activities that other companies' policies may not cover, including concession stands, car washes, spirit wear sales, walk-a-thons, and more. With AIM, Booster Clubs have options that meet their needs, whether it is a General Liability or Crime & Embezzlement policy, saving the club from incurring large financial losses due to internal embezzlement or theft.

We are pleased to be able to expand comprehensive association benefits by offering programs such as these to your Clubs and encourage you to make sure your Booster Clubs have the coverage they so desperately need. Enclosed, you will find two options for this insurance program. Please review these options and determine what solution fits the need for your district. Should you have any additional questions about this insurance program, please visit www.aim-companies.com/niaaa or call AIM at 1-800-876-4044.

Sincerely,

Bruce Whitehead, Executive Director, NIAAA

Don't Put Your District At Risk

"...the school district provides insurance for us."

"...embezzlement? it'll never happen to us!"

What do they truly know?

Cover your club's events

General Liability Insurance

What would you do if your district was sued because of an injury that happened at a Booster Club event like a car wash, fundraising sale, or concession stand? The General Liability policy protects Booster Club members and volunteers against lawsuits arising from these types of activities. The policy limit is \$1,000,000 with no deductible. Covered events includes:

- Concession Stands
- Car Washes
- Merchandise & Team Logo Sales
- Walk-A-Thons
- Banquets & Dinners
- Fundraising Activities
- And more

AIM offers a complete protection plan designed specifically for Booster Clubs. All policies run annually from the day AIM receives the completed application and premium.

Protect your club's funds

Embezzlement & Bonding Insurance

What does a Booster Club do when they discover \$20,000 of their fundraising money has been embezzled or stolen by a Booster Club member? The Crime Insurance will replace their missing funds and avoid having them turned over to a collection agency. The bond limits are \$25,000 or \$50,000 with a \$250 deductible.

District Booster Club Program - Take The Guess Work Out

There's nothing more unsettling than having to wonder whether your Booster Clubs have adequate insurance to cover the events that they are holding on campus. You also don't have to worry about getting a phone call at 10:30 at night from the President of the Booster Club stating that they just found out the Treasurer embezzled all of the money for the new equipment the Booster Club was going to purchase. With our District Program Package, you have the peace of mind knowing that you've covered all the bases.

Step 1 - Decide Which Coverage Your Clubs Need

**General Liability - \$1 million limit: \$150/year per
Booster Club**

**Embezzlement & Bonding Insurance - \$50,000 limit
\$131/year per Booster Club**

Step 2 - The Worksheet

Fill out the worksheet on the right with the name, address and phone number of the Booster Club President for the Clubs you need enrolled under your District Program. Multiply the number of Clubs you are purchasing insurance for and place the premium amount in the space provided.

Step 3 - The Payment

Send a copy of the worksheet along with a check covering the amount stated on the worksheet to AIM and they will process all of the paperwork. AIM will send out a copy of the Certificate of Insurance to each of the Boosters along with a copy to the Athletic Director for their filing.

District Booster Club Program Worksheet

School District:	Athletic Director Name:
Address:	Phone Number:
City, State, Zip:	Email:

Please check the coverage desired per booster club and complete the table below for all clubs.

- ☐ General Liability - \$1 million limit: \$150/year per Booster Club
- ☐ Bonding Insurance (Embezzlement)- \$50,000 limit: \$131/year per Booster Club

Booster Club Name	Address/City/State/Zip

Total Clubs: _____ x Premium Per Club: _____ = Total Premium Included With Check: _____

Make check payable to AIM and mail with District Program Worksheet to:

Individual Booster Club Options - For Them To Decide

You've already determined that it's important for the Booster Clubs in your district to have insurance coverage, otherwise you wouldn't have made it this far. Even though you want your Clubs to have the protection they need, you don't have the budget to pay for coverage for every Club in your district. No worries, we've got you covered. Let each Booster Club know how important insurance is to them and let them decide which coverage they need.

Step 1 - Copy The Application Page

The application to the right is the only piece of paper that your Booster Clubs need. They can fill it out and decide which coverage is best for them. Make as many copies of the application as you need and make sure that every Club in your district gets a copy.

Step 2 - Deliver The Purpose

Giving someone a blank insurance application and telling them to fill it out and send in a check is probably not the best way to convince them that they need coverage. Tell them what it's for. Let them know that the General Liability will cover all their events from concession stands, dinners, and banquets to other fundraising events like car washes and spirit wear sales. Tell them that the bonding policy protects their Club's money from embezzlement, robbery, and theft. This is best done with a cover letter from the district signed by the Athletic Director.

Step 3 - Call Us For Help

We understand that you're not in the insurance industry and might have specific questions. We're here to help so please let us know how we can assist you.
