Student has permission to self-carry / self-administer this medication: ☐ No ☐ Yes – if yes, read the following carefully:

If yes box is checked, I agree that this student must be allowed to have the above-named medication/procedure on his/her person during school hours, in transit to and from school or school-sponsored activities, before and after-school activities on school property, and any school sponsored activity. **This child has demonstrated competency in self-monitoring and self-administration of this medication/procedure.** The parent is aware that they cannot hold the school district responsible for any adverse outcome of this action.

Printed Name of Health Care Provider: _____ Phone: _____

Health Care Provider Signature: _____ Date: _____

Parents / Legal Guardians Please Read Carefully: By signing below, I understand and agree to the following:

- An Individualized Healthcare Plan (IHP) will be developed for students who have a health condition that necessitates an IHP.
- The school district and its employees and agents are not liable for an injury arising from a student's self-monitoring or self-administration of medication.
- The parent or guardian indemnifies and holds harmless the district and its employees and agents against a claim arising from a student's self-monitoring or self-administration of medication.
- The school district and its employees and agents are not liable for an injury arising from the administration of medication authorized by an IHP.
- The parent or guardian shall indemnify and hold harmless the district and its employees and agents against a claim arising from administration of medication authorized by an IHP.
- I understand that all prescribed medications must be in the original container issued by the pharmacist with the most recent prescription label.
- I will notify the school when the medication is discontinued or the dosage changes.
- I give permission for the principal, school nurse(s), and/or health services to share this information with individuals who have responsibility for my child.
- I give BCSD Health Services my permission to contact the prescribing Licensed Health Care Provider and prescribing pharmacy in relation to this prescription medication.
- I am responsible for replacing medication before the expiration date.
- I give my permission for designated BCSD staff to administer this medication to my child according to district requirements.
- BCSD Transportation department staff are required to complete online training for health emergencies annually. Additional training by a licensed BCSD nurse will be provided as warranted.
- I agree to allow my child's medication to accompany the teacher/staff on field trips if medication time coincides with the trip.
- I understand that my child will lose the privilege to self-medicate if he or she endangers him- or herself or another student by misusing the medication(s).

My student has orders from our health care provider to Self-Carry/Self Administer this Medication. ☐ No ☐ Yes ** If YES, read the following carefully:**

*Working closely with our physician we have decided to allow my child to self-administer and self-monitor the above medication while at school. **My child has been trained by our physician and has demonstrated competency in this procedure.** My child must be allowed to possess this medication at school sponsored activities, in transit to and from school or school-sponsored activities, and during before or after-school activities on school property. I realize that the School District of Beaufort County cannot be held responsible for any adverse outcome of this action. I am responsible for replacing expired medication before the expiration date. I will provide the medication in the original container, clearly labeled with my child's name. I will notify the school immediately if the medication is discontinued or the dosage has been changed. Permission is granted to the principal and/or school nurse to share this information with individuals who have responsibility for my child. The first dose will be given at home so that I can monitor adverse reactions. I give the school nurse my permission to contact the physician's office to request medical information concerning my child.
