The screenshot shows the NSU University School homepage. In the footer, there is a list of links: Directions, School Calendar, Employment, Nova Southeastern University, and Hurricane Updates. A green arrow points from a green callout box to the 'School Calendar' link. The callout box contains the text: 'Click Here to Access the *School Calendar* from www.uschool.nova.edu — located at the bottom of the home page'.

- The online school calendar can be viewed in one of two ways – list view or grid view. Once you select your view type, you will see that, by default, all NSU University School events are shown in date order.
