OUR SCHOOL COMMUNITY

K.T. Murphy is located in the heart of the Cove Beach neighborhood. For more than a century, generations of families have sent their children here and many of our students later return as staff members.

We are a Responsive Classroom school that prioritizes social-emotional skills in addition to academics. Our goal is to educate the whole child by teaching them Cooperation, Assertion, Responsibility, Empathy, and Self Control (C.A.R.E.S.).

We strive to create a learning environment that encourages and enables each child to reach their full academic and social potential. We are committed to helping students develop a love for learning and helping them realize their potential within our diverse school community.
