

Physician's Request and Parent Permission for Administration of Medication

Administration of medications will be permitted on school property only when medically necessary and under direct supervision of appropriate staff members. Administration of medication during school hours is discouraged; however, individual needs will be taken into consideration. For the safety of the students, the following guidelines must be enforced.

1. A written request using this form from a physician/practitioner detailing the **prescription** drug and the specific information below is required.
2. The prescription medication is to be brought to the school by the parent/guardian in the original container which is correctly labeled by the pharmacist with the name of the student, the name of the medication, dosage, name of physician, and time to be given.
3. Over the counter medications must be delivered by the parent/guardian in the original, unopened container. This form is completed but does not require physician's signature.
Herbal remedies and over-the-counter supplements that are not approved by the FDA require a written order from a physician/practitioner
4. Written parent/guardian permission is required to administer any medication.
5. Any change of prescription requires a new written order from the prescriber. Schools are accessible by secure FAX for quick communication.
