

2025-2026 Yearbook Portrait Information

SCAN ME!

Congratulations! You've made it to your senior year! Let us help you turn this once in a lifetime moment into lasting memories. The Photographic Art Studio is proud to be chosen as the only photographer for the senior class of 2026!

1. The yearbook sitting consists of your choice of 4 different sessions:
 - A. A **Yearbook Basic session** - which includes only four images in formal attire
The studio will choose the best image and send to the school lightly retouched. This is a **FREE** session.
 - B. A **Yearbook Plus session** - which includes your choice of images from approximately (50) head and shoulder poses, **fully retouched** images photographed in both the formal attire *and* cap and gown (in your school colors). A \$45.00 non-refundable yearbook reservation fee is required at the time of reserving the appointment.
 - C. A **Yearbook Mini session** – which includes an additional photo session in an outfit of your choice after the Yearbook Plus session. These images will have a new background and different lighting and will include approximately (75) full length and closeup images to choose from. This session has an \$85 non-refundable reservation fee that is required at the time of reserving the appointment.
 - D. An **Artistic Expression session** – A step above a Yearbook Mini Session. For \$390, this session includes everything offered in a Mini Session **PLUS** a 16x20 *Fine Art Image* designed specifically by the artist just for you. The full session price is required upon booking the appointment.
 - E. A **Creative session** – this session is done on a separate date and does NOT include the yearbook portraits; however, it *does* show the real you! This ultimate senior portrait experience includes fun photos that can be taken indoor, outdoor or both! You may bring multiple outfits and props such as cars, horses, dogs etc. We have a design consultation with you a week prior to make sure we get the aesthetic you're looking for. This session fee is \$150 for either in studio or on location.
2. The following applies to all sessions (not including the **Yearbook Basic**):
 - The non-refundable reservation fee (\$45 for Plus, \$85 for Mini, \$390 for an artistic expression) is required at the time you book the session.
 - A **\$45 credit** will be applied to a portrait package if purchased from The Photographic Art Studio.
 - Each student will have the opportunity to choose their personal yearbook portrait which will be retouched and submitted to the school at no additional charge (Yearbook Basic session excluded).
 - Prices will be valid until March 30, 2026
 - Our digital packages begin at \$218.50
 - Payment plans are available at no additional charge, but no packages will be printed until paid in full.

***Summer is the best time to take your senior pictures, as your senior year will be filled with lots of activities. Appointment times are limited and fill quickly so call today at (209) 830-8830.**

****The deadline to get your photo into the yearbook approaches faster than you think! Don't wait until the last minute to book your appointment!**
