

## Healthy School Teams (HST)

The Wellness Promotion Policy (2.035) requires each school to establish a Healthy School Team (HST) to ensure schools are creating healthier environments, fostering a cohesive wellness culture, and complying with the United States Department of Agriculture's (USDA) [Smart Snacks](#) in School Standards.

To support the goals and objectives of the District's Wellness Promotion Policy [\(2.035\)](#) and the School Food Service (SFS) Management Policy [\(6.185 Section 5\)](#), each school must do the following:

- The principal must designate a Healthy School Team (HST) Lead to oversee the HST on campus. *For best practice, it is recommended that an Assistant Principal be assigned as the HST Lead.*
- Refer to the [HST Possible Members List](#) for guidance on potential HST members.
  - **School-Based Campuses:** Enter the HST Lead and team members into the Points of Contact ([POC](#)) App on the District Portal.
  - **Charter Schools:** Complete the [FY26 Charters' Healthy School Team Members](#) form.
- Ensure that the HST members meet as needed to discuss items such as food fundraisers, school culture, and special events. For those schools involved in the Alliance for a Healthier Generation's Resilience In School Environment (RISE) program, it is recommended that the HST contribute to the assignments.
- Complete the required triennial Wellness Promotion Policy School Assessment; Healthy School Team (HST) members must assist with the completion.
- Complete the required [Food Fundraising Tracking Form \(FY26\)](#) **prior to each food fundraiser** held on campus when food is sold to students on your campus during the

school day (one entry form per fundraiser). *The USDA defines “school day” as the period from midnight to 30 minutes after the end of the official school day (last bell).*

- The [Fundraising Application/Recap \(PBSD 0153\)](#) form must be completed by the activity sponsor, approved by the principal, and submitted to the treasurer for account assignment before any activity starts. *Charter schools do not need to complete form PBSD 0153.*
- The sponsor must provide an approved copy of PBSD 0153 to the HST Lead **only** when food is sold to students on campus during the school day.

The District’s Wellness Promotion Policy (2.035) is grounded in the **Whole School, Whole Community, Whole Child (WSCC)** model. This comprehensive framework goes beyond academics to support all aspects of a child’s well-being. It focuses its attention on the child, emphasizes a schoolwide approach, and recognizes employees, families, and the broader community as essential parts of the equation.

When assembling your school's Healthy School Team (HST), be sure to include representatives from each of the ten (10) WSCC components to help foster a cohesive and supportive wellness culture. These components, along with examples of potential representatives, include:
