*Assistant Principal*  
(516) 604-4200  
[Coneill1@nasboces.org](mailto:Coneill1@nasboces.org)

Summer 2025

**A Note from the Nurse's Office:**

Please help us and help your child stay healthy during the school year.

If your child needs medication during the school day, a Medication Permission Form must be filled out by a licensed prescriber and signed by the parent or legal guardian.

Even over-the-counter medication or self-carry emergency medications (asthma inhalers, epi-pens, diabetic supplies) must have a complete doctor's order on file.

Please send any medication orders, medications, and necessary health information/updates to our nurse's office. For medical information and the permission form, please see attached.

Thank you,

Evelyn Graham, School Nurse
