

WEST PARK HIGH SCHOOL

Parking, Permits & Transportation Policy [Map](#)

Mission Statement: *We value people and we love to learn.*

General Guidelines

Students driving on campus are subject to the same laws governing the roads and highways. Laws pertaining to reckless driving, exhibition of speed, mechanical violations, registration, and parking are applicable to all vehicles in the parking lot.

Any law enforcement officer is authorized to patrol and cite. Pedestrians have the right-of-way. The campus maximum speed limit is 10 m.p.h. Vehicles may not be driven through campus. Students found operating their vehicles in an unsafe or reckless manner (including exceeding the 10 m.p.h. limit) may be fined and/or referred to an Assistant Principal and may lose their parking privileges on campus.

Bikes and Scooters:

We welcome all student riders wearing the appropriate safety gear and abiding by all rules and safety guidelines set forth by the [Roseville Police Department](#). We have 3 bike/scooter racks available for current students:

1. Main Entrance (remains open even after hours)
2. Grove (remains open even after hours)
3. Swimming Pool (locked except during arrival/dismissal)

Bikes, skateboards, scooters, or any other wheeled and/or motorized transportation is not permitted on campus inside the gates at any time (even after-hours).

The school is not responsible for lost or stolen bikes or scooters. To help prevent theft, we strongly encourage students to **securely lock** their bikes and scooters in the designated areas. Please note that failing to lock them properly makes them an easy target for theft.
