

WELCOME

to first grade

SUPPLY LIST

Feel free to check out our school supply list posted on the UH website. You may bring any of these supplies with you to the open house or send them with your kiddo on the first day of school. Later on in the year we could always use a replenishment of tissues, glue sticks, and dry erase markers!

Meet Miss McNALLY

Hi! My name is Miss McNally. This is my first year teaching first grade at Uwchlan Hills. I first started by student teaching in first grade here at UH and moved on to work as the building substitute teacher for the past two years. I am so excited to spend this year with your kiddos and I can't wait for them to love first grade as much as I do.

BACK TO SCHOOL NIGHT

Wednesday, August 20TH

From 6:00-7:00

I invite you to come to UH to meet me and see the classroom at your convenience during the times above!

Dear First-Grade students and families,

Welcome to the 2025-2026 school year as a First Grader! I am beyond excited to share this school year with you and get to know all about you and your families! I hope you had an amazing summer just like me. I spent this summer at the beach, reading, and spending time with my family, friends, and cats.

I am so excited to help you learn and grow in new creative ways and to create a classroom that truly is a second home. Parents and guardians, the classroom would not be complete without you too, which is why I look forward to working closely with all of you this year to ensure your child gets the most out of their education.

For the first day of school please send your kiddo to school with a healthy snack, water bottle, lunch (or lunch money if they are buying), a backpack, and any supplies from the list that may be left.

Please bring an item that you would like to share with us the 1st week. This should be something that would help us get to know you a little.

I look forward to meeting you at Back to School Night!
Love,
Miss Kaylin McNally

CONTACT Me

Parents if you could please contact me with the following information via email that would be extremely helpful!

- Your child's bus number, especially the bus he/she will be taking home!
- Any allergies
