ACCREDITATION

Ralston Public School District has achieved AdvancED district accreditation.

BOARD OF EDUCATION POLICIES

Board of Education policies can be accessed on the district website: www.ralstonschools.org.

RIGHT TO HANDBOOK NOTICE

Handbooks will be available on the district and school websites. Notification of the web address and location to links will be provided to all students. In addition, any parent or student may request a printed copy of the handbook. A copy of the general rules of conduct will be posted in a conspicuous place in each school building.

COMMUNICATION

PHONE & EMAIL COMMUNICATION

To ensure effective and timely communication between our school district, staff, and school patrons, Ralston Public Schools uses a messaging platform to announce or remind our students and parents/guardians about important upcoming events. Also, it can serve as an information system to communicate student absences, school cancellations due to inclement weather, and crisis situations that may arise. Messages may come in the form of a pre-recorded phone call, text, push alert through the RPS Mobile App, and in other cases, will be accompanied by an email.

PARENT-TEACHER CONFERENCES

Parent-teacher conferences are scheduled twice a year. If additional conferences are desired, parents are encouraged to contact their child's teacher or principal. Appointments for the conference will be made at a mutually convenient time. Conferences are designed to share information between parent(s) and teachers. Parents are encouraged to attend each of the scheduled conferences.

PROGRESS REPORTS

Student progress will be formally reported to parents four times each school year. The main purpose of the reporting system is to communicate to the parent and the student, the teacher's assessment of the student's growth and development. A child's achievement in the academic areas is based on his/her ability and performance. Achievement markings are given based on the progress the child has made as they work on those materials that are educationally appropriate for him/her.

SCHOOL PUBLICATIONS

Each building will provide a newsletter to parents with updated information specific to your child's school. School Board policies, handbooks, and curriculum information are available at each school building and online at: www.ralstonschools.org.

NOTICE OF PARENTAL RIGHTS

The Family Education Rights and Privacy Act and the Nebraska Public Records Law authorize school districts to make "directory information" available for review at the request of non-school individuals. These laws also give parents and guardians a voice in the decision-making process regarding the disclosure of directory information regarding their children.

Directory information is information from an education record of a student which would not generally be considered harmful or, if it were disclosed, an invasion of privacy. For example, an athletic program, which lists the names of team members, their heights and/or weights, and an academic program which lists the names of students receiving academic awards both contain directory information. Directory information includes the following information about a student:

- Name and grade
- Name of parent and/or guardian
- Address
- Telephone number, including the student's cell phone number
- E-mail address
- Date and place of birth
- Dates of attendance
- The image or likeness of students in pictures, videotape, film or other medium
- Major field of study
- Participation in activities and sports
- Degrees and awards received
- Social media usernames or handles
- Weight and height of members of athletic teams
- Most recent previous school attended
- Certain class work which may be published onto the Internet
- Classroom assignment and/or home room teacher
- Student ID number, user ID, or other unique personal identifier used by the student for purposes of accessing or communicating in electronic systems, but only if the identifier cannot be used to gain access to education records except when used in conjunction with one or more factors that authenticate the user's identity, such as a personal identification number (PIN), password, or other factor known or possessed only the authorized user.

Directory information does not include a student's social security number.

Upon request, the district will provide military recruiters and institutions of higher education with the names, addresses and telephone listings of high school students unless a student's parents have notified the district that they do not want this information disclosed without their prior written consent. Any student who is 18 years of age or older should communicate to the district office if they do not want this information disclosed without their prior written consent.

The district will notify parents and guardians each year of their rights under this policy and the Family Educational Rights and Privacy Act. Parents will be given the opportunity to prevent the release of this directory information by filing a written objection with the district.

Ralston Public Schools has defined directory information for media purposes.

Several times during the school year, local media (TV, radio, newspaper, etc.) visit Ralston schools for newsworthy items, school happenings, holidays, local interest items and interview/photograph students for newspaper articles, TV news items, and promos. Media events are considered directory information.

Ralston Public Schools has defined directory information for the use of the Web (www.ralstonschools.org).

All Ralston schools and district Internet Web pages are considered directory information. Internet Web pages (schools and districts) may contain pictures and names of students.

Internal/External use of information: Whatever choice you make, the school district will be able to use this directory information for internal school purposes and to share it with other educational institutions and professionals in accordance with law. Please refer to this student handbook referencing Parental/Guardian Access to Student Records and Routine Directory Information (Policies 5016 and 5017). If you disagree with the way directory information may be used, please complete a written objection in writing, available at 8545 Park Drive, Omaha, NE 68127. The objection should be completed by the 1st of September of the current school year.

DAY TO DAY

CLASS TREATS/GIFTS/FLOWERS/PARTY INVITATIONS

For the safety of our students, homemade food items will not be permitted. Treats for birthdays or other special occasions must be purchased from a store and must arrive in the original store container. We encourage you to consider alternative non-edible treats such as pencils, erasers, or buying a book for the classroom as ways to celebrate your child's birthday. Gifts/flowers may be delivered to the office but will be kept in the office until the end of the school day.

Party invitations that include the **entire class** can be distributed at school. Invitations that are only for select students need to be mailed by parents. The school is not permitted to provide other student information to mail or contact other families.

LOST CLOTHING

All clothing the student would normally remove while in school should be marked with the child's first and last names. If an article of clothing is lost, the student should check in the lost and found area. Periodically throughout the year, the school will donate to charitable organizations clothing placed in the lost and found area that has not been claimed.

SKATEBOARDS/SCOOTERS

Safety concerns dictate that skateboards, scooters, and similar play items are not allowed on school property.

SPORTS EQUIPMENT

Such articles as hockey sticks, gloves, mitts, bats, toys, skates, etc. should not be brought to school without prior permission from the principal.

TOYS

To help eliminate classroom disturbance, disagreements on the playground, and to prevent loss or breakage, toys should not be brought to school. An exception to this rule will be made if the toy is to be used in "show

and tell” and has been approved by the teacher. In this case the toy should be brought to school in a sack or book bag and taken out only for the purpose of and during classroom “show and tell” time. **The student and his/her parent assume liability for any personal items brought to school.**

STUDENT FEES, FINES AND CHARGES

The District’s general policy is to provide for instruction in accordance with the Nebraska State Constitution. The district offers some activities, programs, and services that extend beyond the minimum level of constitutionally-required free instruction and as such may require additional expenditures that are properly borne by students as a separate charge. Such charges shall be kept to a minimum to maintain the activity, program or service. Students qualifying under part 3 of this policy may receive a fee waiver. No fees, materials, specialized or non-specialized attire, or equipment shall be required of students except as expressly permitted.

PART ONE:

The District’s general policy is to provide for instruction in accordance with the Nebraska State Constitution. The district offers some activities, programs, and services that extend beyond the minimum level of constitutionally required free instruction and as such may require additional expenditures that are properly borne by students as a separate charge. Such charges shall be kept to a minimum to maintain the activity, program or service. Students qualifying under part 3 of this policy may receive a fee waiver. No fees, materials, specialized or non-specialized attire, or equipment shall be required of students except as expressly permitted below.

Extracurricular activities and spectator events: A fee will be charged for participation in extracurricular activities and to spectators of extracurricular activities. Each school building shall annually submit its extracurricular fee list to the District for approval and publication in that school’s handbook.

1. Fees may be charged for participation in extracurricular activities. Extracurricular activities are those activities or organizations where student participation is voluntary and does not count toward graduation or advancement between grades.
2. Schools may require students to furnish specialized equipment and attire, or pay a reasonable fee for use of district owned equipment and attire, for participation in extracurricular activities including such activities as extracurricular music.
3. Clubs, teams and organizations for which there may be a fee required for participation may also, as a club, team or organization, decide to make purchases, and may fundraise and/or seek donations according to District policy to assist in the funding of such purchases, which may include, but are not limited to, apparel and trips. The decision of an organization to require members to participate in fundraising or otherwise fund purchases is not a fee charged by the District.
4. Fees may be charged for admission to activities and events which occur at the facilities of Ralston Public Schools and for transportation to and from activities and events which occur at other schools, when those activities do not count toward graduation or advancement between grades and when student participation is voluntary.
5. A school may sell an activity ticket that admits students to activities and events that do not count toward graduation or advancement between grades.
6. Field trip fees may only be charged if participation by the student is voluntary and it does not relate to the required curriculum or if the field trip occurs after school hours and does not count toward school attendance.

Materials for course project: The District authorizes the operation of school stores in which students may purchase food, beverages and personal or consumable items. A school store need not have a permanent physical presence and may provide order forms for students to voluntarily purchase items from the school or another vendor. School stores may stock required personal and consumable items and make such items available to students for voluntary purchase. Schools may not require students to purchase an item directly from the school store.

Clothing: In addition to school guidelines about general appropriateness of attire, school buildings may require students to furnish and wear non-specialized clothing meeting general guidelines for the specified courses and activities, if the guidelines are reasonably related to the course. Each school's clothing guidelines shall be submitted to the District for approval and publication in the student handbook.

Musical Instruments: Students who take an elective band course shall be required to supply their own instrument or rent an instrument, except those students who qualify under part 3 of this policy. For those students qualifying under part 3 the district shall not be required to provide for the use of a particular type of musical instrument for any student. The District shall supply the music for such courses.

1. Personal supplies related to musical instruments including, but not limited to, items such as reeds, cork lubricant, pipe cleaners, cleaning cloths and other supplies of general upkeep and considered personal consumable items shall be the responsibility of the student.
2. Schools may require students to furnish their own musical instruments, stands, music and specialized attire for participation in extracurricular music organizations and activities.

Lost or damaged school property: A school may require a student to reimburse the school district for repair or replacement of school district property, which is entrusted to the student and is lost or damaged, as well as property of the district damaged through the acts of a student.

The Board of Education authorizes assessment of fines for damaged, lost or overdue books purchased by the district and loaned to students free of charge.

Donations: The District may request donations of money, materials, equipment or attire to help defray costs of educational programs. The request for donations will clearly indicate the request as a donation and not a requirement.

Yearbook: Students may be charged for the purchase of a yearbook.

Food: Students may be charged a fee for the purchase of breakfast and/or lunch. Students may be charged for the cost of food, beverages, and the like that students purchase from a school store, a vending machine, a booster club or similar sources. Students may be required to bring money or food for field trip lunches and similar activities.

Student files and records: Fees may be charged for copies of student files or records. Parents of students have the right to inspect and review the student's files or records without the payment of a fee, and no fee shall be charged to search for or retrieve any student's files or records.

PART TWO:

Student Fee Fund: Fees that are charged to students pursuant to PART ONE, shall be deposited into the Student Fee Fund and expended for the purpose for which they were collected from students.

PART THREE:

Waiver of Student Fees: Fees that are charged pursuant to PART ONE, subsections A and C shall be waived for students who qualify for participation in the free or reduced-price lunch program under United States Department of Agriculture child nutrition programs. Actual participation in the free and reduced-price lunch program is not required to qualify for waivers in this section. All students shall be provided forms at the beginning of each school year, upon enrollment in the District, or at the request of the student, which provide the necessary information and permit the District to use this information to determine eligibility for fee waiver. Criteria for fee waiver will be the same as the criteria for participation in the free and reduced-lunch program. Application forms for fee waivers are available from each building principal. Once the school district has received a student's completed fee waiver application form, and has verified the student's eligibility, waiver of

the fee shall be granted for the student. The district is not obligated to provide any particular type or quality of equipment or other material to eligible students.

Any disciplinary action taken by staff must be consistent with the requirements of other applicable laws, including but not limited to the IDEA, Section 504, and Title IX.

In this policy, references to "Principal" shall include building principals, the principal's designee, or other appropriate school district administrators.

Any statement, notice, recommendation, determination, or similar action specified in this policy shall be effectively given at the time written evidence thereof is delivered personally to or upon receipt of certified or registered mail or upon actual knowledge by a student or his or her parent or guardian.

Any student who is suspended or expelled from school pursuant to this policy may not participate in any school activity during the duration of that exclusion including adjacent school holidays and weekends. The student activity eligibility of a student who is mandatorily reassigned shall be determined on a case-by-case basis by the principal of the building to which the student is reassigned.

Pre-Kindergarten through Second Grade Students

Notwithstanding any other provision of this policy, an elementary school shall not suspend a student in pre-kindergarten through second grade unless the student brings a deadly weapon as defined in section 28-109 on school grounds, in a vehicle owned, leased, or contracted by a school being used for a school purpose or in a vehicle being driven for a school purpose by a school employee or his or her designee, or at a school-sponsored activity or athletic event. As an alternative to suspension, the school district may take any action authorized by law, including those provided in section 79-258.

Makeup Work for Suspended Students

Any student who is suspended must be given an opportunity to complete any classwork and homework missed during the period of suspension, including, but not limited to, examinations (“makeup work”). Any makeup work must be completed and turned in within 2 school days after completion of the suspension. This makeup guideline shall be provided to the student and a parent or guardian at the time of suspension. Suspended students may not be required to attend the school’s alternative program for expelled students in order to complete classwork or homework.

Short-Term Suspension

The Principal may exclude students from school or any school function for a period of up to five school days (short-term suspension) on the following grounds:

1. Conduct constituting grounds for expulsion as hereinafter set forth; or,
2. Other violations of rules and standards of behavior adopted by the Board of Education or the administrative or teaching staff of the school, that occur on or off school grounds, if such conduct interferes with school purposes or there is a connection between such conduct and school.

The following process applies to short-term suspension:

1. The Principal shall make a reasonable investigation of the facts and circumstances. Short-term suspension shall be imposed only after a determination that the suspension is necessary to help any student, to further school purposes, or to prevent an interference with school purposes.
2. Prior to commencement of the short-term suspension, the student will be given oral or written notice of the charges against the student. The student will be advised of what he or she is accused of having done, be given an explanation of the evidence the authorities have, and be given an opportunity to explain the student's version of the facts.
3. Within 24 hours or such additional time as is reasonably necessary following the suspension, the Principal will send a written statement to the student, and the student's parent or guardian, describing the student's conduct, misconduct or violation of the rule or standard and the reasons for the action taken. An opportunity will be given to the student, and the student's parent or guardian, to have a conference with the Principal ordering the short-term suspension before or at the time the student returns to school. The Principal shall determine who, in addition to the parent or guardian, is to attend the conference.
4. Students who are short-term suspended will be given the opportunity to complete classwork including but not limited to examinations or other forms of student work showing academic progress.

Emergency Exclusion

Students may be emergency excluded from school pursuant to the board's separate policy on emergency exclusion or state law.

Exceptions Regarding Firearms and Weapons. The only exceptions for a student to bring or possess a weapon, including a firearm, are as follows:

1. The issuance of firearms to or possession of firearms by members of the Reserve Officers Training Corps when training or
2. Firearms which may lawfully be possessed by the person receiving instruction under the immediate supervision of an adult instructor who may lawfully possess firearms.

The superintendent of schools and the board of education shall have the authority to modify the expulsion requirement on a case-by-case basis.

Consequences – Weapon. State law and this policy provide that any student who violates this policy by knowingly bringing, possessing, handling or transmitting a weapon, other than a firearm, on school grounds, in a school owned vehicle, or at a school activity or event off school grounds may be suspended on a long-term basis, mandatorily reassigned, or expelled for the remainder of the school year in which the expulsion takes effect (if the misconduct occurs during the first semester) or the remainder of the second semester, summer school, and the first semester of the following school year (if the misconduct occurs during the second semester).

Long-Term Suspension

Students may be excluded by the Principal from school or any school function for a period of more than five school days but less than twenty school days (long-term suspension) for any conduct constituting grounds for expulsion as hereinafter set forth. The process for long-term suspension is set forth below.

Expulsion

1. **Meaning of Expulsion.** Expulsion means exclusion from attendance in all schools, grounds and activities of or within the system for a period not to exceed the remainder of the semester in which it took effect unless the misconduct occurred (a) within ten school days prior to the end of the first semester, in which case the expulsion shall remain in effect through the second semester, or (b) within ten school days prior to the end of the second semester, in which case the expulsion shall remain in effect for summer school and the first semester of the following school year, or (c) unless the expulsion is for conduct

specified in these rules or in law as permitting or requiring a longer removal, in which case the expulsion shall remain in effect for the period specified therein. Such action may be modified or terminated by the school district at any time during the expulsion period.

2. **Summer Review.** Any expulsion that will remain in effect during the first semester of the following school year will be automatically scheduled for review before the beginning of the school year. The review will be conducted by the hearing officer who conducted the initial expulsion hearing, or a hearing officer appointed by the Superintendent in the event no hearing was previously held or the initial hearing officer is no longer available or willing to serve, after the hearing officer has given notice of the review to the student and the student's parent or guardian. This review shall be limited to newly discovered evidence or evidence of changes in the student's circumstances occurring since the original hearing. This review may lead to a recommendation by the hearing officer that the student be readmitted for the upcoming school year. If the school board or board of education or a committee of such a board took the final action to expel the student, the student may be readmitted only by action of the board. Otherwise the student may be readmitted by action of the Superintendent.
3. **Suspension of Enforcement of an Expulsion:** Enforcement of an expulsion action may be suspended (i.e., "stayed") for a period of not more than one full semester in addition to the balance of the semester in which the expulsion takes effect, and as a condition of such suspended action, the student may be assigned to a school, class, or program/plan and to such other consequences which the school district deems appropriate.
4. **Alternative School or Pre-expulsion Procedures.** The school shall either provide an alternative school, class or educational program for expelled students or shall follow the pre-expulsion procedures outlined in NEB. REV. STAT. 79-266.
5. **Conclusion of Expulsion.** At the conclusion of an expulsion, the school district will reinstate the student and accept non duplicative, grade-appropriate credits earned by the student during the term of expulsion from any Nebraska accredited institution or institution accredited by one of the six regional accrediting bodies in the United States.

 - d. A description of the hearing procedures provided by the act, along with procedures for appealing any decision rendered at the hearing;
 - e. A statement that the principal, legal counsel for the school, the student, the student's parent, or the student's representative or guardian has the right (i) to examine the student's academic and disciplinary records and any affidavits to be used at the hearing concerning the alleged misconduct and (ii) to know the identity of the witnesses to appear at the hearing and the substance of their testimony; and

If a hearing is requested within five days after receipt of the notice, the Superintendent shall recommend appointment of a hearing examiner within two school days after receipt of the hearing request. The student or the student's parent or guardian may request designation of a hearing examiner other than the hearing examiner recommended by the superintendent if notice of the request is given to the superintendent within two school days after receipt of the superintendent's recommended appointment. Upon receiving such request, the superintendent must provide one alternative hearing examiner who is not an employee of the school district or otherwise currently under contract with the school district and whose impartiality may not otherwise be reasonably questioned. The student or the student's parent or guardian must, within five school days, select a hearing examiner to conduct the hearing who was recommended or provided as an alternative hearing examiner, and shall notify the superintendent in writing of the selection. The superintendent must appoint the selected hearing examiner upon receipt of such notice.

7. The hearing shall be held within a period of five school days after appointment of the hearing examiner but such time may be changed by the hearing examiner for good cause with consent of the parties. 6. The report is required or requested by law enforcement or the county attorney.

EMERGENCY EXCLUSION

Grounds for Emergency Exclusion. Any student may be excluded from school in the following circumstances subject to the procedural provisions governing short term suspension found elsewhere in these policies or state law:

(a) If the student has a dangerous communicable disease transmissible through normal school contacts and poses an imminent threat to the health or safety of the school community; or

(b) If the student's conduct presents a clear threat to the physical safety of himself, herself, or others, or is so extremely disruptive as to make temporary removal necessary to preserve the rights of other students to pursue an education.

Any emergency exclusion shall be based upon a clear factual situation warranting it and shall last no longer than is necessary to avoid the dangers that prompted the exclusion.

Extension of Exclusion. Pursuant to the Student Discipline Act, the principal has the authority to exclude a student from school for up to five school days on an emergency basis. If the superintendent or superintendent's designee determines that it is appropriate to consider the extension of an exclusion beyond five days, such consideration shall be made according to the procedures set forth below.

Notification of Student's Parent(s) or Guardian(s). The superintendent or the superintendent's designee shall notify the student's parent(s) or guardian(s) that the principal has proposed the extension of the exclusion. If the initial notice is oral, the superintendent shall confirm it in writing.

Opportunity to Request a Hearing. The student's parent(s) or guardian(s) may submit an oral request for a hearing on the proposed extension of the exclusion within two school days of receiving the initial notice. If the initial request for a hearing is oral, they shall confirm the request in writing.

Failure to Request a Hearing. If the parent(s) or guardian(s) do not request a hearing within two school days of receiving oral or written notice, the proposed extension of the exclusion shall automatically go into effect.

Appointment and Qualifications of a Hearing Examiner. If the parent(s) or guardian(s) request a hearing, the superintendent shall appoint a hearing examiner upon receiving a request for a hearing. The hearing examiner may be any person who did not bring charges against the student, is not to be a witness at the hearing, and has no involvement in the charge.

Hearing Examiner's Notice to Parent(s) or Guardian(s). The hearing examiner shall promptly give written notice of the time, date and place of the hearing. The hearing will be held within five school days after the school district receives the initial oral or written request; provided, the hearing may be held more than five school days after receipt of the request upon a showing of good cause. No hearing will be held on less than two (2) school days' notice unless otherwise agreed to by the student's parent(s) or guardian(s) and school officials.

Continued Exclusion. If a hearing is requested, the principal may determine in his or her sole discretion that the student shall remain excluded from school until the hearing officer makes a recommendation to the superintendent.

Examination of Student's Records and Affidavits. Prior to the hearing, the student and his/her

parent(s) or guardian(s) shall have the right to examine and have school officials explain the student's records and any affidavits that will be used by school officials at the hearing.

Attendance at Hearing. The hearing may be attended by the hearing examiner, the principal (or designee), the student, and the student's parents or guardian(s). The student may be represented at this hearing by a representative of the family's choice.

Student's Witness(es). The student and his/her parent(s) or guardian(s) may ask any person with knowledge of the events leading up to the sanction or with general knowledge of the student's character to testify on behalf of the student. If school personnel or other students are requested to testify by the student's parent(s) or guardian(s), the hearing officer shall endeavor to help obtain the presence of such witnesses at the hearing.

Right to Know Issues and Nature of Testimony. The student and his/her parent(s) or guardian(s) have the right to request in advance of the hearing the issues which the administration will propose in support of the extension, and the general nature of the testimony of any administrative or expert witnesses.

Presence of Student and Witnesses at the Hearing. The student and witnesses may be excluded at the discretion of the hearing examiner in accordance with state statutes. The student may speak in his/her own defense and may be questioned on such testimony, but may choose not to testify.

Sworn or Affirmed Testimony. The principal or his or her designee shall present evidence supporting the recommended extension of the exclusion. Witnesses will give testimony under oath of affirmation, and may be questioned.

Hearing Examiner's Report and Recommendations. The hearing examiner shall prepare a report of his or her findings and recommendations, and forward the report to the superintendent.

Superintendent's Decision. The superintendent will review the hearing examiner's report and determine whether to extend the exclusion. He or she shall have the decision delivered or sent by registered or certified mail to the student, the student's parent(s), or guardian(s). If the superintendent decides to extend the exclusion, the extension will take effect immediately.

ACADEMICS

INSTRUCTIONAL MATERIALS AND ACTIVITIES

The District will provide access to textbooks and other curriculum materials used in Ralston schools for parental review. If any materials appear questionable to a parent / guardian, a request may be made to have the material reviewed by a panel of teachers and parents. It is Ralston Public School's intent to keep parents well informed. Parents and guardians are welcome at any assembly, counseling session, or other special educational activity. Please contact the building principal prior to the event to ensure space may be provided.

STUDENT ASSISTANCE TEAMS

When a student experiences difficulties with learning or behavior in school, the teacher will consult the student's parent(s). If the problem persists the teacher or other school personnel may also seek the advice or suggestions of other teachers. Sharing of expertise among educators whether the problem is simple or complex, often promotes desirable solutions. At each elementary school, appropriate personnel, referred to as the Student Assistance Team (S.A.T.), meet regularly to assist in providing the most desirable education opportunities for the students.

The S.A.T. usually consists of regular educators including the student's teacher, parent(s), and other personnel who may be appropriate to consider the problem at hand. Staff members who will be included on the team are general education classroom teachers, administrators and school counselors or reading specialists. Special

education staff may be involved occasionally as needed. Parents will receive a notice and be involved throughout the SAT process.

The goal of the team is to share information in a problem-solving discussion. The classroom teacher will bring evidence to demonstrate the difficulty occurring within the classroom. As a team, the members will discuss possible causes for the difficulty. After a cause has been identified team members will give recommendations. The recommendations will become interventions. Once the interventions have been identified, persons responsible will be identified as well as a timeline. Generally a S.A.T. intervention will be tried for approximately 30-45 hours of intervention. This allows for accurate data collection on whether the intervention was appropriately identified and successful. At the end of approximately 30-45 hours of intervention a S.A.T. 2 meeting will occur. At this meeting results of the interventions will be shared. The team will determine if the appropriate level of success has been reached. Additional interventions may be put in place and monitored for another 30-45 hours of intervention. If the team feels that appropriate interventions have been in place and the child is not making significant progress a further recommendation for testing may be made. Parents are encouraged to participate and be involved throughout the entire S.A.T. process.

FIELD TRIPS

Students in prekindergarten through sixth grade will have the opportunity to participate in field trips throughout their educational experience. Information about specific field trips where students leave the building will be sent home to parents and guardians prior to the field trip. This includes transportation to other buildings for school-related events (e.g. concerts, orientation, etc.). Parents/guardians will sign a permission slip sent home by the teachers.

On field trips, parents are not typically able to ride the bus due to the limited amount of space on the bus. Therefore, if parents/guardians plan on attending field trips, they may be asked to provide their own transportation.

PREKINDERGARTEN

Ralston Public Schools offers prekindergarten programming in all elementary buildings. Prekindergarten Handbooks are provided to each parent/guardian over the summer before school begins. Prekindergarten screenings are held in the spring and summer for the following school year. For information please contact the District Office at 402-331-4700.

CHILD FIND NOTICE

Ralston Public Schools has an ongoing goal of locating and identifying all children, birth through age 21, who have special needs. The district will provide any child or youth who has a disability an appropriate public education at no cost to the parents of the child. Children or youth with disabilities are those who have hearing impairments, vision impairments, behavioral disorders, deafness, blindness, health impairments, specific learning disabilities, mental disabilities, autism, or traumatic brain injuries. In addition, children and youth with any disability which substantially limits a major life activity may receive modifications to allow them access to an appropriate education (Section 504 of the Rehabilitation Act, as amended).

Ralston Public Schools requests your help in locating children and youth with disabilities who are eligible to benefit from Special Education. If you know of a child or youth who is a resident of the District, who may have a disability and is not receiving needed services, please contact the Director of Student Services, 8545 Park Drive, Ralston, NE 68127.

COMPLAINT REGARDING PRINTED MATERIALS

Patrons, students or faculty members desiring to make a complaint about any textbook, workbook, or materials used within the Ralston School system should file a written complaint with the building principal. Each building principal serves as a chairperson of a committee composed of faculty, librarian, and lay citizens who will review

each complaint on an individual basis and make a decision based upon this review. All decisions are subject to review by the Superintendent of Schools. Patrons in disagreement with the decision reached by the committee and/or the Superintendent may appear before the Board of Education with their complaint.

MEALS

BREAKFAST / LUNCH PROGRAM

Each elementary school will provide a hot lunch for students in grades kindergarten through six for a nominal fee. Students are encouraged to eat at school by purchasing a hot lunch, or they may bring a sack or cold lunch.

The Ralston Public Schools use a finger scan system to provide security for your students meal account. All students are assumed to be eligible to participate in this system unless notified by the parent/guardian that they wish to exclude their student. All parents/guardians wishing to exclude their student from this program should contact their school secretary and request exclusion.

The cost for a hot lunch is \$2.60 per meal. All hot lunch trays include a carton of milk. Any student who is allergic to milk will be offered a substitute. To qualify for this substitution a written statement from a doctor stating the student is unable to drink milk must be on file in the office of the school.

Students bringing a cold lunch may purchase milk for \$.50 or juice for \$.50. Carbonated/soda drinks with cold lunches are discouraged.

All Ralston elementary schools offer breakfast. The cost is \$1.55. Parents are strongly encouraged to use the online lunch payment option and to maintain a positive balance in the student's account. For information on how to sign up for and use this option please visit the school's website and click on the "Online Lunch Payment" button.

Any parent wishing to eat with their child will follow the school visitation policy outlined in the Student/Parent Handbook. Anyone planning to eat at school should call the school office by 8:30 a.m. to be included in that day's lunch count. Adult meals cost \$2.60 for breakfast and \$3.35 for lunch.

A free and reduced price lunch program is available for those qualifying. The cost is \$.40 for a reduced lunch and \$.30 for a reduced breakfast. Application forms for this program were mailed in August to the parents/guardians of students enrolled in the school district. Additional forms are also available in the school office.

COMPULSORY ATTENDANCE AND EXCESSIVE ABSENTEEISM

Required Attendance

Every person residing in the school district who has legal or actual charge or control of any child who is of mandatory attendance age shall cause that child to attend a public or private school regularly unless the child has graduated from high school or has been allowed to disenroll pursuant to this policy.

Mandatory Attendance Age

All children who are or will turn six years old before January 1 of the current school year are of mandatory attendance age. Children who have not turned eighteen years of age are of mandatory attendance age.

Exceptions

This policy does not apply when temporary illness or severe weather conditions make attendance impossible or impracticable.

A child who will not reach age 7 before January 1 of the current school year may be excused from mandatory attendance if the child’s parent or guardian completes an affidavit affirming that alternative educational arrangements have been made for the child. A copy of the required affidavit is attached to this policy.

Discontinuing Enrollment – 5 Year Old Students

The person seeking to discontinue the enrollment of a student who will not reach six years of age prior to January 1 of the current school year shall submit a signed, written request to the superintendent using the form which is attached to this policy. The school district may request written verification or documentation that the person signing the form has legal or actual charge or control of the student. The school district shall discontinue the enrollment of any student who satisfies these requirements. Any student whose enrollment is discontinued under this subsection shall not be eligible to re-enroll in this school district until the beginning of the following school year unless otherwise required by law.

Discontinuing Enrollment – 16 and 17 Year Old Students

Only children who are at least 16 years of age may be disenrolled from the district. The person seeking to discontinue the child’s enrollment shall submit a signed, written request and submit it to the superintendent using the form which is attached to this policy. The district will follow the procedures outlined on the attached form in considering requests to disenroll.

Only children disenrolling to attend a non-accredited school may be exempt from this policy. The person with legal or actual charge or control of the child must provide the superintendent with a copy of the signed request submitted to the State Department of Education for attending non-accredited schools. The superintendent may confirm the validity of the submission with the State Department of Education.

Attendance Officer

Each building principal is designated as an attendance officer for the district. Each building principal, at his or her discretion, may delegate these responsibilities to any other qualified individual. The attendance officer is responsible for enforcing the provisions of state law relating to compulsory attendance. This responsibility includes but is not limited to filing a report with the county attorney of the county in which a student resides. Compensation for the duties of attendance officer is included in the salary for the superintendent or designee.

Excessive Absenteeism

When a student receives 5 unexcused absences or the hourly equivalent in any semester, the Attendance Officer will follow the attached procedure for addressing barriers to the student’s attendance. When a student is absent more than twenty days per year or the hourly equivalent and any portion of the absences is unexcused, the Attendance Officer may/must file a report with the county attorney of the county in which the student resides. For example, if the student accumulates 23 days of excused absences due to documented illness and is tardy one time, the Attendance Officer shall file a report with the appropriate county attorney.

LEAVING BEFORE THE END OF THE DAY

Students leaving school early must be signed out by a parent/guardian. Students must check out of the office prior to them leaving the building. We encourage you to contact the school via written or phone communication to notify the staff of the early departure if possible.

If a student must leave school during school hours for a doctor’s appointment or other valid reason please note:

- Students leaving the school prior to dismissal must report to the office before leaving the building.
- Depending upon time of day this could count as an absence.

RELEASE OF STUDENT TO NON-CUSTODIAL PARENT

As specified in current law, **the school may release a student to a non-custodial parent** unless a court order specifically barring such a release has been filed in the school office. A current, original court document must be brought to the school office for copying. The non-custodial parent will be required to provide a valid driver's license to confirm their identity.

Nebraska Compulsory Attendance Law

Every person residing in a school district within the State of Nebraska who has legal or actual charge or control of any child who will reach six (6) years of age prior to January 1 of the current school year and did not reach sixteen (16) years of age prior to July 16, 2005, and has not reached eighteen (18) years of age shall cause such child to attend regularly the public, private, denominational, or parochial day schools each day that such schools are open and in session except when excused by school authorities, unless such child has graduated from high school, or unless such child has reached the age of sixteen (16) and such child's parent or guardian has signed a notarized release disenrolling the child on a form provided by the school.

SCHOOL PROPERTY & STUDENT SAFETY

SAFETY

Instruction in safety practices begins in every elementary classroom the first day of school and continues throughout the year. The home and school must work together until safe living is a natural practice of the child. Parents should constantly set an example of safety for their children. You can do your part by helping your children learn the following:

The student will...

- go directly home after school.
- walk the safest route to and from school.
- look and be sure the way is clear before crossing the street.
- cross the street only at marked crossings.
- stay on the sidewalk. Avoid lawns, vacant lots, etc.
- walk on the left side of the street if there are no sidewalks.
- observe and obey traffic rules.
- get in and out of the car on the curbside.
- make safe choices when crossing the street and in the parking lot.
- observe the rules of good bicycle riding.
- cross railroad tracks at proper places and make safe choices while near the tracks.
- leave items on the ground that belong on the ground.
- refuse all gifts, invitations or rides from strangers.
- obey general safety rules.

SAFETY DRILLS

Students and staff will practice routine safety drills. During a fire drill all people in the building are required to leave.

During tornado drills all students will receive instructions concerning safe areas of the building and precautions

to be followed during a tornado.

BICYCLE RULES

All bicycles must be placed in the bicycle rack immediately upon arrival at school. No riding is permitted on school grounds. Bicycles must be chained and padlocked to the bicycle rack. **The school assumes no responsibility for theft or vandalism that occurs to bicycles.**

INCLEMENT WEATHER - SCHOOL CLOSING/CONSIDERATIONS

When the Superintendent or his representative deems it necessary to close school for all or part of the day, notice will be provided through the Blackboard calling system and local radio and television stations. When school is dismissed during the school day, parents may pick up their students or they will be sent home by regular means (bus or walk). Be sure to communicate to your building's office if your contact or emergency information changes.

As a general guideline students will participate in outdoor activities unless the **wind chill is 10° F or below**, above 95 degrees Fahrenheit, or precipitation necessitates students remaining indoors. The building principal may restrict outside activity when inclement weather is present in concern for the health and safety of students and staff.) The Safety Patrol may not be on duty in the case of extreme weather conditions.

ANIMALS ON SCHOOL GROUNDS

Animals are not allowed in school district buildings or on school district property without the written permission of the superintendent except as provided in this policy. See Board Policy 3046 regarding Service Animals and Therapy Dogs for more information.

MEDICAL

Health Services & Regulations

A school nurse or health aide is available at all times during the school day. If a student is not feeling well during school hours they should:

- Tell the teacher and obtain a pass to the Health Office, you must have a pass to go to the Health Office. Please do not go to the Health Office during passing periods.
- When, because of illness or injury to a student, it becomes inadvisable for the student to remain in school, a parent/guardian will be contacted by telephone and requested to come to school to pick up their student. If a parent/guardian can not be contacted, the emergency number that has been furnished to the school will be used. The person

picking up the student must do so **within one hour of being contacted.**

-If parent/guardian/emergency contact can not be contacted and it is the opinion of the school officials that further medical aid is needed immediately, a rescue squad will be called, at the parents expense, and the student will be transported to the nearest hospital.

-Under no circumstances will an ill or injured student be allowed to leave school on their own without parental permission.

Please review your child's records to make sure your child has obtained the needed immunizations prior to enrollment. Please check with your child's physician or contact the Douglas County Health Department for information on immunization clinics that are available (444-7213). You may also contact the school nurse if you have questions regarding the law or need assistance in getting your child's immunizations.

Nebraska School Law dictates that your child will not be able to enroll unless dates of immunizations are provided to the school at the time of enrollment.

FIRST AID

The school attempts to provide a safe environment for your child. First aid will be administered when appropriate. Any treatment beyond first aid is the responsibility of the parents.

IMMUNIZATIONS

Nebraska School Law (79.217-223) requires that all students be immunized against diphtheria, pertussis, tetanus, poliomyelitis, measles, rubella, mumps, Hepatitis B, and 2 doses or year of infection for Varicella **PRIOR TO ENROLLMENT.** Affidavits for religious or medical reasons are available in the school office.

All students will need to have on file at least 3 DTP, 3 Polio, and 2 doses of MMR (Measles, Mumps, and Rubella) immunizations; 3 doses of pediatric hepatitis B vaccine, or, if the alternate hepatitis B vaccination schedule is used, 2 doses of a licensed adult hepatitis B vaccine specified for adolescents 11-15 years of age, 2 doses or year of infection for varicella (chicken pox).

Kindergarten, seventh grade and all out-of-state transfer students are required to have dates on file for the following immunizations: 3 DTP, 3 Polio, 2 MMR, 3 Hepatitis B, 2 doses or year of infection for varicella (chicken pox). 7th Graders are required to have an additional Tdap booster (contains Pertussis booster).

MEDICATION

Administering Medication to Students

Whenever possible, parents should arrange medication schedules to eliminate the need for giving medication during school hours. When it is necessary for school personnel to administer medication to students, the school district will comply with the Nebraska Medication Aide Act, the requirements of Title 92, Nebraska Administrative Code, Chapter 59, (promulgated by the Nebraska Department of Education and entitled Methods of Competency Assessment of School Staff Who Administer Medication), and all state and federal regulations. Parents and guardians who wish to have their child receive medication from school personnel must comply with the following procedures:

1. Prescription medication

- a. Parents/guardians must provide a physician's written authorization for the administration of the medication.
- b. Parents/guardians must sign an Authorization for Medication form provided by the school.
- c. The medication must be brought to school by a responsible adult in the prescription container and must be properly labeled with the student's name, the physician's name, and directions for administering the medication.

2. Nonprescription/over the counter medication.

- a.. Parents/guardians must sign an Authorization for Medication form provided by the school.
- b.. The medication must be brought to the school by a responsible adult in the manufacturer's container, and will be kept in the Health Office.
- c.. The container must be labeled with the child's name and with directions for provision or administration of the medication.

All medications must be brought into the Health Office by an adult. If a student rides the bus, an adult can hand the medication to the bus driver, who can then give it to a staff member at the school dropoff.

The district reserves the right to review and decline requests to administer or provide medications that are not consistent with standard pharmacological references, are prescribed in doses that exceed those recommended in standard pharmacological references, or that could be taken in a manner that would eliminate the need for giving them during school hours. The district may request parental authorization to consult with the student's physician regarding any medication prescribed by such physician.

At the end of the school year, if there is any medication left over, a responsible adult must pick this up from the Health Office. Any medication left after the school year has completed, will be properly disposed of.

The district will not purchase, prescribe, or provide any form of medication to any student.

The district will stock and use naloxone, when necessary in accordance with policy 3051.

PHYSICAL EXAMINATIONS

The State of Nebraska requires a birth certificate and evidence of a physical examination by a qualified physician for all incoming kindergartners, seventh graders, and all out-of-state transfer students.

Kindergarten students are required to have an eye examination by a qualified medical professional prior to enrollment.

Evidence of a physical examination must be dated no more than six months prior to entrance, and must be on file prior to the first day of school. **This is a state law.**

If there is objection to a physical examination, a refusal form must be signed and dated at the school by the parent/guardian.

CHRONIC CONDITIONS

It is the parent/guardian's responsibility to notify the school health office of any chronic conditions that students may have including, but not limited to, asthma, allergies, diabetes, heart conditions, lung conditions, or seizures. The school may require a physician's order for treatment or a signed emergency action plan to assist staff in managing these chronic conditions at school. Also very important, is to keep the school notified of any changes in the student's condition.

COMMUNICABLE DISEASES

The School District of Ralston will use the communicable disease regulations set up by the State of Nebraska and local Health Departments concerning children with communicable diseases and their attendance at school.

SUMMARY OF COMMUNICABLE DISEASES AND CONTAGIOUS CONDITIONS

Fever

Children will be sent home if they have a fever of 100 degrees or higher. Children must be fever free for 24 hours prior to returning to school with no medication given.

Vomiting

Children will be sent home if they vomit due to illness. Children must be free from vomiting for 24 hours prior to returning to school.

Chicken Pox - By direct contact and airborne spread.

Approximately 2 weeks, but may be as long as 3 weeks, after exposure a susceptible person may be expected to "break out" with their first crop of blister-like eruptions. New eruptions can be expected to continue for 3-4 days. Students will be excluded from school for 7 calendar days, starting from the time of the first eruption. Due to the degree of severity, the student may stay out of school longer. Students may be sensitive to their appearance even when they are no longer contagious, causing their absence to be longer than 7 calendar days. Secondary infections after apparent recovery may occur. Cellulitis (skin disorder) and Bacteremia (blood poisoning) are the most common kinds of secondary infections. Complications as described below with measles may also occur.

Measles - (Rubella, Red or Hard Measles) By direct contact, droplet spread and less commonly by airborne spread.

Approximately 10 days after exposure a susceptible person may develop a fever. Within 2-3 days a red blotchy rash will develop, usually starting on the face and neck and becoming generalized. A dry, hacky cough will develop at the same time. This is a serious disease. Students are excluded from school until the 7th day after the initial appearance of the rash. Parents should be cautioned not to send children back to school too soon as complications such as ear infections leading to hearing loss, decreased visual acuity, pneumonia, and encephalitis are not uncommon.

Mumps - By direct contact and droplet spread.

Approximately 18 days after exposure a susceptible person may develop a fever and swelling or tenderness of one or more salivary glands. Students are excluded from school for 9 calendar days from the onset of swelling; complications may occur as above plus some including reproductive organs.

Rubella - By direct contact and droplet spread, may be airborne. (German or 3-day Measles)
Approximately 18 days after exposure a susceptible person may suffer from a low-grade fever, headache, feeling sluggish and cold-like symptoms. Most victims will manifest a rash. Diagnosis may be difficult if a rash is not present. Students should be excluded for 5 calendar days after onset of rash. This disease is highly contagious, but usually mild.

Impetigo, Scabies, and Ringworm

To be excluded from school upon recognition. To be readmitted when there is no longer evidence of contagion, or upon a written statement from physician or phone call from doctor's office indicating that the condition is under treatment and no longer considered contagious.

Pediculosis - (Head lice)

To be excluded when live vermin and/or eggs are present. To be readmitted the morning after treatment is started. Treatment consists of lice shampoo and nit comb. All family members and close contacts that attend school may be inspected by the nurse.

Pinkeye

To be excluded from school upon recognition. May return with a written doctor's statement or phone call from the doctor's office after prescribed treatment or when the eye is normal in appearance.

Fifth Disease

To be excluded upon recognition. May return with a written doctor's statement or phone call from the doctor's office. Characteristically begins on the face and classically produces an intensely red "slapped cheek" appearance. A lace-like rash may appear on the trunk and upper extremities.

The school district recognizes the importance of parental and guardian involvement in the education of their children. The school district will take the following steps to ensure that the rights of parents and guardians to participate in the education of their children are preserved.

1. Parents/Guardians will be provided access, as described in district procedures, to district-approved textbooks and other curricular materials and tests used in the district upon request.
 - a. A parental request to review specific approved textbooks and other district- or building-approved curricular materials (written, visual, and audio) should be made to the principal of the building where the textbooks and curriculum materials are used.
 - b. Parents may check out textbooks and may review curricular materials such as video and audio recordings within a time frame determined by the building principal to prevent disruption of the instructional process.
 - c. A parental request to review specific standardized and criterion- referenced tests used in the district should be made in writing to the building principal. Copies of the most recent tests used in the district will be available for parent review. Parents wishing to review statewide NSCAS assessments will be provided with sample questions and a copy of a practice test, but will not be provided with copies of the actual assessment due to testing security. In the case of other secure tests such as the ACT, parents must contact the publisher to obtain copies of the test.
2. Parents/Guardians will be permitted, within district procedures, to attend and observe courses, assemblies, counseling sessions, and other instructional activities.
 - a. Parents/guardians are invited to make appointments with the building principal to visit classes, assemblies, and other instructional activities. The principal shall give permission after determining that parental/guardian observation would not disrupt the activity. Observations that last more than 60 minutes or occur on consecutive days are typically disruptive and will not be permitted absent unusual circumstances, at the sole discretion of the building principal.
 - b. Parents/guardians may contact the building principal to request permission to attend counseling sessions in which their child is involved.
3. Parents/guardians will be permitted, within district procedures, to ask that their children be excused from school experiences that parents find objectionable.

5. Parents/guardians will be informed of the standardized and criterion-referenced district testing program. Parents may request additional information from the building principal.
6. Parents/guardians will be informed of the circumstances under which they may opt-out of state and federal assessments.

- a. In accordance with federal law, at the beginning of the school year, the District shall provide notice of the right to request a copy of this policy to parents/guardians of students attending schools receiving Title I funds. The District will provide a copy of this policy to a requesting parent in a timely manner.
- b. State Assessments
The District cannot approve requests to opt out of state assessments. Approval of such requests is contrary to state law.
- c. National Assessment of Educational Progress
As a condition of receiving federal funds, the District participates in the National Assessment of Educational Progress (NAEP). To help ensure that the District has a representative sample of students taking the NAEP, which will allow the District to assess the quality and effectiveness of its programming on a national level, the District strongly encourages all eligible students to participate. WEBSITES

District, School, & Teacher

Ralston Public Schools district website address is www.ralstonschools.org. Some of the services provided include school and teacher websites, Board of Education, calendars, community connections, enrollment, handbooks, lunch menus, online lunch payment, student services, & instructional resources.

GOOGLE APPS FOR EDUCATION. Ralston Public Schools actively uses Google Apps for Education(GAFE). The applications that students have access to include gmail, calendars, and drive. All students grades 3-12 have an email account. Each account is password protected. All students K-12 have a drive account. The drive app includes the ability to create documents, spreadsheets, presentations, and drawings. GAFE gives all our students equal access to the same products. The only requirement for the student is internet access.

R-KIDS. All Ralston schools offer the R-KIDS (Ralston Knowledge, Information, Data Site) online grading. This site will encourage greater communication between the school, teacher, student, and parent. Grades are a way for students, teachers and parents to communicate the progress and achievement level of each student. An on-line grading system enhances this communication and creates a more efficient way for parents and students to monitor their progress in school. Teachers will post grades in a timely manner, based upon the assignment and the teacher's schedule. Parents are encouraged to monitor their child's progress by checking the system weekly. Please note that some classes may not have graded assignments each week. When a student is missing an assignment/assessment, the incomplete box will be checked. Once the work is made up, the grade will be entered and the late box will be checked.

What is an Acceptable Usage Policy? An acceptable use policy (AUP), is a set of rules applied by the owner or manager of a network, website or large computer system that restrict the ways in which the network, website or system may be used. AUP documents are written for corporations, businesses, universities, schools, internet service providers, and website owners, often to reduce the potential for legal action that may be taken by a user, and often with little prospect of enforcement. See reverse side for Ralston's AUP.

Ralston's Acceptable Use Policy

The use of school-owned technology, including computers, whether stand-alone, as a part of a local area network, or as part of a wide area network such as the Internet, is a privilege, not a right, and must be consistent with and driven by the educational objectives of the Ralston School District.

The Ralston School District exercises exclusive control over all school-owned technology, and students should not expect privacy regarding their use of any such equipment or network because school property is subject to search and inspection at any time by school officials. This search and inspection includes, but is not limited to, electronic mail, Internet access, file storage and transfer. Students are responsible for whatever is contained in computer files assigned to them.

Students using computers connected to the Internet, an international computer network, are able to access computers and people all over the world. The Ralston School District does not condone student access to any unsuitable materials which exist on the Internet. The Ralston School District recognizes that it cannot control the information on other computer systems and that it may not be physically possible to screen out all such inappropriate information and materials. All student Internet activities are subject to being monitored.

The Ralston School District makes no warranties of any kind, whether expressed or implied, for the technological services it provides. The District will not be responsible for any damages a user suffers. This includes loss of data.

Technology will be supplied for student use on an “as is, as available” basis. The availability of on-line resources does not indicate endorsement of their contents by the Ralston School District. The District specifically denies any responsibility for the accuracy or quality of information obtained through the Internet.

The purchase of services or merchandise through the Internet, including the use of credit cards by students through District technological services is prohibited. The Ralston School District shall not be liable for any costs arising out of such transactions.

The Ralston School District will not be responsible for any liability or expense the user may incur in connection with the use of District technology. The user agrees to indemnify (hold harmless) the Ralston School District for any expenses, including attorney’s fees, arising out of the use of District technology in violation of this agreement.

It is the responsibility of the parents/guardians to establish and convey the standards that their child should follow. In support of parents/guardians, the Ralston School District will enforce the minimum appropriate technology use standards set in the Technology Procedures (Code of Ethics for Technology).

ON-LINE GRADING SITE

R-KIDS (Ralston Knowledge, Information, Data Site) on-line grading enhances communication between the school, teacher, student, and parent. It also creates a more efficient way for parents and students to monitor their progress in school. Teachers post grades in a timely manner and parents are encouraged to monitor their child’s progress by checking the system weekly. R-KIDS is available for all students in grades kindergarten through twelve. Parents can register for R-KIDS by visiting Ralston Public Schools website at www.ralstonschools.org.

CELL PHONES AND OTHER ELECTRONIC DEVICES (Policy 6025)

Students are prohibited from using cellular phones or other electronic devices while at school, except as provided in this policy or as deemed appropriate by a student’s education team.

Students attending Ralston Middle or any Ralston Elementary schools are prohibited from using their cell phones or electronic devices unless given express permission by a faculty member during school hours.

By bringing their cell phones and other electronic communication devices to school, students consent to the search of said devices by school staff when permitted by law.

Students may not have cell phones or electronic devices on while they are in locker rooms, restrooms, or any other area in which others may have a reasonable expectation of privacy.

The taking, disseminating, transferring, or sharing of obscene, pornographic, lewd, or otherwise illegal images or photographs, whether by electronic data transfer or otherwise (including things like texting, sexting, e-mailing, etc.) may constitute a crime under state and/or federal law. Any person engaged in these activities while on school grounds, in a school vehicle or at a school activity will be subject to the disciplinary procedures of the student code of conduct.

While on school property, at a school activity, or in a school vehicle, students may not use their cell phones or electronic devices to bully, harass, or intimidate any other person as governed by the student code of conduct.

Students shall be personally and solely responsible for the security of their cell phones and pagers. The district is not responsible for theft, loss or damage of a cell phone or any calls made on a cell phone.

Students may use cell phones or other technology in classrooms only with the express permission of the classroom teacher.

Students are strictly prohibited from sending, sharing, viewing, or possessing pictures, text messages, emails or other material of a sexual nature in electronic or any other form on a computer, cell phone, or other electronic device while at school. Students who possess prohibited material on their cell phone or other electronic device while at school shall be subject to disciplinary consequences as articulated by the student handbook.

Students who violate this policy or other school rules may have their cell phones or electronic devices confiscated. The administration will return confiscated devices to the offending student, after discussing the rule violation with the student. Students who violate this policy may, at the discretion of the school's administration, be subject to additional discipline, up to and including suspension.

- xi. Students shall not configure or troubleshoot computers, networks, printers or other associated equipment, except as directed by a teacher or the system administrator.
- xii. Students shall not take home technology equipment (hardware or software) without permission of the system administrator.

III. Enforcement

A. Methods of Enforcement

- i. The district monitors all Internet communications, Internet usage and patterns of Internet usage. Students have no right of privacy to any Internet communications or other electronic files. The computer system is owned by the school district. As with any school property, any electronic files on the system are subject to search and inspection at any time.
- ii. The school district uses a technology protection measure that blocks access to some Internet sites that are not in accordance with the policy of the school district. Standard use of the Internet utilizes a proxy server-based filter that screens for non-curriculum related pages.
- iii. Due to the nature of filtering technology, the filter may at times filter pages that are appropriate for student research. The system administrator may override the technology protection measure for the student to access a site with legitimate educational value that is wrongly blocked.
- iv. The school district staff will monitor students' use of the Internet through direct supervision and by monitoring Internet use history to ensure enforcement of the policy.

B. Consequences for Violation of this Policy

- i. Access to the school's computer system and to the Internet is a privilege, not a right. Any violation of school policy and rules may result in:

 2. Short-term suspension;
 3. Long-term suspension or expulsion in accordance with the Nebraska Student Discipline Act; and
 4. Other discipline as school administration and the school board deem appropriate.
- ii. Students who use school computer systems without permission and for non-school

purposes may be guilty of a criminal violation and will be prosecuted.

- IV. Children's Online Privacy Protection Act (COPPA)
 - A. The school will not allow companies to collect personal information from children under 13 for commercial purposes. The school will make reasonable efforts to disable advertising in educational computer applications.

3059 Audio and Video Recording

Students, staff, parents/guardians, and patrons should assume that any class or activity in the school may be recorded by the school district for legitimate educational purposes. There is no reasonable expectation of privacy within classrooms, common areas of the school building or on school grounds outside of the building. Recordings permitted pursuant to this policy may only be used for authorized purposes and may not be republished without additional, written consent from a school administrator. For purposes of this policy "recording" includes still photographs, video, audio, and other similar data captured in any medium.

Secret Recordings. No person is permitted to make surreptitious recordings on school grounds unless authorized by the superintendent.

Recordings Made by The District. The district may use cameras or other devices for purposes of making security, safety, or other recordings when such recordings are deemed necessary or appropriate by an authorized representative of the district. The district will not maintain recordings unless the recording is purposefully copied and saved. Any recording not copied and maintained separately may only be accessible by the authorized representative for a limited time. Recordings made by the district may be destroyed by an authorized representative at any time unless retention is required by law.

Recordings Made by Parents/Guardians and Patrons. Parents/guardians and patrons may make recordings of school activities in a non-disruptive manner including things like athletic contests and school board meetings to the extent permitted by law unless otherwise lawfully restricted by the administration. Parents/guardians or patrons may not make recordings if they are volunteering or visiting school during the school day without permission of the administration or supervising staff member and subject to this policy, such as recording their child's classroom activities or recess. Parents may record meetings with administrators or staff, including meetings related to a student's IEP or 504 plan provided they give prior notification of their intent to record. Violation of this policy will result in immediate termination of any meeting that is being recorded

and may be grounds for exclusion from school property, loss of volunteer privileges, or other restrictions deemed appropriate by the administration.

Recordings Made by Staff. Staff members may make recordings of classroom instruction, student behavior or performance, and school activities without prior administrative approval only for legitimate educational purposes. Staff members may not make secret recordings while on duty, even if those recordings do not violate state or federal criminal or privacy laws. Staff members who violate this provision may be subject to consequences up to termination for classified staff and cancellation of contract for certificated staff.

Recordings Made by Students. This policy applies to students during the school day on school grounds; when being transported to and from school activities or programs in a vehicle owned, leased, or contracted by a school being used for a school purpose by a school employee or by his or her designee; or at a school-sponsored activity or athletic event. Students may make recordings of school activities in a non-disruptive manner including things like athletic contests and other extracurricular performances to the extent permitted by law. Students generally are not permitted to record classroom instruction or members of the school community during the school day without the express consent of a staff member or as required by the student’s education plan. Student use of assistive technology that has the capacity to record and/or transmit recordings (e.g. AngelSense) must be approved by the student’s education team or administration. Students remain subject to all other district policies and rules. In no event shall recordings be taken or made in restrooms, locker rooms, or other areas where there is a reasonable expectation of privacy.

POLICIES & PROCEDURES

POLICY 5022 INVESTIGATIONS, ARRESTS & OTHER STUDENT CONTACT BY LAW ENFORCEMENT OR HEALTH & HUMAN SERVICES

The school district and its administrators and staff desire to maintain a positive working relationship with law enforcement officers and other representatives of governmental bodies in the discharge of their duties. However, this desire must be balanced against other equally important factors such as a student’s legal rights, ensuring that a student’s time spent in school is for education, and acknowledging that the school stands *in loco parentis* to the students.

“Law enforcement officer” means police officers, county sheriffs, state patrolmen, Health and Human Service workers, Child Protective Services workers, Office of Juvenile Services workers, probation officers, U.S. Immigration and Customs Enforcement (ICE) agents, Federal Bureau of Investigations agents, or any other government investigatory workers.

“Parent” means the biological or adoptive mother or father, guardian, responsible relative, or any other person who has claimed legal or actual charge or control of the student pursuant to Nebraska law or Title 92 Nebraska Administrative Code Chapter 19.

Law enforcement officers are encouraged whenever possible to talk to a student away from the school before or after school hours so as to cause as little disruption as possible to the student's education.

Law enforcement officers may be called to the school at the request of school administration, or they may initiate contact with the school for their own purposes. Contact between the school and law enforcement officers on matters involving students shall be made through the office of the superintendent or building principal and the law enforcement officer. All reasonable attempts should be made to avoid embarrassing the student before his or her teachers and peers, and to avoid disrupting the student's and school's education program. Any questioning by law enforcement officers that is permitted should be conducted in a private room or area where confidentiality can be maintained. This should be an area removed from observation by or contact with other pupils and school personnel.

School staff shall promptly notify the superintendent when a student is questioned, arrested, or removed from school grounds by law enforcement officers.

School Related Criminal Activity. This section applies to alleged or suspected criminal activity that occurs on school grounds; in a vehicle owned, leased, or contracted by a school being used for a school purpose or in a vehicle being driven for a school purpose by a school employee or by his or her designee; or at a school-sponsored activity or athletic event.

Law enforcement officers will be allowed to contact and question students at school regarding school related criminal activity as provided below.

The building principal must be notified before a student may be questioned in school or taken from a classroom by law enforcement. The building principal should request identification of the officers, their affiliation with the identified law enforcement agency, and whether their purpose is to interview, interrogate, or take custody of the student.

The building principal will make reasonable attempts to contact a student's parent for their consent and/or presence before the student is interviewed. In the event that a parent cannot be contacted after reasonable attempts, the student will be questioned only if the law enforcement officer identifies emergency circumstances requiring immediate questioning. A building principal or designee shall be present for such questioning. The student will be brought to a private room and the contact will be made out of sight of others as much as practicable.

If the student is suspected of criminal activity, it is the responsibility of the law enforcement officer to advise a student of his or her rights against self-incrimination.

If at any time the district's representative believes that the questioning is being conducted in an inappropriate manner and clearly contrary to the rights of the student, then the representative shall request that the law enforcement activities cease. The building principal will also make another attempt to contact the student's parents.

The building principal shall document steps taken to notify parents, summarize the law enforcement activities, identify the actions taken by the District on behalf of the student, and any further contacts with law enforcement officers.

Non-School Related Criminal Activity. Law enforcement officials may not question students at school unless parental consent is obtained or the law enforcement authorities have a warrant or court order.

Taking a Student into Custody. Law enforcement officers seeking custody of a student must contact the superintendent or building principal. The principal will request the arresting law enforcement officer to provide

a copy of the arrest warrant, written parental consent, court order, or other document giving authority to take the student into legal custody. If there is no document presented, the principal should obtain the officer's name, badge number identifying the law enforcement agency, date, time, the reason for the arrest, and the place to which the student is reportedly being taken. Whenever practicable, the arrest or release of the student should be conducted in a location and in a manner that minimizes observation by others.

When a law enforcement officer removes a student from the school, the building principal will take immediate steps to notify the parent about the student's removal and the place to which the minor is reportedly being taken, except when a minor has been taken into custody as a victim of suspected child abuse.

Child Abuse and Neglect. When law enforcement officers seek to investigate reports of alleged child neglect or abuse regarding a student, the building principal shall obtain a proper identification from the authorities or officials. If a student interview is conducted on school grounds, the building principal or designee and such other school personnel as appropriate shall observe the interview.

If the law enforcement officer decides to remove the student from school, school officials shall provide the law enforcement authorities with the address and telephone number of the student's parent or guardian. The principal or other school official shall, as a condition of releasing the student to the law enforcement officer, require the officer to sign a statement certifying that the child is being removed from school premises because he or she is believed to be the victim of child abuse and that the officer understands and will comply with the legal requirements of NEB. REV. STAT. § 79-294.

Student Records. Student records will be shared with law enforcement officers only as allowed by state and federal law.

NOTICE OF NON-DISCRIMINATION

The school district does not discriminate on the basis of race, color, national origin, religion, marital status, sex, pregnancy, gender identity, gender expression, sexual orientation, disability, or age in its programs and activities and provides equal access to the Boy Scouts and other designated youth groups. The following person has been designated to handle inquiries regarding the nondiscrimination policies:

Name: Dr. Ryan Pivonka
Title: Director of Human Resources and School Improvement
Address: 8545 Park Drive, Ralston, Nebraska 68127
Telephone: 402-898-3483
E-mail: ryan_pivonka@ralstonschools.org

For further information on notice of nondiscrimination, please visit <http://wdcrobcolp01.ed.gov/CFAPPS/OCR/contactus.cfm> for the address and phone number of the office that serves your area, or call 1-800-421-3481. For additional prohibited discrimination and related information, please review school district Policy 3053 – Nondiscrimination

PARENT CONCERN PROCEDURES

The policy of the Ralston School District is to solve problems at the level at which they occur. If a parent has a concern about anything that has happened at school, they should contact the person who has the most information about the matter. In most instances this will be the student's classroom teacher. Parents/guardians are encouraged to work with building principals to bring about resolution(s).

When a concern relates to a special area (such as physical education, music, art or media) that teacher should be

contacted. If, after conferencing with the teacher, a satisfactory solution has not been reached, the principal of the building should then be contacted.

RECORDS AVAILABLE FOR REVIEW

Parents/guardians may review their child's files and records at any time. The building principal is responsible for maintaining and protecting the privacy of such files. Outside agencies, such as, but not limited to, physicians, probation officers, psychologists, child guidance clinics, and other reputable agencies who are working with the child, may access these files with parental/guardian consent or by court order. (Policy 5016)

Schools are required to provide information concerning the progress and activities of a student to the custodial and non-custodial parent equally, unless restricted by court order. If a restriction is to apply, a copy of the certified court order outlining the rights and restrictions must be placed on file in the school office. A copy of the school's files or records concerning a student will be provided at no charge, upon request, to any public or private school to which the student transfers. The building principal may authorize a total charge of \$1.00 for copies of student records that are not being mailed to another school district for transfer purposes.

GRIEVANCE PROCEDURE FOR DISCRIMINATION CLAIMS

Grievances, complaints, and communications should be initiated and processed in the following manner. This procedure is to be followed for any and/or all alleged acts of discrimination.

1. If a student has a grievance or complaint, the person should present the matter to the building principal in an effort to resolve the problem informally. The grievance or problem should be signed and dated by the building principal.
2. If the principal has the authority to resolve the problem it will be done as quickly as possible. If the principal does not have the authority it shall be reported to the superintendent in a timely manner.
3. Within 10 days, if the principal has not resolved the grievance, the aggrieved party may provide a written, signed, and dated copy of the grievance to the superintendent.
4. Within 10 days of the superintendent's decision, the aggrieved party may provide a written, signed, and dated copy of the grievance to the president of the board of education. The superintendent may also provide a copy of the grievance to the president of the board of education if the superintendent believes the problem is policy and not administration.
5. The Board of Education shall make an investigation, either as a board or as a committee, and shall provide the aggrieved party an opportunity to appear before the full board in person, either privately or accompanied by legal counsel, with the right to present facts and witnesses in full hearing. At the conclusion of the investigation, the Board of Education shall, within 30 calendar days, render its determination in writing.

COMPLAINT PROCEDURE

Good communication helps to resolve many misunderstandings and disagreements. This complaint procedure applies to complaints unless the complaint is subject to a different procedure required by law, policy or contract. Individuals who have a complaint should discuss their concerns with appropriate school personnel in an effort to resolve problems at the lowest level of the chain of command. When those efforts do not resolve matters satisfactorily, including matters involving discrimination or harassment on the basis of race, color, national origin, sex, marital status, disability, or age, a complainant should follow the procedures set forth in any specific policy addressing those areas or the procedures set forth below. Allegations of sex discrimination covered by Title IX will be addressed through the board's Title IX policy. References to "coordinator" in this policy refer to the board-designated coordinator for the applicable area, such as the Section 504 Coordinator for allegations of disability-based discrimination. A preponderance of the evidence will be required to discipline a party accused of misconduct.

This means that the investigator must conclude that it is more likely than not that misconduct occurred.

Complaint and Appeal Process.

1. The first step is for the complainant to speak directly to the person(s) with whom the complainant has a concern. For example, a parent who is unhappy with a classroom teacher should initially discuss the matter with the teacher. However, the complainant should skip the first step if complainant reasonably believes speaking directly to the person would subject complainant or complainant's student to discrimination or harassment.

2. The second step is for the complainant to speak to the building principal, coordinator, superintendent of schools, or president of the board of education, as set forth below. Anyone with questions about the appropriate person to speak with may request clarification from the superintendent.

a. Complaints about the operation, decisions, or personnel within a building should be submitted to the principal of the building.

b. Complaints about the operations of the school district or a building principal should be submitted in writing to the superintendent of schools.

c. Complaints about the superintendent of schools should be submitted in writing to the president of the board of education.

d. Complaints involving discrimination or harassment on the basis of race, color, national origin, sex, marital status, disability, or age may also be submitted at any time during the complaint procedure to the applicable coordinator. Complaints involving discrimination or harassment may also be submitted at any time to the Office for Civil Rights, U.S. Department of Education: by email at OCR.KansasCity@ed.gov; by telephone at (816) 268-0550; or by fax at (816) 268-0599.

3. When a complainant submits a complaint to an administrator or coordinator, the administrator or coordinator shall first determine whether another applicable procedure is required by policy or law and if so, direct the complaint to the appropriate person to follow that procedure. If not, the administrator or coordinator will promptly and thoroughly investigate the complaint, and shall:

a. Determine whether the complainant has discussed the matter with the respondent.

i. If the complainant has not, urge the complainant to discuss the matter directly with the respondent, if appropriate.

ii. If the complainant refuses to discuss the matter with the respondent, the administrator or coordinator shall, in his or her sole discretion, determine whether the complaint should or must be pursued further.

b. Strongly encourage the complainant to reduce his or her concerns to writing.

c. Interview the complainant and, if necessary, the respondent against whom the complaint is filed, to determine:

i. All relevant details of the complaint;

ii. All witnesses and documents which the complainant believes support the complaint;

iii. The action or solution which the complainant seeks.

d. Respond to the complainant. If the complaint involves discrimination or harassment, the response shall be in writing and shall be submitted within 180 calendar days after the administrator or coordinator receives the complaint.

4. If either the complainant or the respondent is not satisfied with the decision he or she may appeal the decision to the superintendent. The superintendent may assign a qualified designee to hear any appeal. This provision applies to appeals under the board's policies governing complaints of discrimination or harassment, including Title IX and any other policy with a separate grievance or complaint procedure, unless that other procedure includes its own appeal process. All requirements for appeals within any other policy apply, and in addition to those requirements, the following also apply:

a. The appeal must be in writing.

b. This appeal must be received by the superintendent no later than three (3) calendar days from the date of the decision.

c. For complaints addressed through other applicable procedures that do not include a separate investigatory process, the superintendent will investigate as he or she deems appropriate.

d. The superintendent will prepare a written decision and provide it to the complainant and any other person entitled by law to receive the appeal decision. For complaints involving

discrimination or harassment, the superintendent shall submit the decision within 180 calendar days after the superintendent received complainant's written appeal. Appeals to the superintendent from complaints involving discrimination or harassment are final once the superintendent delivers the written decision, as are all other appeals/complaints to the superintendent unless the complaint can be appealed on the limited grounds to appeal to the board below.

5. The board's role is to set policy, establish and implement a budget, and evaluate the superintendent. The board does not manage the daily operations of the school district entrusted to its administration unless required by law or policy. Because of the board's statutory roles, it does not hear complaints or appeals that may involve oversight or discipline of students, staff, or others, unless those involve the superintendent as discussed below. The board does not hear complaints or appeals based on allegations of discrimination or harassment unless otherwise required by law. The board will hear appeals only in the following circumstances:

- a. When the complaint is about a board policy, not implementation of the policy
- b. When the complaint involves the budget or school expenditures that have been or must be approved by the board; or
- c. When the board is required by law, policy, or contract to hear a complaint or appeal. If a complaint involves those limited grounds and a party is not satisfied with the superintendent's decision regarding the complaint or appeal, he or she may appeal the decision to the board.
- d. This appeal must be in writing.
- e. This appeal must be received by the board president no later than ten (10) calendar days from the date the superintendent communicated his/her decision to the complainant.
- f. This policy allows, but does not require the board to receive statements from interested parties and witnesses relevant to the complaint appeal. However, all matters involving discrimination or harassment allegations against the superintendent shall be promptly and thoroughly investigated by the board president or a designee.
- g. The board president will notify the complainant and any other person legally required to receive the decision in writing of its decision. If the complaint involves discrimination or harassment allegations against the Superintendent, the board president shall submit the decision within 180 calendar days after receiving the written appeal.
- h. There is no appeal from any decision of the board unless authorized by law.

6. Formal complaints about the superintendent shall be filed with the president of the board. However, complaints about the superintendent do not include disagreement with the superintendent's decision on appeal based on a complaint of discrimination, harassment, or action of any other employee who is not the superintendent. Upon receipt of a complaint, the board president or his or her designee shall promptly and thoroughly investigate the complaint, and shall:

- a. Coordinate with school district staff, other than the superintendent, to determine in another procedure in policy or law requires the complaint against the superintendent to follow another procedure. If so, the board president will coordinate handling the complaint through that procedure. If another procedure applies, such as in the case of allegations of sex discrimination against the superintendent, the board president or, at his or her discretion, the full board will serve only to hear any appeal by a party to the complaint.
- b. Determine whether the complainant has discussed the matter with the superintendent.

i. If the complainant has not, the board president or designee will urge or require the complainant to discuss the matter directly with the superintendent, if appropriate or required.

ii. If the complainant refuses to discuss the matter with the superintendent, the board president shall, in his or her sole discretion, determine whether the complaint should or must be pursued further.

- c. Determine, in his or her sole discretion, whether to place the matter on the board agenda for consideration at a regular or special meeting by the full board.
- d. Respond to the complainant or appeal. If the complaint or appeal involves discrimination or harassment, the response shall be in writing and shall be submitted within 180 calendar days after the president received the complaint.
- e. Appoint or contract with other individuals qualified to assist the board through this process or any other applicable procedure used to address allegations against the superintendent.

No Retaliation. The school district prohibits retaliation against any person for filing a complaint or for participating in the complaint procedure in good faith.

Special Rules Regarding Educational Services and Related Services to Students with

Disabilities. Students with disabilities and their families have specific rights outlined in state and federal law, including administrative processes by which they may challenge the educational services being provided by the school district. Therefore, the appeal process contained in this policy may not be used to challenge decisions made by a student’s individualized education plan (IEP) team or 504 team.

Complaints about the educational services provided to a student with a disability, including but not limited to services provided to a student with an IEP, access to curricular and extracurricular activities, and educational placement must be submitted to the school district’s Director of Special Education. - b. for the purpose of adding administrative burden;
- c. at a volume unreasonable to expect satisfactory resolution; or

 - The length of the relationship.
 - The type of relationship.
 - The frequency of interaction between the persons involved in the relationship.
- **Domestic violence**, as defined in 34 U.S.C. § 12291(a)(8), which includes felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws of the jurisdiction.

Reporting Sexual Harassment. Any person who witnesses an act of unlawful sexual harassment is encouraged to report it to the district’s Title IX Coordinator. district personnel will not retaliate against any individual based on any report of suspected sexual harassment. Any district employee who receives a report of sexual harassment or has actual knowledge of sexual harassment must convey that information to the Title IX Coordinator as soon as reasonably practicable, but in no case later than the end of the following school day.

Response to Sexual Harassment

General Obligations. When the district has actual knowledge of sexual harassment in its education program or activity against a person in the United States, the district will respond promptly in a manner that is not deliberately indifferent. For the purposes of this policy “education program or activity” includes locations, events, or circumstances over which the district exercised substantial control over both the respondent and the

context in which the sexual harassment occurs. The district's ability to impose discipline for off-campus misconduct does not necessarily constitute "substantial control" over the respondent and the context. The district's response to an allegation of sex harassment will treat complainants and respondents equitably.

Limitations on Discipline. No respondent will have disciplinary sanctions imposed upon him/her until the conclusion of the formal grievance process described below.

Emergency Removal. Disciplinary sanctions do not include removal on an emergency basis where the respondent is an immediate threat to the health or safety of another as a result of allegations of sexual harassment. The district also may place any employee on administrative leave during the pendency of the grievance process below.

Grievance Process for Formal Complaints of Sexual Harassment

General Obligations. All Title IX team members and individuals carrying out district obligations will comply with the regulatory requirements of objective evaluations, avoiding conflict of interest or bias, training, and protection of legally privileged information.

Presumption. It is presumed that the respondent is not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process.

Grievance Procedure

Time Frames. The district will resolve grievances in a time frame that is reasonably prompt. Good cause for delay may include considerations such as the absence of a party, a party's advisor, or a witness; concurrent law enforcement activity; or the need for language assistance or accommodation of disabilities.

Range of Possible Sanctions and Remedies. At the conclusion of the grievance process, the district may impose disciplinary sanctions and remedies in conformance with this and the district's student discipline policy, and other state and federal laws. Depending upon the circumstances, these policies provide for disciplinary sanctions and remedies up to and including expulsion and/or immediate discharge from employment.

Separation of Roles. The decision-maker cannot be the same person as the Title IX Coordinator or the investigator(s).

Notice of Allegations. Upon receipt of a formal complaint, the district will provide notice of this policy and the allegations to all parties. The notice will include sufficient details known by the district at that time to provide sufficient time to prepare a response before any initial interview. Sufficient details, if known by the district, include the identities of the parties involved in the incident, the conduct allegedly constituting sexual harassment, and the date and location of the alleged incident. The district will provide notice of additional allegations revealed during an investigation to the parties.

Dismissal of Formal Complaint. The district **must** dismiss a formal complaint if the conduct alleged in the formal complaint, would not constitute sexual harassment even if proven; did not occur in the district's education program or activity; or if the conduct alleged did not occur against a person in the United States.

The district **may** dismiss the formal complaint if, at any time during the investigation or hearing, the complainant notifies the Title IX Coordinator in writing that the complainant would like to withdraw the formal complaint or any allegations therein; the respondent is no longer enrolled in or employed by the district; or specific circumstances prevent the district from gathering evidence sufficient to reach a determination as to the formal complaint or allegations therein.

Upon a dismissal, the district will promptly send written notice of the dismissal and an explanation of that action

simultaneously to the parties.

Dismissal of a formal complaint under this policy does not preclude the district from taking action under another provision of the district's code of conduct or pursuant to another district policy.

Investigation of Formal Complaint. When investigating a formal complaint and throughout the grievance process, the district will designate and authorize one or more persons (which need not be district employees) as investigator(s) to conduct the district's investigation of a formal complaint. The district may consolidate formal complaints where the allegations of sexual harassment arise out of the same facts or circumstances.

The district will bear the burden of gathering evidence sufficient to reach a determination regarding responsibility. All parties will have an equal opportunity to present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence. The district may not restrict the ability of either party to discuss the allegations under investigation or to gather and present relevant evidence.

All parties will have the same opportunity to be accompanied by the advisor of their choice in any meeting or grievance proceeding. This policy does not relieve the advisor of choice of any other applicable legal obligations or limitations. The district may establish restrictions regarding the extent to which the advisor may participate in the proceedings, as long as the restrictions apply equally to both parties.

The district will provide written notice of the date, time, location, participants, and purpose of all investigative interviews or other meetings, with sufficient time for the party to prepare to participate.

All parties will have an equal opportunity to inspect and review evidence obtained as part of the investigation if that evidence is directly related to the allegations raised in a formal complaint. The parties will have no less than 10 calendar days to review the evidence and submit a response. The investigative report will fairly summarize the relevant evidence and the investigator will send the finalized report to all parties and their advisors.

Determination Regarding Responsibility. Before the district reaches a determination regarding responsibility, each party may submit written, relevant questions of any party or witness. The decision-maker will provide each party with the answers, and allow for additional, limited follow-up questions from each party. Questions and evidence about the complainant's sexual predisposition are never relevant. Questions about the complainant's prior sexual behavior are only relevant if those questions and evidence are offered (1) to prove that someone other than the respondent committed the conduct alleged by the complainant, or (2) are offered to prove consent and concern specific incidents of the complainant's prior sexual behavior with respect to the respondent. If the decision-maker decides to exclude a question because it is not relevant, he/she will explain the basis for that decision.

The decision-maker will issue a written determination regarding responsibility no sooner than ten days after the parties receive the final investigative report. The decision-maker will apply the preponderance of the evidence standard. The written determination will include:

- Identification of the allegations potentially constituting sexual harassment;
- A description of the procedural steps taken from the receipt of the formal complaint through the determination, including any notifications to the parties, interviews with parties and witnesses, site visits, and methods used to gather other evidence;
- Findings of fact supporting the determination;
- Conclusions regarding the application of the district's code of conduct to the facts;
- A statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility, any disciplinary sanctions the district imposes on the respondent, and whether remedies

designed to restore or preserve equal access to the district's education program or activity will be provided by the district to the complainant; and

- The district's procedures and permissible bases for the complainant and respondent to appeal.

The district will provide the written determination to the parties simultaneously. If neither party timely appeals, the determination becomes final. If a party appeals, the determination will become final on the date that the district provides the parties with the written determination of the result of the appeal.

Appeals. The district will offer both parties the opportunity to appeal from a determination regarding responsibility, and from the district's dismissal of a formal complaint or any allegations therein, on the grounds identified below.

Time for Appeal. Appeals may only be initiated by submitting a written Notice of Appeal to the Office of the Superintendent of Schools no later than 5:00 pm on the fifth calendar day after the written determination is issued. The Notice of Appeal must include (a) the name of the party or parties making the appeal, (b) the determination, dismissal, or portion thereof being appealed, and (c) a concise statement of the specific grounds upon which the appeal is based. A party's failure to timely submit a Notice of Appeal will be deemed a waiver of the party's right to appeal.

Grounds for Appeal. Appeals are limited to the following grounds:

- Procedural irregularity that affected the outcome of the matter;
- New evidence that was not reasonably available at the time the determination or dismissal was made that could affect the outcome of the matter; and
- The Title IX Coordinator, investigator(s), or decision-maker had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that affected the outcome of the matter.

The district will notify other parties in writing when an appeal is filed; implement appeal procedures equally for all parties; and ensure that the decision-maker for the appeal is not the same person as the decision-maker, the investigator(s), or the Title IX Coordinator.

The district will give both parties a reasonable, equal opportunity to submit a written statement that supports or challenges the outcome; issue a written decision describing the result of the appeal and the rationale for the result; and provide the written decision simultaneously to both parties.

Informal Resolution. The district may informally resolve allegations without completing the grievance procedure with the written consent of all parties. The process may not be used when allegations involve an employee harassing a student. As part of this process, the district will provide to the parties in writing a notice stating:

- the allegations;
- the requirements of the informal resolution process including the circumstances under which it precludes the parties from resuming a formal complaint arising from the same allegations;
- that at any time prior to agreeing to a resolution, any party has the right to withdraw from the informal resolution process and resume the grievance process with respect to the formal complaint; and
- any consequences resulting from participating in the informal resolution process, including the records that will be maintained or could be shared.

Recordkeeping. The district will maintain the following records for a period of seven years:

- Each sexual harassment investigation including any determination regarding responsibility, any disciplinary sanctions imposed, and any remedies provided;
- Any appeal and its result;
- Any informal resolution and its result; and
- All materials used to train Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process. The district will make these training materials publicly available on its website, or if the district does not maintain a website, then the district will make these materials available upon request for inspection by members of the public.

The district will also create records documenting any actions, including any supportive measures, taken in response to a report or formal complaint of sexual harassment. In each instance, the district will document the basis for its conclusion that its response was not deliberately indifferent, and document that it has taken measures designed to restore or preserve equal access to the district's education program or activity. If the district does not provide a complainant with supportive measures, then the district will document the reasons why such a response was not clearly unreasonable in light of the known circumstances. The documentation of certain bases or measures does not limit the district in the future from providing additional explanations or detailing additional measures taken. The district will maintain these records for a period of seven years.

Retaliation Prohibited. Neither the district nor any other person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IX, 34 C.F.R. part 106, or this policy, or because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under this policy. The district will keep confidential the identity of any individual who has made a report or complaint of sex discrimination, including any individual who has made a report or filed a formal complaint of sexual harassment, any complainant, any individual who has been reported to be the perpetrator of sex discrimination, any respondent, and any witness, except as may be permitted by the FERPA statute, 20 U.S.C. § 1232g, or FERPA regulations, 34 C.F.R. part 99, or as required by law, or to carry out the purposes of 34 C.F.R. part 106, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder. Complaints alleging retaliation may be filed according to shall be addressed pursuant to Board Policy 2006 (Complaint Procedure).

The exercise of rights protected under the First Amendment does not constitute retaliation prohibited by this section. Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a grievance proceeding under this part does not constitute retaliation prohibited under this section, provided that a determination regarding responsibility alone is not sufficient to conclude that any party made a materially false statement in bad faith.

Notification of Policy. The district will notify applicants for admission and employment, students, parents or legal guardians of students, employees, and all unions or professional organizations holding collective bargaining or professional agreements with the district of the existence of this policy. The requirement to not discriminate, as stated in Title IX and 34 C.F.R. part 106, in the district's education program(s) or activities extends to admission and employment, and inquiries about the application of Title IX and 34 C.F.R. part 106 to the district may be referred to the district's Title IX Coordinator, the Assistant Secretary for Civil Rights of the United States Department of Education, or both.

Publication of Policy. The district will prominently display on its website, if any, and in each handbook that it makes available to applicants for admission and employment, students, parents or legal guardians of students, employees, and all unions or professional organizations holding collective bargaining or professional agreements with the district, the name or title, office address, electronic mail address, and telephone number of the employee

or employees designated as the Title IX Coordinator(s).

Application Outside the United States. The requirements of this policy apply only to sex discrimination occurring against a person in the United States.

Scope of Policy. Nothing herein shall be construed to be more demanding or more constraining upon the district than the requirements of Title IX (20 U.S.C. § 1681) and 34 C.F.R. part 106. To the extent that the district is in compliance with Title IX and 34 C.F.R. part 106, then all of the district's obligations under this policy shall be deemed to be fulfilled and discharged.
