Dear Parents and Guardians,

We are excited to share with you the elementary Spartan Summer Reading website! To access the website and grade level summer assignments, please click here.

The yellow banner at the top of the website will direct you to each grade level's summer reading assignment. In addition, links have been provided to support you and your children in accessing books remotely. We have also included additional optional activities and programs sponsored by our school media specialists, Barnes and Noble, and Scholastic.

Please join us in our efforts to encourage students to read as much as they can over the summer months. While our program provides a list of suggested titles and authors at each grade level, we understand the importance of student choice in motivating students to read. By giving students the opportunity to choose the books that are just right for them, we hope that they are able to engage in reading books that they truly enjoy.

Thank you, as always, for your continued support. I wish you all a happy and healthy summer!

Sincerely,

Michelle C. Shappirio

Queridos padres y guardianes,

¡Estamos emocionados de compartir con ustedes el sitio web de lectura de verano de Spartan de primaria! Para acceder al sitio web y a las tareas de verano de nivel de grado, haga clic en aquí.

El cartel amarillo en la parte superior del sitio web lo dirigirá a la tarea de lectura de verano de cada nivel de grado. Además, se han proporcionado enlaces para ayudarle a usted y a sus hijos a acceder a los libros de forma remota. También hemos incluido actividades y programas opcionales adicionales patrocinados por nuestros especialistas en medios escolares, Barnes and Noble y Scholastic.

Únase a nosotros en nuestros esfuerzos para alentar a los estudiantes a leer todo lo que puedan durante los meses de verano. Si bien nuestro programa proporciona una lista de títulos y autores sugeridos para cada nivel de grado, entendemos la importancia de la elección de los estudiantes para motivarlos a leer. Al brindarles a los estudiantes la oportunidad de elegir los libros adecuados para ellos, esperamos que puedan participar en la lectura de libros que realmente disfruten.

Gracias, como siempre, por vuestro continuo apoyo. ¡Os deseo a todos un feliz y saludable verano!

Atentamente,

Michelle C. Shappirio
