OAK GROVE
EDUCATION
PARTNERS

The OGEP board wishes to welcome back our amazing students and their families!

Our mission: *OGEP is a volunteer-led non-profit organization focused on fundraising to support equitable enrichment programs on and off campus in Arts, Music, and Outdoor Learning for the students of both Oak Grove Elementary and Willowside Middle Schools.*

TOGETHER WE CAN DO GREAT THINGS!

For the 2025/2026 school year, OGEP has pledged \$80,000 to Oak Grove Union School District for field trips and other enrichments. To make these impactful contributions possible, we need your support.

Please consider attending OGEP meetings, we want to hear your voices and ideas! Can't attend a meeting? Please consider contributing to any of our OGEP fundraisers, including the Giving Campaign.

Perhaps you're interested in helping with our upcoming community events occurring throughout the year? No matter what format suits you, we welcome your contribution. Please fill out your information below, and we will be in touch.
