

CARROLLTON UPPER ELEMENTARY

CLUBS AND ACTIVITIES

ACADEMIC BOWL TEAM

Academic Bowl is an academic competition for school teams. The topics range from science, math, social studies, literature, pop culture, current events, sports and fine arts. Students are selected in a tryout process in September.

AMAZING SHAKE

The Amazing Shake emphasizes teaching students manners, discipline, respect, and how to conduct themselves in a variety of environments; the meetings also utilize fun and memorable experiences that enable students to interact with the school community and local business leaders.

BETA CLUB

BETA Club is designed to promote the ideals of academic achievement, character, service, and leadership among elementary school students.

Sponsor: stephanie.mcdowell@carrolltoncityschools.net

CODING CLUB

Coding Club is the place to take a student's interest in technology and turn it into a productive skill. Designed for boys and girls in elementary and middle school who want to try out programming, the Coding Club is a fun way to learn to code in a social, after-school setting. Coding has now become an essential skill, and Coding Club serves as an introduction to the world of Coding. Learning to code teaches students how to solve problems, work together in teams, and fosters creativity.

FCA

This student-sponsored club offers the opportunity for student athletes to participate in faith-based fellowship "huddles" and community projects. Fellowship of Christian Athletes meets on Thursday mornings at 7:15 am in the CUES Media Center.

Staff Contact: tiffany.pullen@carrolltoncityschools.net

LITTLE S.I.S.T.E.R.S

This is an after-school program. S.I.S.T.E.R.S. (Striving, Impacting, Supporting, Teaching, Empowering, Respecting, Serving) inspires young ladies to build healthy relationships through social, self, and educational awareness.

GARDEN OF READING CLUB

Gardening club will stimulate the knowledge and love of gardening while also creating an outdoor classroom that will become an outdoor oasis for reading.

Sponsors: lakyn.lynch@carrolltoncityschools.net

LEGO ROBOTICS CLUB

LEGO Robotics is a part of FIRST LEGO League (FLL). FLL introduces students to the fun and excitement of science & technology while building self-confidence, knowledge and life skills. There is a competitive and non-competitive club option.

PERFORMING ARTS CLUB

The CUES Performing Arts Club is an incredible opportunity to perform and showcase your creativity! We will perform exciting musicals, plays, and concerts throughout the school year, as well as learning about set design, costuming, and lighting!

Sponsor: risaiah.hill@carrolltoncityschools.net

SCIENCE CLUB

This club is offered to 4th and 5th grade students interested in science. We will have monthly meetings (except for November and December) to conduct experiments and do science activities.

Sponsors: Science department (contact CUES for more info.)

SEWING CLUB

Sewing Club introduces students to the basics of hand stitching and machine sewing in a fun, supportive environment. We'll learn stitches that are both functional and decorative, explore proper sewing machine etiquette, and build confidence with simple projects. Sewing is a lifelong skill that encourages creativity, develops fine motor coordination, strengthens focus and patience, and empowers students to repair, personalize, and create with their own hands.
