

A. STANDING COMMITTEES

The Watauga Board of Education (the “board”) will organize standing committees for the purpose of conducting thorough deliberations and investigations of issues and informing and recommending action to the board as appropriate. The committees will consist of two types; those required by board policy, state or federal law and those deemed necessary for operational or advisory purposes by the Board.

The Board is required by policy, state or federal law to have the following committee(s);

- School Health Advisory Committee as required by State Board of Education’s Healthy Active Children Policy, SHLT-000. In addition, this committee shall function as the School Health Advisor Council as established in Board Policy 6140.

The Board has traditionally established the following committees as needed for operational or advisory purposes; (committees may be dissolved and new committees added as the Board deems necessary);

- Calendar
- Elementary Curriculum
- Facilities
- Finance
- High School Curriculum
- Media and Technology
- Safe Schools
- Teacher of the Year
- Watauga Education Foundation

A non-voting board representative on each standing committee will be named by the chairperson of the board on an annual basis at the December or January meeting. Members of standing committees and a chairperson shall be appointed by the superintendent annually. The number of members of each committee and constituency of each committee shall be determined by the operational procedure of the committee. The assignment of individual board members to these committees will be published each year.

Standing committees shall have a procedure of operation approved by the superintendent. The committee chairperson will preside at all committee meetings and be responsible for reporting to the board on the activities of the committee. The committee chairperson will call meetings and establish an agenda for each committee meeting that includes any item suggested by the superintendent, committee member or board member. An adequate record of committee meetings shall be provided to the board.

The board chairperson and the superintendent will be an ex-officio member of each

committee. The standing committee chairs are responsible for submitting agenda items for regular meetings to the superintendent. The superintendent or designee shall assist the chairperson of each standing committee in the preparation of the agenda and in ensuring that information is available to the committee during its deliberation of issues.

A standing committee may only make recommendations to the board and has no authority to act on behalf of the board unless specifically authorized by law, board policy or the board. Committee reports shall be submitted to the board. They shall be in writing and shall be included in the materials for board action.

B. AD HOC COMMITTEES

As time and situations demand, ad hoc committees may be appointed by the chairperson with the approval of the board for special assignments. Ad hoc committees have no final authority and are subordinate and advisory to the board. They shall terminate upon completion of the assignment, or at any time by a vote of the board. The superintendent or designee shall serve as an ex-officio member of ad hoc committees.

C. OPEN MEETINGS LAW

All committees of the board are public bodies within the meaning of the North Carolina Open Meetings Law and are subject to all requirements of that law pertaining to notice, closed sessions, minutes, voting and penalties (see policy 1420, Compliance with the Open Meetings Law). The chairperson of each committee shall notify the superintendent or designee of the time and date of all committee meetings within sufficient time to notify the public of the meetings as required by law.
