GREEN STAR SCHOOLS

ANNUAL REPORT 2024-2025

GREEN STAR SCHOOLS®

eco·cycle

Eco-Cycle's **Green Star Schools®** program builds on and adds to its School Recycling and Environmental Education Program.

The Green Star Schools (GSS) program introduces **compost** collection to schools, improves **recycling**, and strongly emphasizes **waste reduction** activities. It provides participating schools with extensive and ongoing support, feedback, incentives, rewards, and special projects. The Green Star Schools program is key to helping create **environmentally literate graduates**.

2024-2025 Highlights

eco-cycle GREEN STAR SCHOOLS®

68 Green Star Schools

33,730 students

4,213 school staff

up to a **67%** diversion rate

> We want to make sure that we're providing the best resources and learning environment for our students. We felt this [the Green Star Schools Program] was a really authentic way to inspire kids to be environmental stewards in our community
>
> – *Jonathan Stein, Superior Elementary Principal*

2 New Green Star Schools

Cafeteria Compost Restarts **5**

DEMOGRAPHICS

9 Title 1 School Partners

30% Free & Reduced Lunch Program

9% English Learners

37% Non-Caucasian

*see Appendix B for the full GSS demographics data

Zero Waste Supports:

Presentations & Activities	561
Lunchroom Monitoring	350
Zero Waste Event Kits Distributed	31
Zero Waste Events	18

*see Appendix C for the full GSS activities data

NEW GREEN STAR SCHOOLS

2 new Green Star Schools

1,823 students

157 school staff

The Green Star School launch process includes:

1. **Introductory Principal Meeting**
2. **Principal & Custodial Meeting**: to design the compost collection system and education delivery mechanism, discuss GSS launch logistics and a long-term plan for school community engagement.
3. **Student Group Meetings**: to encourage and support student leadership in the GSS program including an introductory meeting, cafeteria waste audit, and brainstorm of student group leadership/peer messaging.
4. **Faculty & Staff Trainings**
    a. Faculty & Staff
    b. Custodial (day and evening)
    c. Kitchen
    d. Lunchroom support staff/ paraeducators
5. **All-student education**: individual classes or grade-level.
6. **Lunchroom Monitoring**: for 3-6 weeks following student education, Eco-Cycle staff are on-site to help students learn new habits in sorting discards properly.
7. **Sorting Wheel Activities**: in lieu of a GSS launch assembly, Eco-Cycle now facilitates an activity during recess where students spin a wheel to decide if a discard item needs to be composted, recycled, or landfilled to receive a prize drawing ticket for gift cards to a local low-waste location.
8. **School Community Messaging**: including Eco-Cycle provided school announcements, a letter to the school staff, and a letter home to the parent community. New Green Star Schools also received a banner, poster, and/or custom certificate.

[View each school's new GSS launch materials here.]

Monarch High: November 2024

All City of Louisville and Town of Superior students now have the opportunity to compost and reduce waste through the Green Star Schools program!

Due to dispersed food consumption across the campus and open campus policies in high school settings, Eco-Cycle facilitated a week-long **Compost Raffle Promotion** during Monarch High's GSS launch to enhance waste diversion and increase student engagement. Students who composted food scraps, recycled, and took a few extra seconds to sort their leftovers correctly in one of the school's four cafeteria Zero Waste stations received a raffle entry for a chance to win a daily $20 gift card to a local low-waste business of their choice.

Coyote Ridge Elementary: November 2024

1st Green Star School in Adams 12 Five Star Schools!

ZERO WASTE EVENT KITS

Coyote Ridge Elementary received **3 Zero Waste Event Kits** with their Green Star Schools launch. These kits include 30 reusable cups, plates, forks, spoons, and cloth napkins, significantly reducing single-use disposable waste during classroom parties & school events!

Funding for Zero Waste Event Kits provided by the City/County of Broomfield, purchased & assembled by Eco-Cycle.

PROGRAM MAINTENANCE & SUPPORTS

To ensure a successful and sustainable Green Star Schools Program, Eco-Cycle collaborates with schools to provide annual education, on-site support, and maintain key staff relationships.

Annual GSS maintenance & support includes the following:

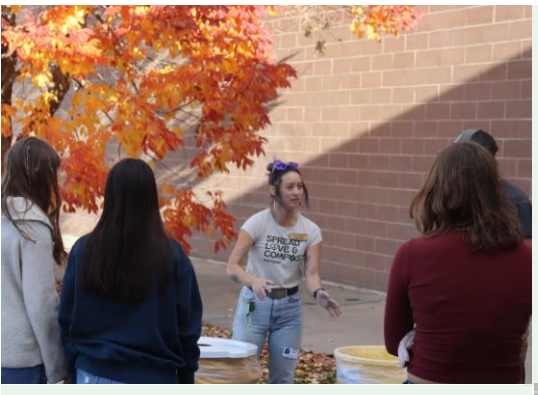

1. **Zero Waste/Sustainability Advocate:** each Green Star School has a Zero Waste/Sustainability Advocate, a school staff member who facilitates communications and needs about the Green Star Schools program with Eco-Cycle.
2. **Annual Education**: *Annual education is essential to train and refresh Green Star students and staff. It focuses on how to sort recycle, compost, and trash correctly and ways to reduce waste.*
   - **Student** GSS refresher education for K, 3rd/4th, 6th, and 9th grades to engage students at key moments throughout their schooling (with the option for refreshers for additional grade levels).
   - **School faculty and staff training** *with the option for custodial, kitchen, and paraeducator staff training as requested by district or school leadership.*
3. **New School Staff On-Boarding:** *Introductory meeting with Eco-Cycle and new school principals, head custodians, and Zero Waste/Sustainability Advocates to discuss and answer questions about their role in the GSS program.*
4. **Lunchroom Monitoring Support**
5. **Green Team & Student Group Supports**
6. **Additional Student Refreshers and Assemblies** *(upon request)*

GREEN STAR SCHOOLS TOOLKIT

The GSS Toolkit provides access to all GSS benefits, resources, and materials, all in one location. It includes the following documents:

- Becoming a Green Star School
- Green Star Schools Program Maintenance
- Green Star Schools Benefits Flyer
- Waste Reduction Tips for Classrooms and Parties Flyer
- Student Group & Green Team Supports
- Compost, Recycle, and Landfill guidelines and printable signs

View the GSS toolkits for each district here: BVSD, SVVSD, Five Star Schools

431 Green Star Schools presentations
*for **12,802** students and participants*

53 School Staff Meetings & Trainings

34 Bilingual Spanish presentations
for Columbine Elementary (Boulder) and Timberline PK-8

350 Lunchroom Supports

Eco-Cycle's Green Star Schools program allows students the opportunity to make a positive impact everyday through waste reduction actions at school. Eco-Cycle educators spend a significant amount of time on-site for lunchroom sorting support, training students at the sorting bins.

19 Green Team Meetings

Eco-Cycle meets with Green Teams/ student groups to support projects related to recycling, composting, waste reduction, and sustainability, fostering student leadership for the GSS program at their schools.

GREEN STAR SCHOOLS DIVERSION DATA

Positive Climate Impacts: 2024-2025 School Year

COMPOST

222,515 lbs

Equivalent to:

4,450.3 million worms fed
**Worms can eat ½ their body weight a day!*

- **4.71 metric tons** *(10,384 lbs)* **of methane avoided**
  - **47 belching cows**
    **cows can belch ~220 lbs of methane/year*

  - **89 passenger vehicles** driven for a year
  - **51.11 million gallons of water** saved

Green Star Schools are making a positive climate impact through everyday actions!

**Includes compost data in 46 schools: BVSD & Coyote Ridge (Five Star Schools). Compost data has not yet been reported by SVVSD's hauler.*

RECYCLE

418,398 lbs

Equivalent to:

the weight of 279 bison

- **585.95 metric tons of CO_2 reduced**
  - **137 passenger vehicles** driven for a year

  - Carbon sequestered by **9,689 tree seedlings** grown for 10 years or **588 acres of forests** in one year

**Includes recycle data in 41 BVSD schools. Recycle data has not yet been reported by Five Star Schools' and SVVSD's haulers.*

"Not only does the program support kids during the school day, but they tend to be enthusiastic about taking what they learn and sharing with their families at home as well,"

– *Alexis Bullen, Town of Superior Sustainability Manager*

ZERO WASTE EVENTS

REUSE IS THE BEST WAY TO REDUCE!

Making school events "Zero Waste" is an another way to reduce Green Star Schools' environmental impact. Not only do these efforts minimize waste generated at school events, but they also provide valuable educational opportunities for the entire school community. Students are able to share their everyday Zero Waste practices such as reusing, recycling, and composting with their families and

An important benefit of being a Green Star School is the ability to participate in Zero Waste Events. Eco-Cycle meets with event organizers to to implement the use of reusable or recyclable materials when possible, considering everything from food service, to prizes and decorations.

Eco-Cycle then provides staffing for events to help event attendees properly sort reuse, recycle, compost, and trash.

Eco-Cycle creates custom ZWE tips flyers for each event to share with families ahead of time, encouraging waste reduction at events, including tips to bring reusable bottles, utensil sets, and dinnerware. Click here for some examples.

The Celebrate More, Waste Less Flyer was also shared with all Green Star Schools and event organizers prior to party seasons to help users consider reusable and recycling options to reduce waste during school celebrations.

18 Zero Waste Events

Including all-school carnivals, dances, dinners, and sporting events

Reuse was a focus at the following events. Meals were served on reusable lunch trays or school reusables, and/or attendees brought their own reusable dinnerware for potluck-style cultural celebrations.

- **BCSIS Autumn Social**
- **BCSIS Winter Festival**
- **BCSIS Spring Carnival**
- **Fireside Multi-Cultural Celebration**
- **Summit Middle International Night**
- **Whittier Heritage Night**

ZERO WASTE MINI-GRANT PROGRAM

As a benefit of the program, Green Star Schools are able to apply for Eco-Cycle's Green Star Schools Zero Waste Mini-Grant for one of four Zero Waste Event Kits. Green Star Schools also had the option to apply for funds to replenish or expand their existing Zero Waste Event Kit for up to $125.

There was a very high level of interest in the Zero Waste Event kits, with schools expressing a strong enthusiasm for reuse to reduce waste during school meals, celebrations, and events!

The following schools were were awarded a Zero Waste Event Kit based on the impact on waste reduction for the entire school and the strength of the kit maintenance plan: **Coal Creek Elementary**, **Heatherwood Elementary**, **Horizons K-8**, **Longmont High**

The following schools were awarded materials or funds for a make your own kit: **Jamestown, University Hill, and Whittier Elementary Schools and New Vista High**.

A kit includes 30 of each, stored in a reusable bin:

- **cups**
- **plates**
- **spoons**
- **forks**
- **cloth napkins**

The Green Star Schools Zero Waste Mini-Grant is funded by Boulder County, purchased & assembled by Eco-Cycle.

HEART CONTEST!

Help the Earth And Reduce Trash

The new Green Star Schools **HEART (**Help the Earth And Reduce Trash**) Contest** encourages Green Star School Elementary students to show love for the planet, reduce trash and save natural resources through reducing, reusing, recycling, and composting during lunch. Six Green Star Schools competed in a two-week contest during the months of February- March to reduce trash, collect the cleanest compost and recycling, and retain the most reusable utensils.

The top two winning schools earned free books for all students from Eco-Cycle's CHaRMed Book Program and an Eco-Cycle facilitated recess activity with a chance for one student in each grade to win a $20 gift card. Additionally, first place also received a visit from local children's book author, Laura Resau.

6 Participating schools

- **Coyote Ridge Elementary**
- **Eisenhower Elementary**
- **Eldorado PK-8**
- **Heatherwood Elementary**
- **Superior Elementary**
- **Whittier International Elementary**

2,174 Total students

Eco-Cycle provided:

- Waste reduction presentations for all students
- Meetings with student leadership/Green teams
- Pre- and post- contest lunch audits
- A parent/school community electronic flyer (in English/Spanish) announcing school participation in the contest, including at-home waste reduction tips.
- Pre-written school-wide announcements
- A custom detailed contest summary parent/community letter for each school that celebrates successes, shares data about waste diversion along with tips on how to continue waste reduction and the Green Work after the contest. View follow-up school community letters in English and Spanish here.

Eisenhower earned 1st place with a 75% reduction in trash, no compost and recycle contaminants, and 100% retention of reusable

Heatherwood earned 2nd place with a 16% reduction in trash, 63% improvement in recycling, no compost contaminants, and 100% retention of reusable utensils.

Eisenhower and Heatherwood showed the most significant reduction in trash, collected the best compost and recycling, and returned ALL of their reusable utensils.

Coyote Ridge Elementary came in a close 3rd!

Funded by the Boulder County Resource Conservation Division

SPECIAL PROJECT

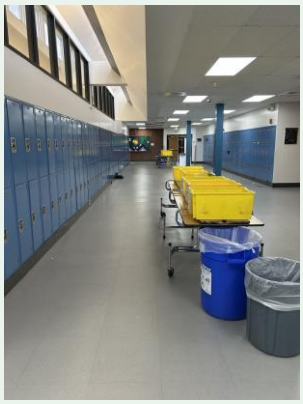

Be Part of the Climate Solution: Sort Right!

Middle and high schools face distinct waste reduction challenges due to the developmental stages of their students. To enhance waste diversion at middle and high schools, Eco-Cycle developed a pilot program to engage students in understanding the climate impacts and benefits of waste diversion. The **Be Part of the Climate Solution Sort Right!** promotion and raffle aims to improve and incentivize waste diversion at middle and high schools. Students will learn about the negative impacts of landfilling, including its contributions to climate change and how their small personal actions in sorting right at school can make a big global difference. Student education is followed by a week of Eco-Cycle on-site support to encourage participation in waste diversion at lunch through recycling, compost, and reuse. Each day students who recycle, compost, or use reusable food serviceware are randomly selected to win a gift card to a local low-waste or Zero Waste business of their choice.

Eldorado 6-8th grades participated in this promotion in conjunction with the elementary *HEART Contest*.

Funded by Boulder County's Office of Sustainability, Climate Action, and Resilience (OSCAR)

LOCKER LEFTOVERS & CLASSROOM CLEANOUT

The end-of-school-year cleanup is a big task. However, with a little advanced planning, Eco-Cycle helps schools keep valuable materials out of the landfill through the **Locker Leftovers** and **Classroom Cleanout programs**.

*The new **End-of-School-Year Cleanout Guide** (available in English and Spanish) was distributed to all 68 Green Star Schools. It is an interactive tool that helps students clean out common school supplies such as notebooks, planners, binders, pencils, art supplies, and more, the green way, by considering ways to reuse and recycle right.*

During **Locker Leftovers**, Eco-Cycle staff set-up tables and collection bins near lockers to help students sort their locker items and school supplies for recycling and reuse. During **Classroom Cleanout**, participating schools hosted an exchange table for two days at the end of the school year for unwanted school supplies. School staff and students were able to select items for reuse.

Eco-Cycle collected and sorted remaining supplies that students and staff did not recycle or reuse and donated them to a few local schools and Boulder thrift store.

**Funded by the City of Boulder and Town of Superior*

8 Locker Leftovers

Fairview High, Platt, Southern Hills, Summit, Centennial, and Manhattan Middle Schools, Eldorado PK-8 & Monarch PK-8

2 Classroom Cleanouts

Eisenhower and Mesa Elementary Schools

30 boxes of supplies were redistributed to the following schools to provide materials for students in need next year:

Fairview High, Columbine (Boulder) and Emerald Elementary Schools, Angevine, Southern Hills. Platt. and Sunset Middle Schools

SPECIAL PROJECTS

NEWSLETTER & PUBLICATIONS

Green Star Schools Newsletter

The reformatted monthly newsletter features schools' waste diversion data (BVSD only*), shares short stories of the Green Star Schools community, reduce, reuse, and recycling tips, and resources related to sustainability & Zero Waste.

- BVSD monthly GSS newsletters
- SVVSD/Five Star Schools monthly GSS newsletters

**SVVSD and Five Star Schools' haulers do not report data monthly, so their newsletters do not include monthly compost and recycling data.*

Eco-Cycle Holiday Guide

The Eco-Cycle Holiday Guide (in English and Spanish) was distributed to all 68 Green Star Schools.

Recycle & Earth Day Videos

Eco-Cycle created these Colorado Recycles Week and Happy Earth Day videos featuring GSS students to help schools recycle right and share how they take care of the Earth.

CHaRMED BOOK PROGRAM

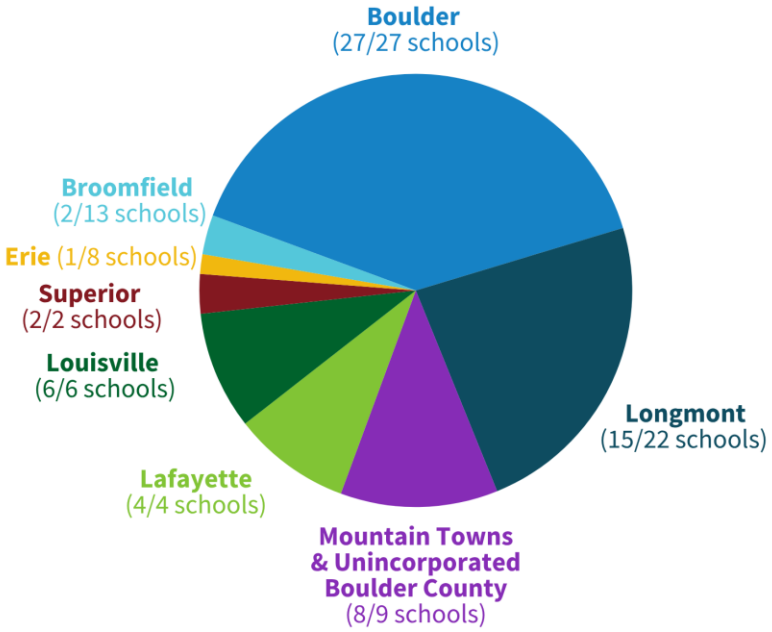

As a free benefit, Green Star Schools have access to thousands of books collected at the Eco-Cycle/City of Boulder Center for Hard-to-Recycle Materials (CHaRM) through *Eco-Cycle's CHaRMed Books* program. These books are sorted and delivered to schools, upon request, to be used for student incentives, school community events, and more, to reduce waste and promote reuse and literacy.

3,141 books gifted to Green Star Schools this year!

INCREASING ACCESS TO ZERO WASTE

Eco-Cycle continues to establish funding support and develop partnerships with more municipalities and school districts to expand access to the program, ensuring that the opportunity to learn about and participate in waste reduction activities is available to all the diverse student populations that exist in Boulder and Broomfield Counties and beyond.

42 Elementary Schools, 11 Middle Schools, 9 High Schools, 4 PK/K-8s, 1 Middle/Senior High School, 1 Early Childcare Center

Looking ahead:

- All BVSD will join the Green Star Schools program by the end of 2026!
  Eco-Cycle has secured funding from a Colorado Department of Public Health and the Environment Supplemental Environmental Project to bring the Green Star Schools program to remaining BVSD Erie and Broomfield schools.
- Expanded partnerships with Adams 12 Five Star Schools
- New partnerships with City of Lakewood and JeffCo Public Schools

In addition to **expanding geographic access**, Eco-Cycle's Green Star Schools program aims to increase accessibility in Zero Waste by:

- **Decreasing language barriers:** Eco-Cycle developed bilingual Spanish student presentation slides, supplemental activity pages, and all school community and family communications. Eco-Cycle's bilingual educator also provided Green Star Schools bilingual presentations to Spanish-speaking classes.
- **Increasing outreach to all student groups:** Eco-Cycle offers Green Star Schools presentations to ILC (Intensive Learning Classrooms)/Special Education classes during GSS launches and refresher education.

Thank you to our Green Star Schools Funders!

APPENDICES

Appendix A: Supplemental Materials

Folder of Supplemental Materials 2024-2025

Green Star Schools Toolkit

- Becoming a Green Star School
- GSS Program Maintenance
  - BVSD
  - SVVSD/ Adams 12 Five Star Schools
- Green Star Schools Benefits
- Student Group & Green Team Supports
- School Compost, Recycle, and Landfill Guides/Signs (Boulder County, Five Star Schools)

GSS Refresher/Training Videos:

- BVSD School Staff
- SVVSD School Staff
- Composting & Sorting Lunch Leftovers
- High School GSS Refresher

GSS Coloring & Activity Pages

- K-2 Be a Waste Sorting Superstar activity page (bilingual)
- 3-5th GSS Activity Pages
  - English
  - Spanish

New Green Star School Launch Materials *(school staff & bilingual community letters)*

- Coyote Ridge Elementary
- Monarch High

HEART Contest Materials:

- Sample community letter (English/Spanish)
- Follow-up custom school community letters in English and Spanish.

End-of-School-Year Cleanout Guide (available in English and Spanish)

Zero Event Waste Flyers

- Waste Reduction Tips: Celebrate More, Waste Less Flyer
- Sample Zero Waste Event Tips (customized for each event)

Green Star Schools News & Publications

- Monthly Green Star Schools newsletters
  - BVSD
  - SVVSD/Adams 12 Five Star Schools
- Holiday Guide (in English and Spanish)
- Colorado Recycles Week video
- Happy Earth Day video
