

The best education for every student.
STEILACOOM
Historical School District No. 1

2025 EDUCATIONAL PROGRAMS & OPERATIONS Levy Facts

1 This proposed EP&O Levy is not a new tax, and will replace a previous voter-approved levy which will be expiring soon. This replacement levy ensures a stable tax rate for our community.

2 Voter-approved levies are necessary to fill the gap between the funding the district receives from the state and what it actually costs to provide the best education for every student. The EP&O levy currently provides 18% of total district funding.

3 The EP&O levy renewal is essential for current staff and student program levels to be maintained. The EP&O funds 1 in 5 SHSD employees, provides 93% of funding for our school nurses, and provides 93% of funding for extra-curricular activities.
