10 a.m.-12 p.m.

Welcome! As veterans, you know the drill! Please follow the steps outlined below:

1. Arrive and proceed to the **Health Center** to begin the registration process and conclude in the student life office in Clinton Hall.

2. Move in to your dorm between 11 a.m. and 12 p.m. The dining hall will be open for lunch from 11:30 a.m.-1 p.m.

3. Orientation is in the CECIC promptly at 1 p.m.!

4. You will receive your schedule on Wednesday, August 27. Please report to Clinton Hall at 8:15 a.m.

Parents—Note that we don't do much in terms of welcoming you today, in part because we know that you, too, know the routine. That said, we hope that you get the chance to say hello to your child's dorm head, for they will be working closely together to manage the dorm. You are certainly welcome to return for orientation meetings that begin in dormitories at 12:30 p.m. on Monday, September 1. And, of course, all parents are cordially invited to a reception at the Head of School's home later that afternoon between 2:15 and 3:30 p.m.
