

MEMORANDUM OF UNDERSTANDING  
between the  
FOLSOM CORDOVA UNIFIED SCHOOL DISTRICT  
and  
CSEA CHAPTER #528  
(Maintenance Mechanic I Ratio)

The current needs of the District require changes to the following position ratios:

- a. On 10/20/15, the District and CSEA signed an MOU establishing the ratio of Maintenance Mechanic I to Maintenance Mechanic II to no more than 1:4. Current needs of the District require the hiring of one additional Maintenance Mechanic I. This would exceed the ratio by one MMI. When the additional work that is anticipated to take two years is completed AND a MMI position becomes vacant, the District will close one MMI position to return to the 1:4 ratio.

Absent further agreement, this MOU will sunset on June 30, 2020 and the ratio will return to 1:4.

This is a one-time non-precedent setting agreement and shall fully and finally resolve all bargaining related to the impact and effects of these changes.
