

Name _____

♠ ♣ ♥ ♦ Playing with a Full Deck ♦ ♥ ♣ ♠

The object of this game is to acquire as many points as possible by guessing the outcome of the cards drawn from a deck. Six cards will be selected one at a time and replaced to the deck to be reshuffled each time. For each draw, you are to choose one of the options listed below regarding the nature of the card. The point values for a correct guess are also shown. If you are wrong you are awarded zero. For each round played, guess the six cards in advance, record the actual draws and points earned, and the tally your points. Good luck and have fun!
