MONTGOMERY COUNTY BOARD OF EDUCATION MINUTES

June 2, 2025

The Montgomery County Board of Education convened in a regular monthly meeting on Monday, June 2, 2025, at 6:30 pm in the Montgomery County Schools Boardroom. Board members present were Anne Evans – Chair, Lynn Epps - Vice Chair, Bryan Dozier, Angela Smith, Isai Robledo, Tommy Blake, and Cindy Taylor.

Board Chair Anne Evans called the meeting to order. Ms. Evans moved to adopt the agenda as submitted. Bryan Dozier made the motion with Cindy Taylor seconding. The agenda was accepted with unanimous approval from the board.

Board Chair Anne Evans shared an opening devotion focusing on graduation season with a reading titled "Run with Joy". Joy should never be measured, filtered or held back. Celebrate yourself fully, love out loud, and leap if you feel like leaping. Whether you are crossing a stage, finishing a goal or simply surviving a hard day, you have earned the right to feel proud. Sometimes the most powerful thing you can do is run toward what makes your heart full and throw yourself into it with everything you have.

The Pledge of Allegiance to the Flag of the United States of America was led by Braelyn Howell (4th grade-Page Street Elementary), Chandler Howell (1st grade-Troy Elementary), and Everleigh Howell (Pre-K-Wescare)

No one signed up to speak during the public comments section.

A Resolution of Esteem for Philip Bailey for his twenty years of service with the Montgomery County Schools was presented to his family. Mr. Bailey passed away on February 23, 2025. Board Chair Evans read the resolution as follows:

JUNE 2025

Board Chair Evans called upon Mr. Wade Auman for recognitions. Mr. Auman then recognized the Teacher of the Year selections for each school. Chris Blake-Candor, Susan Strong-Green Ridge, Nicole Sherrill-Mt. Gilead, Melanie Taylor-Page Street, Amy Ellington-Troy, Samantha Stewart-Star, Kyle Greene-East Middle, Nora Beasley-West Middle, Sarah Talbert-Montgomery Central, Caleb Rushing-Montgomery Early College, and Elizabeth Divine-Montgomery Learning Academy. Mr. Auman also noted that Kyle Greene was selected as Montgomery County Schools District Teacher of the Year and Sarah Talbert was selected as runner-up.

Mr. Auman presented the Classified Employee of the Year recognitions. Those in attendance were presented with a plaque. Teacher Assistant of the Year-Germarian Talley (MCHS), Office Support of the Year-Jennifer Loza (MCHS), Instructional Support of the Year-Wanda Blue (MCEC), Auxiliary Services Employee of the Year-Marsha Chambers (MCEC), Bus Driver of the Year-April Greene (PSES), Custodian of the Year-Jeffrey Douglas (PSES), Data Manager of the Year-Courtney Wilson (TES), and Child Nutrition of the Year-Cassandra Little (MGES).

Board Chair Evans then called upon Dr. Emily Shaw to present the staff year-long perfect attendance for the 2024-2025 school year. Logan Russ (TES), Annie Still (TES) Ruby Parsons (MLA), Adam Cycotte (MCEC), Erin Heyl (MCHS), Kerma Taylor (SES), Jennifer Nance (PSES), Jon LaChance (PSES) Beverly Lassiter (CES), Megan Strong (MGES), Chantelle Campbell (MGES), Kira Hannah (MGES), Vanessa McRae (MGES), Eunice Greene (MGES), Fejelyn Macapobre (GRES), Jackie Baldwin (EMS), Shelby Canady (EMS), and Jennah King (EMS).

Board Chair Evans stated the next item is the consent agenda. It has been requested to hold the consent agenda until after the closed session. The board approved unanimously.

Board Chair Evans called upon Dr. Joanna Perkins for the Butterfly House "Stop Go Tell Curriculum" presentation. Dr. Perkins then turned the presentation over to Amy Yow and Jennifer Parsons to discuss what Butterfly House can offer the students of Montgomery County. Ms. Yow stated that the Butterfly House is a nationally accredited Children's Advocacy Center that works closely with law enforcement, DSS, medical and mental health professionals. These agencies provide referrals on children with any type of reported abuse. Ms. Yow stated that they then complete forensic interviews with each child to get the true facts about what happened in a non-leading, non-suggestive way. They also do victim and family advocacy to get accurate accounts about the family and their history so that they can put the pieces together to provide each child with the proper resources and treatment. There have been a lot of great outcomes, and the prosecution rates have increased. The Stop Go Tell is an informational session presented by the Butterfly House staff to 1st and 5th grade students and is designed to bring awareness to body safety for children. Internet safety is also discussed with the 5th graders. The material is only presented after a permission slip has been sent out and received back by the school. Students also receive take home materials that reinforce learning and help to continue the Stop Go Tell conversations at home. Stop Go Tell empowers children to understand personal body safety, speak up, and identify trusted adults to go to when they feel unsafe. Mr. Auman stated that we currently do not offer the Stop Go Tell Curriculum, but we have seen an increase in Montgomery County referrals to the Butterfly House. Therefore, they reached out to us to present the program to our board for approval to implement the program in the upcoming school year.

Board Chair Evans called upon Dr. Emily Shaw for Policies for approval. Dr. Robledo stated that he had a question regarding policy 1510/4200/7270-School Safety. He referenced updated wording in section C of the policy and asked if an individual from maintenance should accompany the principal for the inspection, however he does not want this to delay the process. Dr. Shaw stated that she would recommend that we approve the policy as presented and then we meet with Mr. Woodard to discuss the addition of an individual from maintenance participating in the inspection. We can then insert our language into the policy to better fit our district. Ms. Evans asked for a motion for approval. Lynn Epps made the motion with Tommy Blake seconding. The motion carried unanimously with the board.

Board Chair Evans then called upon Mr. Wade Auman for the Superintendent's Comments. Mr. Auman stated that we began administering our EOG testing last week and will continue this week. Just wanted to make you aware that all of the North Carolina K-12 schools faced an unexpected challenge last week during the administration of those tests. There was a statewide technical failure in the state's online testing program. It was a significant disruption that occurred in all school districts, and it left students, teachers, and administrators scrambling to adjust. Our schools responded with resilience, patience, and professionalism. In our case the failure happened mid-test, so we were forced to delay those assessments. Statewide over two hundred nine thousand students were affected by the platform outage. We experienced a delay of up to ninety minutes. He expressed his gratitude to the students who, after months of preparation, showed remarkable composure in the face of that uncertain time.

Board Chair Evans then asked for a motion to go into closed session to discuss personnel and consult the board attorney. Bryan Dozier made the motion, with Cindy Taylor seconding. The board approved entering closed session unanimously.

Following closed session, the board approved the following consent agenda with a motion by Bryan Dozier and a second by Cindy Taylor. Dr. Isai Robledo abstained from the vote.

The following items were approved:

- 1) Board Minutes from May 5, 2025
- 2) Budget Session Minutes from May 5, 2025
- 3) Personnel and Auxiliary Report

Fiscal Year 2024/2025 Budget Amendment # 8

State Funds

1) An increase of \$473,048.90 to the State Budget Fund (Fund 1):

\$23,373.90 increase to PRC 081 (Transportation for Homeless) — The district received funding to reimburse the district for transportation expenses of homeless and foster care students.

\$475.00 increase to PRC 255 (National Board Certification Support) – The district received funds to reimburse a teacher for National Board Certification fees.

\$449,200.00 increase to PRC 009 (Mon-Contributory Employee Benefits) – When an employee relines, they are paid for their unused annual leave, personal leave, and longerily pay. If the employee's salary is paid with state funds, the state will pay for the Non-Contributory Employee Benefits payout. The state deen on automatically fund this PRC, so it is budgeted at year end based on an estimate of how much the district will spend.

\$41,030.00 increase in PRC 014 (CTE Program Expenses) and a \$41,030.00 decrease in PRC 013 (CTE Months of Employment) — The CTE Months of Employment allotment is where the district's CTE presonnel are paid from. The district has the flexibility to troasfer any unused months of employment to PRC 014 where they can be used for Program Expenses. No new funding was received.

Local Funds

2) An increase of \$536,942.58 to the Local Fund Budget (Fund 2)

\$22,740.68 increase to PRC 002 (Central Office Expenses) — In order to pay for the cost of the superintendent search through the State Board of Education, the budget was increased with funds taken from Fund 2 fund balance.

5514, 201.90 Increase to PRC 802 (Student Laptops) – student laptops were purchased at the end of the 2024 fiscal year. The order was not completely Hilled until April of 2025. This amendment is to establish the budget for this purchase and will be funded from fund balance.

SSI/1/00 increase to PRC-337, 6000 purpose code (PIM Grant Ubstrict Level Expenses) and a corresponding decrease of SSI/200 to PRC-332, 5000 purpose code (PIM Grant School Level Expenses). This was a correction for hards that were originally budgeted at the school level that should have been budgeted for district level expenses. There was no change in total funding. Riccase the funds were transferred within the same budget, this is wastly not a budget amendment, but because it involved moving funds from one purpose code, 5000, to a different purpose code, 6000, it has be treated as a budget amendment.

7] Overall, these adjustments resulted in an increase of \$1,282,338.65 to the total 2024 - 2025 budget for Montgomery County Schools.

I will be available to answer any questions you may have

This amendment is an action item and will require a vote

Federal Funds

3) An Increase of \$202,666.00 to the Federal Funds Budget (Fund 3):

Beginning this year, the district is required to implaneate a change in the way federal funds are reported. When the district receives federal grants, funds an typically available to the district for 27 months. For this reason, fleral funds can be carried over for up to the years. In the peat, the district combined provious funding with new funding into one budget, but beginning this year, the district must create a sewarte budget for each year's funding, For example, PRC 000 might have Budget Year 2023 funding. Budget Year 2023 funding and Dudget they are 2023 funding whereas in the past we could know at the funding into one budget.

\$4000.00 Increase to PRC 060 Year 2025 (Exceptional Children Funds) — The state reconciled the balances in the lederal grants and either a lotted any surplux funding or reverted any deficit funding to the districts. For PPC 060, the district received an additional \$4500.00.

\$198,000.00 increase to PRC 144 Year 2025 (School Based Mental Health Funds) The district was awarded a special 3-year grant to fund the saluries of two social workers, purchase supplies and provide professional development.

Capital Outlay Funds

4) An increase of \$32,523.32 to the Capital Outlay Budget Fund (Fund 4):

\$5500.00 increase to PRC 802.06 (Capital Outlay Exponses) — The central office is having trees removed at Candor Hementary for security purposes.

S4174.39 increase to PRC 802.06 (Capital Cutlay Expenses) — These funds were used to replace the IVAC system at Candor Elementary.

\$6800.00 Increase to PRC 802.07 (Capital Outlay Expenses) — These funds were used to remove a building at Candor Dementary.

\$16,048.93 increase to PRC 802.08 (Capital Outlay Expenses) - These funds were used to replace one of the district lawnmowers that was beyond repair.
