At this time, Tracy McCarthy asked at what point would the district need an additional private school bus. Assistant Superintendent Report

Ms. Rylott reported that she and Guidance Counselor Alyssa Prior are verifying all of the year end reports for the Shelter Island School report card and loading that data to the State. Ms. Rylott also reported that she is waiting for all of the grant allocations to be released for the 2025-2026 school year so that she can apply for the funds. Unfortunately, Ms. Rylott has learned that we did not receive any Title I funds (these funds provide all children significant opportunity to receive a fair, equitable, and high-quality education and to close achievement gaps among groups of students) or Title IV funds (this is a Federal program that provides supplemental funding to help provide students with a well-rounded education, improve school conditions and improve the use of technology.)

Superintendent Report

Dr. Doelger spoke about the new New York State Education Law that requires school districts to adopt a policy restricting the use of "internet-enabled devices" during the entire school day on school grounds. Dr. Doelger will be holding meetings with parents and students to get their input on what they think the parameters of the Shelter Island policy should be.

Dr. Doelger recapped all of the end of year events that took place since the June 9, 2025 Board of Education Meeting. The events included were, Multicultural Night, Deborah Vecchio's Retirement Party, Athletics and Academic Awards Ceremonies, Scholarship Ceremony, Class of 2025 Commencement Ceremony, Pre-K4 Moving Up Ceremony and 5th Grade Moving-Up Ceremony.

Dr. Doelger congratulated Kelsey Northcote and shared how excited everyone is to have her on board and he also congratulated Maryann Impastato on her promotion to District Treasurer.

Dr. Doelger shared that the Town of Shelter Island has expressed interest in renewing the lease for the Tot Lot located on School Street. Highway Superintendent Ken Lewis shared a plan of not only maintaining the space, but also upgrading it using grant funding – at no cost to the district. Dr. Doelger stated that this is a promising partnership that the District is eager to continue.

Dr. Doelger reported that the installation of the blue light and button security system is underway in each classroom as part of the continued efforts to enhance school safety.

In closing, Dr. Doelger shared that he and Assistant Superintendent Jennifer Rylott had a productive professional development meeting with Christina Lesh regarding next year's professional development. Dr. Doelger explained that while offerings will be more limited due to budget constraints, the district will focus on science curriculum and supporting our newer teachers as they transition and grow in their roles.
