

# KIDS' CLUB

## After School Program

### 2025-2026

Lockhart ISD offers the Kids' Club program to students in grade Prekindergarten to 5<sup>th</sup> grade. Students who attend Navarro Elementary will attend Kids' Club at Clear Fork Elementary. At school dismissal time, Navarro students will be transported to Clear Fork Elementary. Students who attend Alma Brewer Strawn Elementary, Carver Early Education Center, Bluebonnet Elementary, Borchert Loop Elementary, and Plum Creek Elementary will attend Kids' Club at their school campus. Our programming supports the student learning experience with the opportunity for additional academic support and enrichment to help all of our Lions in their academic growth.

We provide the opportunity for children to enjoy structured and supervised snack time, playtime, gym games, and playground activities. The program also offers special activities and clubs like art, cooking, music, and drama.
