- ☐ A **TI-30XIIs calculator** is an optional purchase for our students in Math 6, Math 7, or Math 8. Students will be able to use this calculator for all three years of math. Math teachers will have class sets of calculators for students to use during the school day in their math classrooms.
- ★ A locker ladder is recommended (see below)
- ★ Color coding the supplies helps students stay organized. You are welcome to get a colored binder that coordinates with the subjects that need a binder, or you can make the binder easily identifiable with a piece of colored paper or colored tape.

We anticipate that the schedules will be available the week of August 18, 2025. You will be notified when they have been posted in the Parent Portal.

The PTO will host a MS Back to School Family Night Lock & Locker Ladder Sale on August 28, 2025 from 4 - 7 p.m. This will provide a great opportunity to visit the Middle School and buy locks and locker ladders. It is also a chance to take a self-guided tour of the Middle School and set up lockers. More information can be found about this event on the OPMS website.
