

Summer 2025

Dear Students,

Welcome to 4th Grade! I cannot wait to meet each and every one of you. We are going to have a fantastic year together. In 4th grade, you will have the opportunity to switch teachers for many of your classes. I will be your homeroom, reading, and writing teacher.

I hope your summer has been fun. My family and I spent time swimming at the pool and going to Rehoboth Beach in Delaware. We enjoy taking our dog, Monty, for walks at the park. Many summer nights have been spent around the bonfire and enjoying s'mores.

My sons attend school in Downingtown as well. Jack will be a sophomore at Downingtown East. Patrick will be in 7th grade at Lionville Middle School. My daughter, Kaitlin, is a sophomore at the University of Pittsburgh.

Please start thinking about your favorite memory from this summer that you would like to share with the class during the first week of school. I'd like each of you to bring in one small object to share with the class during the first week of school. I can't wait to hear about the books you've been reading as well! Our Back to School night is on Tuesday August 19th. I look forward to seeing you that evening and telling you more about the exciting things I have planned for 4th grade. Get ready for an awesome year together!

Best Wishes,

Mrs. Cruice
