

MEMORANDUM OF UNDERSTANDING
between the
FOLSOM CORDOVA UNIFIED SCHOOL DISTRICT
and
CSEA CHAPTER #528
(Transportation Mechanic II Hours)

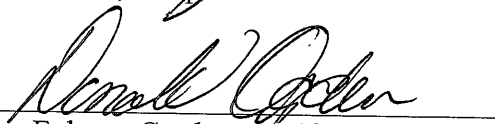

The current needs of the District require changes to the following positions:

- a. There have been complaints that Transportation is falling behind on bus repair requests. The Transportation Department has two (2) large lifts for four mechanics to work on busses. The busses need to be on the road during the day to transport kids. Additionally, work on the Maintenance and Operations vehicles are difficult to repair during the workday. The District intends to move two Mechanic II employees (Employees #610641 and #613170) to a 2:00PM to 10:30 PM shift effective 10/29/18.

This is a one-time non-precedent setting agreement and shall fully and finally resolve all bargaining related to the impact and effects of these changes.
