

**TWO RIVERS**  
ELEMENTARY SCHOOL  
HOME OF THE RIVER OTTERS

Dear Two Rivers Families,

Welcome to the 2025–2026 school year! I am honored and excited to introduce myself as the new principal of Two Rivers Elementary School. After serving as the assistant principal last year, I feel incredibly fortunate to continue working alongside our amazing students, staff, and families in this new role.

To our returning River Otter families—welcome back! We're thrilled to see you again. And to our new families—welcome to our community! We are so happy you've joined the Two Rivers family and can't wait to partner with you on your child's educational journey.

At Two Rivers, we are proud to be recognized as an AVID Demonstration School for our outstanding implementation of the AVID College Readiness System. This means we are committed to preparing all of our students from TK through 5th grade with the skills and strategies they need to be successful in school and beyond. Through AVID, students learn to stay organized, set goals, think critically, and develop the habits of lifelong learners. We believe every child has the potential to achieve great things, and AVID helps us make that belief a reality every day.
